V. DAILY PROCEEDINGS AND PETITIONS FILED

LOUISIANA ANNUAL CONFERENCE WEDNESDAY, JUNE 8, 2016

CLERGY SESSION, BROWN CHAPEL, 3:30 PM

The Clergy Session of the 2016 Annual Conference was held at Brown Chapel, Centenary College, Shreveport, Louisiana.

Rev. Micky Cloud offered an organ prelude by Gordon Young, *Prelude in Classic Style*, and Bishop Cynthia Fierro Harvey called the Clergy Session to worship and order. Led by the Rev. James Haynes, the clergy sang, *O God, Our Help in Ages Past*, and Rev. Caroline Wilkinson offered the opening prayer. Rev. Micky Cloud played the offertory, *Festive Gloria*, by David Miller, and an offering was received for the Louisiana Conference Ministers Emergency Fund.

The Bishop led the business of the Clergy Session by calling upon the Chair of the Board of Ordained Ministry, Rev. Gary Willis. Rev. Willis offered his thanks to all who have served on the Conference Board of Ordained Ministry and Rev. John Edd Harper for his diligent service to the Board.

Part II of the report, "Pertaining to the Ordained and Licensed Clergy," Disciplinary Questions 17 through 56, was presented by various members of the Conference Board of Ordained Ministry. Corrections, deletions, and additions were made to the preprinted report and noted by Rev. John Edd Harper for printing in the Conference Journal. Bishop Harvey conducted elections and votes as necessary. Rev. Harper recorded the election results.

The Clergy Session also considered the following parts of the Disciplinary Questions: Part III, "Certification in Specialized Ministry"; Part IV, "Certified Lay Ministry"; Part V, "Diaconal Ministers"; Part VI, "Appointments and Concluding Business." Bishop Harvey conducted votes as necessary and Rev. Harper recorded the results.

Rev. Gary Willis moved that the entire report be approved, as corrected during the proceedings, by the Clergy Session. The vote was recorded by Rev. Harper. The entire report was adopted unanimously.

Election of the chairpersons for the Orders of Elders and Deacons were held. Rev. Karli Pidgeon was elected as the new Order of Elders chair, and Rev. Mimi McDowell was elected as the new Order of Deacons chair. The Fellowship of Local Pastors and Associate Members will elect their chair at their annual breakfast meeting on Thursday, June 9.

The Clergy Session continued as Rev. Haynes led the clergy in singing, *How Firm a Foundation*.

The Clergy Session heard a word from Rev. Mike Slaughter. Rev. Slaughter outlined the work of the Connectional Committee. The PASSIONATE CHURCH is characterized with an intense focus on four areas:

1. Developing Principled Leaders: In order to do that, we must understand the steps that it takes to move a seeker to leadership. Early on we are most often Sacramental Consumers or Seekers. Through an assimilation process, people are invited to become Volunteers (who serve at their convenience). From among them are identified Kingdom Servants, who serve as a mandate from Jesus Christ. And, finally, identified among them are Leaders among Leaders.
2. Engaging Ministry with the Poor: “If it’s not good news for the poor, it’s not Good News.” Rev. Slaughter reminded us that Jesus took his mission statement from Isaiah 61:1-4, “The Spirit of the Lord is upon me for he has anointed me to preach good news to the poor...”
3. Creating New and Renewed Congregations: Laying aside our obsessive focus on numbers, might we focus instead on MANY congregations, small buildings and infrastructure so that budget and people power can be focused on making disciples rather than maintaining buildings.
4. Abundant Health: Missional focus for recovering ministries, health ministries, exercise ministries, diet and clinical assistance.

Bishop Harvey offered words to the clergy gathered.

Rev. James Haynes led the singing of *A Charge to Keep I Have*, and the Clergy Session was adjourned.

OPENING WORSHIP SESSION, GOLD DOME, CENTENARY COLLEGE, 10:20 AM

After pre-service music from the Annual Conference Band and congregational singing, including *Like a Lion*; *Come Thou Fount*, *Come Thou King*; *From the Inside Out*; and *To Our God We Lift Up One Voice* and a visual “Glory to God Forever and Forever”, Rev. Karli Pidgeon and Rev. Katie McKay Simpson helped the Annual Conference congregation center for worship by symbolizing the uniqueness, creativity and diversity of our connection in Louisiana which is bound together in One Spirit and Love, Jesus Christ. We were reminded of how we might feel alone at times, but that we are always connected, rooted, and grounded in God’s great love.

Opening Worship continued with the traditional singing of *And Are We Yet Alive*. During the signing of the hymn there was a processional with the light, cross, Bishop Harvey’s grandparents’ bible and elements for communion, including the Bishop’s commemorative 2016 General Conference chalice. Ephesians 3:14-21 was read from different translations from multiple voices of young and old from different places in Louisiana. The great Wesleyan hymn, *Oh, For a Thousand Tongues to Sing* was sung.

Bishop Harvey then presented her Episcopal Address:

God can do far more than any of us could ever ask or imagine.

The past four years have been a living testimony to those prophetic words.

God has worked in us and through us and in spite of us in ways none of us could have ever imagined--from a new vision and mission, to restructuring, new ways of doing Annual Conference, exciting work between the Board of Ministry and the Cabinet and so much more. You have been permission giving in so many ways.

You have trusted me, but most importantly, you have trusted God to lead us.

Did you know that in 2013, we had only 14 clergy under the age of 35? Today we have 26 under the age of 35. The average age of our ordination class this year is 40.6--the youngest is 27 [and the oldest is 51]. The average age of the commissioning class is 27.1 with the youngest being 24 and the oldest 31.

When you have 28 retirements as we have this year, having young clergy to come in behind them is important. We talked about this three years ago, and today we are experiencing the realities.

We celebrate the start of our new faith communities--reaching people for Jesus Christ in new and unique ways. The work in the 7th Ward continues as Spirit Church begins to find roots. The Foundry in the Sterlington area launched last year and is worshipping an average of 125. Louisiana Avenue in Lafayette continues to do amazing ministry. In the weeks to come, you will hear about the incredible ministry in Luling, outside New Orleans, and a new exciting ministry being birthed out of APEX in New Orleans. Asbury in Lafayette is exploring an extension of their ministry in the Youngsville area which is one of the fastest growing areas in the state. Yes, Youngsville and Asbury are working to get ahead of the curve.

We have responded to floods, tornadoes and more floods.

You have been patient as we have worked hard to make mission field appointments, making sure the right pastor was sent to the right church at the right time. It hasn't always been perfect, and we have not succeeded in every case; but each mission field appointment informs the next as the cabinet works to maintain the long view. We are learning about transferable gifts and our ability to scale-up. We are also learning that there are pastors that have the unique ability to serve in larger cities and some that thrive in more rural communities. We will continue to explore ways to affirm and celebrate the unique and contextual ministries of these highly effective pastors in meaningful and tangible ways.

Friends, you have been fruitful. You continue to model what it means to be the church. You are modeling what it means to be rooted and grounded. Rooted and grounded in the word of God. Rooted and grounded in the community.

As we began planning for this year's conference a year ago, I read an article about redwood trees. I had been introduced to these beauties several years ago during a trip to Northern California. The redwood trees of the northern and the north central California coast are the tallest trees on earth. They may reach over 350 feet in height. In order to grow so tall, one might think that deep roots are needed to hold them in place and nourish these giants. Given the great height the mature tree attains, the root system of the redwood tree is surprisingly shallow. There is no taproot and the other roots may reach no deeper than 6-12 feet. The major roots are about 1 inch in diameter and they typically spread 50 to 80 feet. The trees are able to remain upright for millennia by growing close together with other redwood trees, intermingling their root systems. In order to remain standing, they entangle themselves with one another and hold each other up.

We speak often of being deeply rooted, which is frankly what we hope for, but the reality is that often we are not that deeply rooted; and we have to rely on one another to hold us up – growing closer together and making sure our roots are intertwined.

I would love for all of us to be White Oaks with deep taproots but honestly, Redwoods are majestic, stately and stand tall and beautiful even in the midst of storms. If you have ever been to the Redwood Forest, you will know what I mean.

Often the word “entangled” is negative. In the description of the root systems of the majestic redwoods, I like the word “entangled.” Our lives are entangled. Life causes us to become entangled. I don’t know of anyone I would rather be entangled with but you.

It is because of our entanglement that we are stronger. When we get wrapped up in each other’s life, it is then that God can do far more than we could ever ask or imagine. The world is changing so rapidly. We need to hold on to each other for dear life. We have made good progress, but I ask you to buckle your seat and keep your arms and legs inside the ride because we have a way to go.

We continue to move, not necessarily fast, but deliberately and intentionally. We still have a way to go.

We still have over 50 percent of our churches with no professions of faith. Not good!

We still have churches declining at such a rapid rate that they cannot sustain their current facilities or personnel.

If we don’t GO NOW, we will be left behind. We have to continue to innovate, to create, to risk – to make a new way.

The world is changing faster than we can keep up with. Think about it for a minute

The internet as we know it is only two decades old.

Facebook began in 2004.

Instagram, 2010.

Now let’s get to really important statistics in our timeline:

In 1971 the first Starbuck’s opened; there were 116 stores in 1991, 4,709 in 2001 and in 2015, there were 22,519!

Today’s world is fast paced, exciting and dynamic. Changes occur frequently and quickly. We have to stay in tune with the latest trends, the impact of world events on people’s hearts, the impact of the world on people’s moods. What are their greatest needs? What do people hold of highest value?

The church is no longer the centerpiece of most of our communities. People don’t go to church 52 Sundays a year. We are lucky if they attend church one Sunday in every six. Our major givers are dying at a pretty fast pace, and it is getting harder and harder to replace them because today’s givers aren’t inspired by the value propositions of the past. Many churches who had multiple elders in the past can hardly afford a part-time local pastor. It takes a different kind of leader to lead the church today. It takes an entrepreneurial leader that will not settle.

I am not here to plug Direct TV but I am here to illustrate what happens when you settle. The world passes you by.

Author and entrepreneur Jim Rohn once said, “If you are not willing to risk the usual, you will have to settle for the ordinary.” I don’t want to be ordinary. Vanilla? Do you? I want our ministry, our life and work to be extraordinary.

In the book *Getting Beyond Better, How Social Entrepreneurship Works*, Roger Martin and Sally Osberg talk about social entrepreneurs. They say that Social Entrepreneurs begin by recognizing an injustice or suffering that inspires them to tap into their own resources, their own wheelhouse to better understand the root causes of injustice and create a model for change that they can then scale up. This sounds a lot like our call, doesn’t it? But I remind you that these kinds of leaders envision metrics of change beyond the usual statistics like wealth, power, decrease in disease or - in our terms – worship attendance, membership, Sunday school attendance – all that stuff on Table 1 of your charge conference report. Now, don’t misunderstand me. I have said it many times before, these are important measures – indicators of vitality. But I don’t believe they are the sole indicators of vitality.

I continue to ask myself whether we are asking the right questions. Are we measuring the right stuff? We have to lead today with a tenacious curiosity and relentless questioning. Why? Why? Almost like a two-year-old. And you can’t answer, “Because I said so!” We have to be like CSI detectives, peeling away at what we see in order to get to what we don’t yet have eyes to see.

When we don’t know what to do, we tend to DO more.

We are great at the technical stuff. We feed hungry people – which is good, but do we know why they are hungry? We are providers of social services that address noble causes. We DO a lot of stuff but in DOING, are we leaving the existing system in place? Are we simply ameliorating the effects of poverty, providing food for families in desperate need? Again a good thing, BUT, are we leading transformational change when they have to come to the food pantry week after week?

Trust me, the world would be a far worse place without the food pantries in our churches, but we need to address the root causes of poverty and go deeper.

But this requires entanglement, relentless questioning and tenacious curiosity.

It is messy, controversial, rubs us the wrong way and forces us to ask more questions--harder questions that we cannot ignore.

We have to disrupt the system, otherwise we will wear ourselves out doing more that does nothing to cause transformational change – that does nothing to change the system. We have to lead differently, more so than ever before.

Leadership is a behavior. Our role as leaders is to nurture and transform the leadership of others--to empower the saints for the work of ministry. A very wise woman once told me, "The only thing you can control is who you are."

The question a leader should constantly ask is, "How can I behave differently in order to make progress on our work, our shared ministry – all that is in front of us?"

Craig Gilliam, my confidante, mentor, coach, my own personal Yoda and friend says that modeling is one of the most powerful things a leader does!

Leadership is less about making decisions and more about how we spark a new way--how we inspire. Inspirational leadership.

In his newest book *Christian Social Innovation*, Greg Jones, past Duke Divinity School Dean, says that we Wesleyans have had in our DNA a commitment to integrative thinking that holds together ideas and practices that others tend to make oppositional.

Can we hold two conflicting ideas in tension? We live in a yes/but world. We will experience a new movement when we shift from yes/but to yes/and.

Times of tension force us to go outside the proverbial box, or fishbowl. But, sometimes we confuse the urgent with the important. When things are shifting—slipping and sliding away—we tend to get more technical and a lot less adaptive.

We start talking about structure, staffing—oh, if only the structure was different. If we only had a different leader. In times like this, we confuse institution with structure. We cannot let ourselves get caught up in this kind of thinking, it often leads to despair and to fear. We default to what we know. What can be because new ideas, innovation, risk, creativity are a threat to the status quo – our institutional understanding. We don't want to feel threatened so we go back to the way it has always been!

Alan Roxburgh in *Missional Mapmaking* says that we do different things but use the same old map that no longer can take us to where we want to be because the landscape is no longer the same—making the same assumptions makes even the new things that we do not really new nor effective.

Social entrepreneurs work toward alignment with the mission—with a desire to renovate, innovate, risk. They will almost do anything to assure alignment with the mission. When we align with our mission, it might mean we have to give up on some things we love. Things we have loved for a very long time!

News Alert: This is not our greatest place of comfort.

Apportionment payout, average worship attendance, membership – again very important, but are these the most relevant measures for today?

We are going to have to come up with a THIRD METRIC. Gil Rendle says if you can't measure it, you had better be able to tell a story about it.

I hope you have been following the #WeAreMore campaign that has focused on the stories of incredible ministry happening around the South Central Jurisdiction. These are stories that need to be told. Perhaps our story is the THIRD METRIC.

I know it is risky for me to hold up one church because there are so many we could highlight. But Louisiana Avenue United Methodist Church is a model of entrepreneurial leadership. Two years ago, it had 8-12 worshippers and we thought it was heading to closure. We sent a pastor who had some pretty outrageous ideas. Today, they worship over 200 – and they are taking it to the streets and are reaching far more than 200! I haven't seen a place on a charge conference form for that! Have you?

I would call Robert Johnson, the pastor, and his congregation social entrepreneurs, people living in the world of Christian Social Innovation. I would call them Redwoods entangled with one another. Pastor Johnson leads from the soul and leads his congregation to lead from the soul. They won a Wesley last year, and this year I want to personally award them a Wesley for their IMPACT ministry.

A video was shown of Louisiana Avenue UMC, Lafayette

What started as a conversation about using a food truck model for church has resulted in church on wheels. Louisiana Avenue folks, you will receive your actual Wesley in the first plenary session this afternoon!

Last fall, during the Pope's visit to the U.S., he said something that caught my attention. I didn't write it down--I was driving. But he said something like, "A good shepherd should smell a whole lot like his (or her) sheep." I would say that a good leader should smell a whole lot like his or her sheep. When we are in relationship to our sheep, we will learn of the greatest suffering and injustices. This is risky business because when you get entangled with your sheep, God may ask you to do something you are not quite prepared to do.

Like the people at Chatham United Methodist Church. A church with people who decided to reach out to their community. Opening a neighbor's pool to the children of the community. And the unexpected happened—soon there were more of "them" than of "us." Some parents could not climb that hurdle. But as the kids became more entangled, they wouldn't settle for anything less and the summer program thrived. The Chatham UMC receives this Annual Conference's second Wesley Award.

Amazing things happen when we see things not as problems to be solved, but as opportunities to be seized.

Just think about Jesus' feeding of the 5,000. The disciples clearly thought, "Houston, we have a problem." Lots of people and not enough food. What started off as a problem of scarcity ended in a story of God's abundance.

What problems do you have in your faith communities that can be seen as opportunities to share God's abundance?

Last year, I worshipped in one of our newer churches, and there was a need for more nursery workers. The pastor pointed out to the congregation that many of them had been praying for God to send more nursery workers. He then called them out, saying that they had all the nursery workers they needed – they were sitting right there in the congregation! They could stop praying for God to send more nursery workers. God already had, they were already there! The church had all it needed to be vital. It was all around them—they just needed to step forward.

When we are leading our faith communities into a life of vitality, we will draw upon the power found in the community of the baptized to make disciples of Jesus Christ that will not just transform the world, but radically transform the world. We have to engage in the lives of people in our communities. We have to get entangled.

Wendell Berry once said that a community is not something you have, like a camcorder or a breakfast nook. No, it is something you do. And you have to do it all the time.

Like the people at Elizabeth Sullivan Memorial.

When a small church in a community is struggling with aging membership and limited financial capacity, it just takes one! One person, one idea, one willing to serve God. The widow's garden provides a fresh harvest for the community and has more than doubled in size. It involves not only church members but community partners, school children and the God who calls us to entangle ourselves and DO community.

A video was shown of Elizabeth Sullivan Memorial UMC, Bogalusa

The third Wesley goes to the people of Elizabeth Sullivan Memorial United Methodist Church, the people that wouldn't settle.

Life changing ministry does not have to be complicated—it just has to be transformative. Social entrepreneurship and Christian innovation is not about creating more or bigger, prettier places of worship. It is not about more programs, but it is about becoming more culturally relevant, responding to the needs of the community, reaching for the heart of the matter and being that which matters to a world that is hurting and searching for things that really matter.

There are people looking to us for those things that matter and that will bring them closer to God and closer to one another. BUT....

There are so many things that cause us to become un-centered or unhinged from our relationship with one another and from God.

General Conference 2016 was a stitch in time that came dangerously close to causing us to become unhinged from our relationship with God and one another. This General Conference talked of schism and division. There is a lot of hurt, a lot of trash-talking and name calling that prevents us from truly leading—it prevents us from leading from the heart. We actually spent more time talking about the rules than we did the mission of the church. But in the end, the General Conference chose to set aside what divides us and take a stand for unity. Not even our differences keep us from being the body of Christ in the world. For the first time in its history, the General Conference made a request of the bishops, and the bishops responded with a strong stand for unity.

They, like the rest of the Conference, and frankly the rest of the church, do not share unanimity but they are unanimous that we are stronger together than we are apart and will work intentionally over the next two years to bring about a way of justice and reconciliation for all people—standing on the promises of God!

If ready and if appropriate, there will be a called session of the General Conference, and in the meantime, the bishops are committed to continue to explore ways to live in grace with one another while upholding the Book of Discipline.

We believe that we are more than legislation, more than 10 days in Portland. We are a global church with over 40% representation from outside the US. We have been able to make incredible headway in the battle against the killer diseases of poverty like Malaria. We are building hospitals, schools and universities all over the world.

We are more!

Nothing can separate us from one another or from the love of God—not even General Conference.

I often wonder if Louisiana could model for the rest of the United Methodist Church what it means to be in covenant with one another, what it really means to be entangled in one another's life?

These two are not on the same theological spectrum, but there is a great deal of love and respect going on here.

Hear what Juan says about his brother Pat: “Dr. Day and I often disagree on issues facing the church and the world, but I am thankful for him, his love for Jesus and his church, and his willingness to mentor young pastors like me. Unity makes us stronger!”

While they sat next to one another at General Conference, perhaps the only thing they agreed on was crazy socks. They might have cancelled each other’s votes most of the time. But they are brothers united in Covenant. They won’t settle for the ongoing narrative alive in other places in the church!

We don’t always talk about this, and I don’t think you really know how truly unique these covenant relationships are in Louisiana. I celebrate them, honor them and pray to God they might serve as a model for how the rest of the church ought to behave.

I stand firm believing that God’s power at work within us is able to accomplish abundantly far more than all we can ask or imagine. Sometimes it requires going outside what we have always known. It means not being sucked into others’ behavior—the name calling and finger pointing. Or giving into peer pressure like 8th graders, but standing firm on what you believe and still loving one another. It means we have to explore a new way. Perhaps the new way is simply LOVE! Going outside of our own proverbial box is risky business. We might discover something new about ourselves and our neighbor.

The people at Noel Memorial UMC learned this by risking and getting entangled with their neighbors and not settling for the way we have always done it. Noel members have formed relationships with those shopping in the Christmas Shoppe. They have built friendships that go far beyond anything they could have ever asked or imagined. They probably smell a whole lot like their sheep, too.

The recipient of the fourth Wesley Award is Noel Memorial United Methodist Church.

It is in our deepest imagination that innovation can find root in a sense of hope. It is here that the broken can begin to be healed. It is here that we discover the power of the Holy Spirit who is making all things new. We need to be “Go” communities of faith not “Come” communities of faith. You cannot have community without people, but getting people to come is not the end goal. We must create communities that invite people to come and experience being deeply known and loved. Perhaps even when their own ability to know has been shattered.

See how First United Methodist Church, Baton Rouge, invited Alzheimer patients and their caregivers to an experience of being deeply known and loved.

A video was shown of First UMC, Baton Rouge

The fifth recipient of this year’s Wesley Awards is First United Methodist Church, Baton Rouge.

Amazing what happens when we sing a familiar song, or recite a familiar verse of scripture. Often the unknown world becomes known and familiar again--even if just for a moment. Are you beginning to get a sense of what it means when you don't settle?

There will be additional Wesleys awarded throughout the week. Stay tuned for more life-changing stories.

In any of these instances, and so many more in your churches, settling is not an option. Think about these, mostly men, they were not Settlers. First, the Louisiana Methodist Episcopal Church South at their annual conference in 1882 in New Orleans. Second, the mostly black delegates to the 1921 Annual Conference. Aren't you glad they didn't Settle!?

This year we celebrate 60 years of the ordination of women! I am grateful every day for women like Marjorie Matthews the first bishop to be elected in 1980. Friends, that was not that long ago. Minerva Carcano, the first Hispanic woman elected bishop. Leontine Kelly, the first African American woman to be elected bishop. And some of the women who have personally shaped me—Carol Cotton Winn, the first woman ordained in Louisiana; Marie Williams; and my hero, Janice Riggle Huie.

And the list goes on, but not for long, because we still have a way to go my friends. We are not settling!

We need leaders that are willing to risk, that are willing to fail. Leaders that are not willing to settle – but who will lead with tenacious curiosity and relentless questioning. Leading requires trust in God, and trust in each other as God's people. Only then can we lead with bold confidence.

Trust is required if we are going to be entangled like the mighty redwoods.
Lead with bold confidence and an entrepreneurial spirit!
Take a stand in the unknown, trusting in the Spirit to move!
God can do far more than any of us can ask or imagine.

Ms. Lauren Hudson interpreted the Bishop's message in chalk art.

Rev. Karli Pidgeon and Rev. Kati McKay Simpson led the congregation through the opening of the Communion Liturgy with the Invitation, Confession, Pardon and Passing of the Peace. Bishop Harvey led the Great Thanksgiving. Communion was served by seminarians, candidates for ministry and members of the Cabinet. During communion, churches and individuals brought offerings for flood relief. Songs during communion included *O Come to the Altar*; *Breathe, This is the Air I Breathe*; *My Heart is Yours*; *I Surrender All*. The Bishop prayed the Prayer after Receiving.

Bishop Harvey gave the Benediction and Blessing and urged all to "Go entangle in the gnarly roots". The recessional was to the song *How He Loves*.

The motion was adopted by the Conference.

Alston then invited Dean Harvey and Elizabeth and Tyler Reames to join Bishop Harvey on the stage. She announced that the Harvey family tree is growing which means ours has grown. She told the Bishop that we are grateful for her putting down roots in Louisiana soil as she encourages all to put down roots where we are called to minister and serve.

Rev. Alston reminded the Bishop that we are grateful for her leadership and thanked the family members for entangling themselves with us. She announced that the Episcopal Committee would be contributing a gift in the Bishop's honor to fund scholarships for young seminary women to attend the Global Clergywomen's Gathering in Houston.

The Bishop responded with thanks and said she looked forward to participating in the gathering in Houston for Clergywomen around the World.

- There is legislation in the Louisiana Legislature that mandates that churches collect and remit sales tax on certain items.

Question from the floor: Rev. Deborah Williams, Hartzell Mt. Zion, asked if there was an expiration on the sales tax. Rev. Burleigh replied that a penny of the new tax would expire but that the rest would continue.

Rev. Johnson announced that all three petitions would be considered and voted upon on June 10.

Bishop Harvey stated that sometimes closing churches is as hard as starting them. She thanked the people of Iota, Pine Grove and Eros.

COMMISSION ON EQUITABLE COMPENSATION REPORT

Rev. James Moore, Chair of the Commission on Equitable Compensation, informed the members that the 2016 General Conference took action that resulted in lowering the 2017 Denominational Average Compensation after the time of the original Pre-Conference report; as a result of the General Conference action, salary supplements designated for insurance purposes will not be used in calculating the Denominational Average Compensation.

Rev. Moore moved that, as has been the policy of the Annual Conference, the amount for full time base compensation for a local pastor for 2017 be set at 60% of the 2017 DAC of \$68,876, or \$41,326. He further moved that the base compensation for a full-time Provisional Elder be set at 102% of this amount (\$42,153), an Associate Member be set at 103% of this amount (\$42,566), and that an Elder be set at 104% of this amount (\$42,979). - The Communications Team invites you to update the Louisiana Annual Conference Facebook page.

COMMITTEE ON NOMINATIONS

Rev. Jan Curwick directed the members' attention to the Committee on Nominations' report as supplemented and amended. The Committee on Nominations worked very hard this year because it was the beginning of a quadrennium, and it was also the first year under the reorganized conference structure for how we are to be entangled together to do ministry. If there are additions, corrections, and/or deletions in order, one should write them down on paper and give them to the secretary's desk. The Bishop has nominated George A. "Buzzy" Anding to continue as Chancellor. A motion was made and seconded to adopt the report and Rev. Anding as Chancellor and the motion passed.

The Bishop recognized Rev. Roger Templeton. He moved as follows:

I move for the suspension, for Annual Conference year 2016-17, of Conference Rule, Article I.K.8, which deals with the election of officers for Conference Boards, Teams, Committees and Commissions. The rule states: "Following the elections at the beginning of a new quadrennium the newly elected bodies shall meet at the site of the Annual Conference session. The District Superintendents shall convene the newly elected bodies and shall call for the election of a chairperson. Each body shall elect its chairperson and other officers upon nomination from the floor."

I further move that in accordance with Conference Rule Article I.T., during the suspension of this rule, the following procedure will be in effect: "Following the elections at the beginning of a new quadrennium the newly elected bodies shall meet within 60 days of the conclusion of the Annual Conference session at dates, times and places set by the District Superintendent assigned to that body by the Bishop, or a person designated by said District Superintendent, who shall convene the newly elected bodies and shall call for the election of a chairperson. Each body shall elect its chairperson and other officers upon nomination from the floor. In the case of Committees and Commissions of 6 or fewer members and the Episcopacy Committee, said meeting can be held by Conference Call."

Rev. Donnie Wilkinson seconded the motion.

Bishop Harvey reminded that a two-thirds vote was needed to suspend the rules.

The motion passed.

RETIREE RECOGNITION #1

Bishop Harvey called on Rev. Juan Huertas to introduce the first group of retirees with their video presentations. Video addresses by the following five of the twenty-eight retirees this year were heard: Rev. Chris Blanchard, Rev. Anita Dinwiddie, Rev. David Carlton, Rev. Pamela Fitch Roy and Rev. M. Theresa McConnell.

Rev. Juan Huertas stated that the twenty-eight retirees had over 700 years of service. Rev. Huertas said a prayer for the first set of retirees.

RECOGNITION & SENDING FORTH OF NEW MISSIONARIES FROM LOUISIANA

Rev. Ann Sutton recognized David, Elizabeth, and their children, Eva and Annie McCormick. David and Elizabeth were commissioned as missionaries on May 19 at the 2016 General Conference in Portland, Oregon. The husband and wife team—who are members of Grace Community United Methodist Church in Shreveport—have been assigned to Mozambique at the Chicuke Rural Hospital. David will serve as administrator for the hospital and Elizabeth will serve as pharmacist for the medical facility. A Service of Sending and Missionary Blessing was held.

The McCormick's shared their story and their mission endeavors.

The Bishop made the following announcements:

THURSDAY EVENING WORSHIP SESSION, GOLD DOME, CENTENARY COLLEGE, 7:00 PM

Rev. Katie McKay Simpson and Rev. Karli Pidgeon welcomed the congregation to worship the living God as people who are rooted in God's love and, though being diverse, are connected to each other through God's love for them and their love for God. Rev. Pidgeon led the conference in *This Is the Day*. After a prayer by Rev. Simpson, the congregation sang *Come Thou Fount; I Surrender All; Good, Good Father; and Forever Reign* with the worship team from Foundry United Methodist Church.

Bishop Harvey introduced Rev. Mike Slaughter, the guest preacher for the evening.

Rev. Slaughter's topic was *Activate Faith*. He referenced the scripture verse "All things are possible to those that believe". He stated we have not redeemed what is already been paid for with a price.

He read John 5:1-5 and talked about our relationship with the spirit. He then read verse 6 focusing on "Don't you want to get well?" He emphasized doing ministry by sight instead of faith. Then he referenced John 5:8-9 centering on "Get up! Pick up your mat and walk" – Action. He revealed that there are two components in a miracle: Divine intervention + human responsibility. Our body is the temple of God. We have a part to play by acting on God's directive.

While Rev. Slaughter was delivering his sermon, Ms. Lauren Hudson once again depicted scenes from Rev. Slaughter's words with chalk art.

Rev. Chad Brooks spoke of the floods in Louisiana this spring and about the recovery efforts. An offering was received to help with these efforts. The Worship Team from Foundry United Methodist Church and the Conference sang, *Great are you Lord*.

As an ending to worship, Rev. Chad Brooks lifted up what the Holy Spirit had placed in everyone's hearts through worship and called for the congregation to go forth and do something for the sake of Christ's kingdom.

Annual Conference was dismissed for the evening.

FRIDAY, JUNE 10, 2016

OPENING ANNOUNCEMENTS

Rev. Karli Pidgeon and Rev. Katie McKay Simpson opened with a summary of the Order of the Day. They led the conference with song, *Every Praise to our God*. Rev. Pidgeon prayed.

TEACHING MOMENT, GOLD DOME, CENTENARY COLLEGE, 8:00 AM

Rev. Katie McKay Simpson introduced Rev. Mike Slaughter who led the conference in a session on things he had learned as a dreamer in the fourth decade of leading a mustard seed movement.

Rev. Slaughter stated that renewal and transformation is knowing the "Who".

The gleanings he conveyed:

- Do not underestimate what God will do with small. Money does not follow church budgets; money follows mission. He shared a video of the return on investment in 2015 – Year in Review at Ginghamburg United Methodist Church. He referenced Matthew 13:31-32, the parable of the mustard seed. God wants us to do well every place we are located.
- There has to be a clearly defined, communicated message: Jesus is Lord – the absolute authority.

- There must be a clearly defined, articulated, understood, lived out mission: To make disciples of Jesus Christ for the transformation of the world. He urged all to focus on making leaders of leaders. Select servant leaders. Put people on church boards that have wisdom, that will work and have wealth (meaning they are fully invested in the tithe).
- Elevate the Understanding of Membership – Rev. Slaughter displayed a circle with Curious on the outer band, Convinced in the middle band and Committed in the Center.
- Activate a Missional Structure - Upside down “V” with pastor in the bottom, teams in the center and congregation at the top, keeping the structure simple, not complex.
- Gift based vs. Academy based – Use those that are gifted with certain talents and not necessarily those with academy training.

Bishop Harvey thanked Rev. Slaughter and questioned him on some aspects of his journey with Ginghamburg Church.

Conference took a brief break.

BUSINESS SESSION #2, GOLD DOME, CENTENARY COLLEGE, 9:15 AM

Rev. Karli Pidgeon brought the conference back from break with hand signs to *Spirit of the Living God* and Joy Egby opened the session with prayer.

COMMITTEE ON THE JOURNAL

Rev. Frances Hooton stated that she had reviewed the minutes from clergy session on Wednesday, June 8, the laity session on Thursday, June 9, and the Annual Conference sessions held on Thursday, June 9 and found them to be accurate and moved for their adoption.

The motion carried.

LAY LEADER REPORT

The Lay Leader of the Louisiana Annual Conference, Mrs. Carolyn Dove gave the following report:

Good morning Bishop Harvey and the Louisiana Annual Conference.

This Annual Conference concludes my term of office as the Louisiana Conference Lay Leader. I have enjoyed serving you and thank you for giving me this opportunity. I especially thank

Bishop Harvey for inviting me to the table with the appointive cabinet. I have learned much from the district superintendents I have served with. I would also like to thank two of my mentors, Dr. Sarah Kreutziger and Mr. “Buzzy” Anding, for their support and guidance through the years.

I would like to pause now in order to remember our lay servant, Mrs. Eloise Cox, who served the Louisiana Annual Conference for many years. Eloise will be missed and her devotion to the church will be remembered with great appreciation.

Four years ago the Louisiana Annual Conference decided to establish and support the Conference Office of Church Development. The Conference Board of Laity decided to transition from the Bob Lay 1000 Club to Church Starts Ministry and then two years later to giving our full support to the Church Development Program. From the time of inception the Bob Lay 1000 Club has helped at least 125 churches and raised over \$2 million dollars. We felt like this was the right time to funnel all our support to the Church Development Program since the old way of starting churches with brick and mortar isn’t the most effective means to start and sustain a new faith community today.

Our Daughenbaugh-Matheny Scholarship Fund has helped 100s of students gain a top notch education from Centenary or Dillard Universities. Currently we facilitate the Bishop William and Kay Hutchinson Scholarship award also. We thank each district, local church and individuals for their continued support of the United Methodist students in our conference who want to obtain a higher education.

One of the programs we are extremely proud of is the Certified Lay Minister. The requirements to become a Certified Lay Minister include attending the local pastor training event and completing course work. Currently we have 11 Certified Lay Ministers and later today Mr. James Wilkins, Mr. Earl Cumming, and Dr. Barbara Soniat will be recognized as Certified Lay Ministers – bringing the total to 14. These are laity who have committed to serving the church beyond the normal means. They aren’t clergy but occasionally serve in that capacity.

This afternoon I would call your attention to the number of laity who will be recognized for completing their course requirements to receive Certification in Specialized Ministry in education, music, youth ministry, Evangelism, and Spiritual Formation. Laity striving to serve the church in specific areas.

Another lay person, Ms. Lauren Hudson, a member of The Wesley Foundation at LSU in Baton Rouge will be the artist interpreting the worship experiences through graphic recordings in chalk throughout the annual conference. Lauren also represented the Louisiana Conference during General Conference as she interpreted Bishop Harvey’s sermon. This was a FIRST for the General Conference worship committee. Way to go, Lauren!

I want to thank you for electing me as your first lay delegate for General and Jurisdictional conference. This was the quadrennium that the laity served as Head of the Delegation. This experience has been interesting! If it hadn’t been for Rev. Andy Goff serving as the first clergy delegate and supporting me with his prayers and counsel, I would have been in a complete state

of confusion. Guiding the Louisiana Conference Delegation has at times been like herding “cats” and other times very spirit filled, supportive of one another, and working as the Louisiana team. Thank you laity and clergy delegates for who you are and your servant hearts.

During General Conference I had the honor of witnessing a former Conference Council on Youth Ministry member, Mr. David McCormick and his lovely spouse, Elizabeth, be commissioned as Missionaries to Mozambique. My heart was full. David and Elizabeth are another example of how laity can serve the Lord without being ordained clergy.

Laity, I challenge you to seek ways to serve the Lord wherever you are – local community, state, United States, the world – as John Wesley said “I look upon all the world as my parish.” I would add - go and do likewise.

I would like to introduce the newly elected Chairperson for the Louisiana Conference Board of Laity for the 2016-2020 quadrennium – Dr. Terrel DeVille.

I know you’ll support Terrel and follow wherever he leads the Conference Board of Laity.

Dr. DeVille presented Carolyn with a gift from the conference Board of Laity and a bag filled with snacks.

Thank You for allowing me to serve you. I have been blessed.

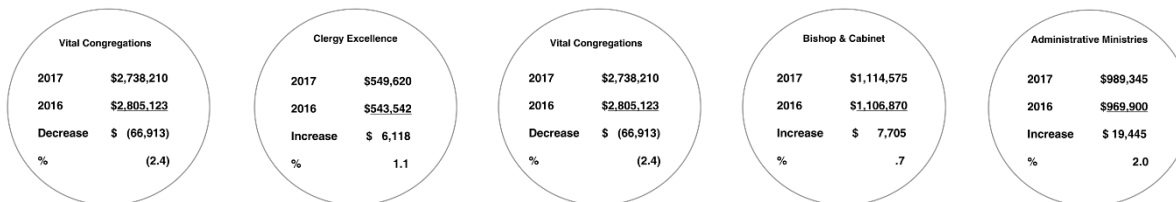

CFA REPORTS 2 and 3

Rev. Elaine Burleigh told the members that there was a bill introduced in the Louisiana Legislative special session that would change the sales tax law applying to churches that had been referenced during CFA Report1; the proposed legislation would exempt churches from the new law. She urged everyone to contact state legislators seeking this change in the law.

Rev. Burleigh reminded the delegates that for 2017 there is a new conference structure and that the budget has been reformatted to reflect this new organizational structure.

Rev. Burleigh reviewed the 2017 Conference budget making note of the increases and decreases in each area.

CONFERENCE CONTROLLED BUDGET

| | 2016 | 2017 | +/- |
|---------------------|----------------|----------------|---------------|
| Vital Congregations | 2,805,123 | 2,738,210 | (66,913) |
| Clergy Excellence | 543,502 | 549,620 | 6,118 |
| Bishop & Cabinet | 1,106,870 | 1,114,575 | 7,705 |

| TOTAL: | 5,425,395 | 5,391,750 | (33,645) |

Rev. Burleigh noted that for the 2017 Conference Controlled budget there was a decrease in apportionments from the 2016 amount, even considering the fact that Camps were being “absorbed” into that apportionment from the district apportionments.

Rev. Burleigh explained that the General Church apportionments had increased and the Jurisdiction line items were anticipated but might need adjustment depending on the results at the Jurisdictional Conference in July 2016 and the budget that was finally adopted at that Conference.

GENERAL CHURCH APPORTIONMENTS

| | |

Rev. Burleigh highlighted that in Report 2, Item 17, CFA nominates Jan Holloway Curwick to continue as Treasurer of the Louisiana Annual Conference for the next Quadrennium.

She then stated that Report 3 outlines how the money from the sale of the Lafon Home is to be allocated.

Rev. Burleigh made a motion to submit this report for approval by Annual Conference.

Question from the floor: Rev. Deborah Williams, Hartzell, Mt. Zion - What is total amount of the sale of Lafon Home?

Rev. Burleigh responded that it was \$1,570,000 and that \$250,000 would be allocated to the Board of Congregational Development for ministry in the 7th Ward, \$250,000 would be allocated to the Contingency Fund and the remaining proceeds were to be deposited into an account at the United Methodist Foundation of Louisiana, and the income of said account would be payable in January to be used for grants and projects, one-half by the Board of Congregational Development and one-half by the Mission and Mercy Ministry Team, all as outlined in Report 3.

The Motion passed.

Bishop Harvey recognized those that served on CFA in this quadrennium and thanked them for their hard work.

Bishop Harvey requested the conference band to lead us in music and stated that then there would be a break. The band played and sang *Turn Your Eyes Upon Jesus* and *I Exalt Thee*.

REPORT OF GENERAL CONFERENCE DELEGATION

The lead lay delegate, Mrs. Carolyn Dove, and lead clergy delegate, Rev. E. Andrew Goff, presented a report on General Conference 2016. They thanked the Annual Conference for electing them as delegates to lead the Louisiana Conference Delegation. Standing on stage were other delegates for the Louisiana Conference.

A video titled “General Conference 2016 Wrap-up: Farewell, Portland. Thanks for the Doughnuts”. was shown.

Many good things came out of General Conference that received little publicity or no publicity. The ones highlighted by Mrs. Dove were:

1. Bishop Cynthia Harvey preached the Monday morning worship service and the Centenary Choir sang during that worship service.
2. Two of the song leaders/musicians for General Conference were Centenary Choir alumni, Mr. DeAndre Johnson and Ms. Missy Wise. The guitarist, Mr. Michael Rafferty, is also a graduate of Centenary.
3. General Conference celebrated the 200th anniversary of Francis Asbury’s death; the 250th anniversary of John Street Church in New York City; the 30th anniversary of Disciple Bible Study; the upcoming 25th anniversary of Africa University (our own Ms. Nancy Carruth served on the first Board of Directors for Africa University); the success of the Imagine No Malaria Campaign; and 60 years of Women’s ordination; a whole day was dedicated to United Methodist Women which will soon celebrate their 150th anniversary.
4. The worldwide nature of the church was evident throughout General Conference. There were sermons, music, jewelry, clothing, and wooden carvings from all over the world.
5. Louisiana’s own David and Elizabeth McCormick, members of Grace Community United Methodist Church, were commissioned as missionaries to serve in Mozambique – David as the administrator of Chicouque Rural Hospital and Elizabeth as a pharmacist at the same hospital. David and Elizabeth will be living out the global new emphasis on Abundant Health and Wholeness in this pilot program.
6. The delegates used prayer beads provided by General Conference to be intentional about prayers during the closing devotion time each day.
7. In the video, the comment about doughnuts has to do with Voodoo Doughnuts, which were a doughnut in the shape of a doll with a pretzel in its chest.

Rev. Goff shared the following:

1. All the plans to re-structure the United Methodist Church failed.
2. General Conference approved a .1% increase in the 2017-2020 budget of \$604 million.
3. General Conference also added \$5 million to the denomination’s Central Conference Theological Education Fund, which supports United Methodist schools, pastors and pastors-in-training in Africa, Asia and Europe.

4. Delegates focused on a historic tragedy with deep Methodist involvement “The 1864 Sand Creek Massacre.”
5. General Conference highlighted the small wooden Korean “peace crosses” that were made to recognize the need to bring about peace and reconciliation on the Korean peninsula. Carolyn brought two home to share with our two Korean churches.
6. The United Methodist Church is on track to get its first new hymnal since 1989 and this one will be Internet-cloud based and print-on-demand – the first high-tech hymnal for a mainline denomination.
7. One Great Hour of Sharing will now be known as UMCOR Sunday.
8. Two other special Sundays, Women’s Ministry Sunday and Volunteer in Mission Awareness Sunday – both without offering – were approved.
9. Africa will get five more United Methodist bishops in 2020.
10. Appointments for full connection elders are still subject to the same rules regarding appointment security
11. Legislation for Term limits for United Methodist bishops did not receive the two-thirds majority needed to change the church constitution.
12. The process for deacons to obtain permission to administer sacraments was streamlined.
13. Dr. Rev. Juliet Spencer was elected to serve on the Commission on the General Conference to plan General Conferences through 2024 and Mrs. Carolyn Dove was elected to serve on the Inter-Jurisdictional Committee on Episcopacy’s executive committee as the South Central Jurisdiction’s Lay representative.

Mrs. Dove then stated that pleas were made by the delegates for the Council of Bishops to “lead” General Conference in a way forward concerning the human sexuality issues.

The delegation asked Bishop Harvey to share with the Annual Conference the process to be used for the Way Forward Commission.

Bishop Harvey shared that in the history of the Methodist Church there has never been a request by General Conference for Bishops to lead in a way like this. The plea came from the floor at Conference for unity and no one wanted division. Bishop Harvey beckoned all to be faithful to our call to be in covenant relationship with one another. She reminded everyone that we are called to uphold the Discipline with grace and with careful discernment. Jesus invited us to come as we are but not stay that way. She urged all to stand for unity, remain entangled as gnarly as that might feel sometimes. She stated that we are like the giant redwoods we will stand in any storm, be it General Conference or anything else.

Mrs. Carolyn Dove invited anyone who wished to discuss specific petitions, rulings from the Judicial Council, or other events that occurred during General Conference to contact a member of the delegation.

She stated that the delegation is preparing to attend the South Central Jurisdictional conference in Wichita in July and reminded everyone that Dr. Sarah Kreutziger and Rev. Ellen Alston are on the Jurisdictional Episcopacy Committee.

The Bishop called to the stage all those who went to General Conference either to work or to observe. She thanked them for their service and for representing Louisiana well.

Dianne Wilkinson, laity, Benton United Methodist Church, was recognized from the floor. She stated that she was able to attend 2016 General Conference, and it was a rich experience. She read a resolution which in summary states that until the Council of Bishops' Commission completes its work, members of the Louisiana Annual Conference will work toward a new reality in which space is given for a diversity of theological reflection, preaching and practices surrounding ministry with LGBTQ members of our congregations. She made a motion to accept the resolution and there was a second.

The Bishop offered a word of guidance that the Annual Conference does not have a process for resolutions. She said we need to figure out together what we want to do with this.

Recognition from the floor: Rev. James Mitchell, St. Timothy on the Northshore, made a motion to table the resolution and there was a second.

Question from the floor: "What is the difference between a petition and resolution?" Chancellor Buzzy Anding responded there is no definition on petition or resolution in the Conference rules.

From the Floor: "Call the Question."

Question from the floor about the rule: While a motion to table is not debatable, what is the timeframe for the tabling of this resolution?

Question from the floor: Debra Reed, First UMC, Denham Springs, "Will this resolution be tabled or tabled for a certain time?" The Bishop responded that the motion made was to Table.

Question from the floor: Mickey Moss, St. Luke Simpson UMC, Lake Charles. "Wasn't the question called?"

Question from the floor: Nancy Hopkins, Rayne Memorial, "Does it take two-thirds vote to take the resolution off the table?" Response was "yes".

COMMITTEE ON PETITIONS REPORT #2

Rev. Bernadine Johnson presented Petition No. 1, whose subject is the Journal. Petitioner is Rev. K. C. Roberson, Roberts United Methodist Church. Rev. Johnson reported that the Council on Finance and Administration took action, and the vote was eight against the petition and one for the petition.

Rev. K. C. Roberson stated that it is not acceptable to receive the Conference Journal 11 months after the Annual Conference proceedings close. He further relayed that last year it was received in April and this year it was May. He urged that the bar should be set higher and that 90 days is an acceptable amount of time. The petition also empowers the bishop to enforce compliance. He added that Rev. Jan Curwick has been diligent and the Bishop gracious.

Bishop Harvey declared that this was a speech for the petition.

Rev. Elaine Burleigh, Chair of CFA, spoke against the petition. She said the journal should be available as early as possible; however, this past year the software for statistical information had a flaw and the conference was understaffed but staff has been added to the Conference office. She further stated that the Conference Journal is now self-published through Amazon. Rev. Burleigh encouraged not to put a specific time in case an emergency arises but to work diligently to get the Journal out as soon as possible.

Rev. K. C. Roberson presented a point of clarity that his speech was not a speech for the petition.

Bishop Harvey responded that since the petition named the Bishop, we will do our best to get the Journal out as quickly as possible, but she is not sure everyone needs a printed copy. For clarification, she stated that the Conference Treasurer works for Council on Finance and Administration.

Question from the floor: Rev. Betsy Eaves, St. Luke's United Methodist Church, Shreveport posed a question on rethinking how this is published and the use of resources.

Rev. K. C. Roberson, amended his motion to require publishing within 120 days after Annual Conference is concluded.

Question: Rev. Mark Goins, First United Methodist Church, Gonzales, asked if the vote is on the amendment.

The response was yes, the vote is on the amendment.

Question: Mrs. Carolyn Dove, First United Methodist Church, Many, stated that the Book of Discipline says the journal has to be in print.

The question was called.

A vote on the amendment was taken and the Amendment passed. A vote on the petition as amended was taken and the petition as amended passed.

Rev. Bernadine Johnson presented Petitions No. 2 and No. 3. Petition No. 2, submitted by Mr. William Hawn, Faith Crossing United Methodist Church, and Petition 3, submitted by Rev. Lane Cotton Winn, Pearl River United Methodist Church, both deal with moving expenses. The Commission on Equitable Compensation considered Petition 2 and cast zero votes to concur and 6 votes to non-concur. The Council on Finance and Administration considered Petition 3 and cast zero votes to concur and 6 votes to non-concur.

Rev. Lamar Oliver made a motion to refer petitions 2 and 3 to a joint committee of four to six people to be appointed by the newly elected chairs of the Council of Finance and Administration and Equitable Compensation Commission, with the joint committee charged with coming back to the 2017 Session of the Louisiana Annual Conference with a recommendation on the conference moving expense policy. After a second on his motion, he spoke to the rationale for the motion. Rev. Oliver stated that the petitions deal with the same subject, yet were referred to different committees for concurrence or non-concurrence. So as to give each of these committees time to explore all the implications of any change to our policy, especially the financial impact on each local church because of potential increases in apportionment, a body jointly formed by the chairs of these committees is best suited to help us as a conference make an informed decision as possible with respect to these matters. He further stated that especially in light of remarks made within the Council of Finance and Administration report about the source of conference funding being the apportionment dollars of the local churches, it is vital that we have a completely clear understanding of the costs to be encountered if the Conference adopts changes to our moving policy that puts the burden on the entire Annual Conference.

Bishop Harvey stated that it was a non-debatable motion.

From the floor: Rev. Lane Cotton Winn, Clergy, Pearl River United Methodist Church, rose in support of the motion and stated that the intent was to cause this conversation. She further encouraged the committee to do their due diligence in how we can support local churches and the Louisiana Annual Conference. She urged that the committee work quickly and come back next year with recommendations.

A vote was taken on motion to defer, and the motion passed.

Question from the floor: Rev. Lynn Malone, Clergy, First United Methodist Church, Monroe, asked if the vote was on the petition or the motion.

Bishop Harvey responded that the Conference voted on the motion to defer, which was rightfully before us.

DISASTER RESPONSE REPORT

Rev. Angela Bulhof and Rev. Chad Brooks reported on the 1000 year flood event in the spring of 2016. There was a video shown of the areas affected by the flood waters. They further stated that there has been a call for volunteers, and there will be a way for people across the nation to sign up to help. The need is tremendous. They prayerfully asked for continued hard work to respond to the floods this year.

Bishop Harvey said, “You heard the challenge”. The Conference received a grant from UMCOR, and there is enough for up to one year with the resources we currently have. I invite you to send items and send contributions. We are getting our systems in place to respond.

SPECIAL MOMENT ON PROJECT TRANSFORMATION

Bishop Harvey invited Rev. Jane Riecke, Pastor University United Methodist Church, Baton Rouge; Phillip Espinoza; and Mitch Lambert to present information on Project Transformation Louisiana. Rev. Riecke said that Project Transformation Louisiana would be the Fourth Affiliate of this program. Project Transformation is a multi-pronged initiative focusing on transforming lives through relationships. This leadership program for college students focuses on working with children in underserved areas, as college students partner with conference churches to provide the children with academic and spiritual nourishment over the summer. She referred the Conference to a card in their packets to complete if more information is desired.

The Bishop added that a video is available on this program for those interested.

PERSONAL PRIVILEGE

From the floor, Ms. Amber Oxley, Lake Charles District, requested a moment of personal privilege. She has had conversation with other young adults and those young at heart regarding how we, as an Annual Conference, can move forward regarding tough stuff. She urged everyone to seek solutions that promote our global unity as the United Methodist Church rather than divide us. She made note that other Conferences have made and approved resolutions acknowledging and affirming the Council of Bishops and General Conference’s decision to assemble and prayerfully and actively have conversation around marginalized communities and the United

Methodist Church. She further stated that since we are not ready to have those conversations on the Annual Conference floor, to consider the opportunity to create spaces on the District or local church level to have these conversations and to listen to each other's stories.

ANNOUNCEMENTS

The Bishop recognized Keith and Sarah Kreutziger on their 50th wedding anniversary. Bishop Harvey prayed for them.

From the floor: Personal privilege requested by Mrs. Clair Carter, Laity, First United Methodist Church, Natchitoches. She requested we look into Project Transformation and reach out to students who do not know they are called.

Rev. Steven Spurlock, District Superintendent, Lake Charles said he received a request from Rev. Ramonalynn Bethley that a group was returning home in a van and had a flat with no jack and needed help. It was reported that some Cursillo participants are on their way to provide assistance.

Bishop Harvey reported that the offering at the Ordination Service totaled \$5,056.60. This offering will be used to offset expenses for new clergy to travel to the Holy Land.

The Bishop also relayed that the silent auction bidding is still open for artwork.

The Bishop informed the Conference that the next Annual Conference session will be held at Centenary College the week of June 11, 2017. Exact days will be decided based on response to this year's schedule. The Annual Conference evaluation will be on line.

YOUNG ADULT REPORT

Rev. Rachel-McConnell Switzer and Rev. Lane Cotton Winn began the Young Adult Report in dialogue:

Rev. McConnell-Switzer: Three days in the dark, under the ground, Jesus' body was buried. They thought it was all over. But there in the dark, something was happening, something they could not yet see and could barely imagine...

Rev. Winn: All of us, old and young, lay and clergy, experience those moments when we do not see what lies beneath the surface. Yet, life is stirring. God is stirring. And now, on this, our third day together, we celebrate that Christ is doing something new, yet again — something we cannot see, may not fully imagine, but have truly experienced this week.

Rev. McConnell-Switzer: We've been listening, sharing, and discovering with one another. And friends, the soil and the roots are ready! We've been growing together, entangling ourselves this week, supporting each other so we might *all* stand tall.

Rev. Winn: It's the right time, the right ground, the right people. The light of the Son is shining all around us, and we are ready for the new thing that God is doing!

The presenters introduced themselves. Presenters were: Rev. Rachel McConnell-Switzer, Rev. Lane Winn, Mr. Brandon Winningham, Mr. Caleb Porter, Mr. Phil Espinoza, and Ms. Angela Barber.

Brandon Winningham continued, “Through the Young Adult Summit, we have been in conversation with each other prior to and throughout Annual Conference about what it means for us to be rooted and grounded in such strong tradition. Each day for a week before conference started, we were challenged to post photos on Facebook representing the people and things that ground us. We’ve continued the conversation online, in person, and over meals as Annual Conference has progressed. What roots us and grounds us varies dramatically, but these things all share a common thread — they produce in us a love for God’s children, a faith in something greater than ourselves, and a hope for the future.”

Rev. McConnell-Switzer introduced a video that was shown of images and conversations that represent just a few of the many things that have been their foundation.

Rev. Winn shared that these are just a few of many ways we are rooted and grounded in faith, in hope, in love. We stand firmly on these foundations, strengthened and empowered by God. But we don’t stand for long, for God does not call us to remain stationary. Instead, God calls us to embrace the roots from which we’ve come, so that we might grow into dynamic people who are not limited to what has been, people who are seeking and discerning what can be. We are listening for the Spirit who urges us on to grow and blossom into more. We are rooted and grounded, yet we are more.

Another video was shown.

Rev. Winn recognized Mr. Porter and Ms. Barber who shared how they are rooted in their church and are living out their passions.

Rev. McConnell-Switzer stated, “Our conversations have been fruitful, yet we recognize that we are only one root, a part of a greater system that raises us up to be leaders and disciples, that supports and nourishes us. We cannot survive apart from you — Together we are more.”

Mr. Espinoza invited the members of Annual Conference to join them in prayer to close their report.

A brief break was taken.

PERSONAL PRIVILEGE

Rev. Pat Day, First United Methodist Church, Shreveport, stated that Bishop Harvey asked about the use of facilities at First United Methodist, Shreveport, for next year’s Annual Conference. He said the Conference would be welcomed back to his church. He also inquired about whether the Clergy session could be held at First United Methodist next year.

SERVICE OF CELEBRATION AND HOPE: GOING FORTH TO SEE, HEAR, AND BELIEVE THE GOOD NEWS

The conference joined their voices in praise to God by singing *For All the Saints* followed by a response greeting led by Rev. Katie McKay Simpson and Rev. Karli Pidgeon.

A prayer was offered by Rev. Karli Pidgeon.

Act of Remembrance

Clergy and spouses of clergy who had gone to the church triumphant in the last year were remembered. As the names were read by Rev. Ramonalynn Bethley and Mr. Rusty Bethley, bells were rung around the Gold Dome.

PETITION TO THE 2016 LOUISIANA ANNUAL CONFERENCE

Petition Number **1**

Referred To: **Council on Finance and Administration**

Subject: **Louisiana Annual Conference of the United Methodist Church Journal**

Petitioner: Kermit "KC" Roberson Signature: _____

Local Church: Roberts United Methodist Church (If individual petitioner)

Reasons for the Petition (Whereas): We are receiving the Conference journal later and later for the past three years and as we are now in pertinent part a digital community. The majority of all conference data having be received via pre-conference reporting, we believe that in light of transparency that the completed journal should not take longer than 90 days after the corporate meeting of the Louisiana conference to produce. Even if the preconference meeting does not take place, the information is still requested and compiled.

Proposed Action (Be it therefore resolved): We the members of the Louisiana Annual Conference desire to have the physical Journal of our annual meeting or the PDF version of the Conference in a published form, with supplements and corrections to be added prior to Pre-Conference reports for the next Conference year if applicable; And that the conference approved journal, be published, at a minimum 99 days, but not later than 120 days after the Annual Conference proceedings close. And that the bishop should enforce the same upon their designee for compliance to this new annual conference standard.

These may be brought to the office located in the Gold Dome.

PETITION TO THE 2016 LA ANNUAL CONFERENCE

Petition Number **2**

Referred to: **Commission on Equitable Compensation**

Subject: Commission on Equitable Compensation, Moving Expenses

Petitioner: William Hawn

Local Church: Faith Crossing United Methodist Church (If individual petitioner)

Reasons for the Petition (Whereas):

The current guidelines regarding moving expenses do not appear to be consistent with the actual mandated charge expenditures for pastor relocations.

Currently, for charges of 250 members or less and the charge has not initiated the change, the Conference will provide to the charge 1/2 of actual moving expenses up to a maximum of \$500 if the pastor is moved after one year and provided to the charge 1/2 of actual moving expenses up to a maximum of \$300 if the pastor is moved after two years.

The maximum relocation expense in 2014 to be paid by the charge was \$5,000 (separate correspondence indicates this maximum will be raised to \$6,000 for 2016). The \$500 and \$300 to be provided by the Conference to the charge is clearly out of balance with the additional statement of up to 1/2 of actual moving expenses. The Conference assistance should be modified to more accurately reflect the current maximum moving expense allowance as well reflect the actual financial impact of changing pastors on all charges and, in particular, upon charges of 250 members or less.

Proposed Action (Be it therefore resolved):

The current guidelines regarding Moving Expenses (sections A and B, page 124) be revised to read:

Regarding Moving Expenses: Charges of 250 members or less that have frequent changes in pastors shall be eligible for assistance from the Conference with moving expenses on the following basis:

A. If the pastor is moved after one year and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of actual moving expenses up to a maximum of \$3,000.

B. If the pastor is moved after two years and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of actual moving expenses up to a maximum of \$2,000.

PETITION TO THE 2016 LA ANNUAL CONFERENCE

Petition Number **3**
(the above to be filled in by the Petition Committee)

Referred to: **Council on Finance and Administration**

Subject: Clergy Moving Expenses

Petitioner: Rev. Lane Cotton Winn

Signature: Lane Cotton Winn

Local Church: Pearl River United Methodist Church

WHEREAS, the Conference Council on Finance and Administration recommends that local churches reimburse the moving expenses of incoming clergy up to \$6,000, and;

WHEREAS, \$6,000 is a financial burden for many churches, especially during the summer, which is historically the lowest season of financial giving of the year, and;

WHEREAS, the average length of pastoral appointments in the Louisiana Conference is on the decline, which means more frequency in moves for churches and clergy, and;

WHEREAS, a number of pastoral appointment changes are initiated by the Cabinet and not requested by the pastor or the local church, and;

WHEREAS, there are at least 20 Annual Conferences, seven of which are in the South Central Jurisdiction, paying all or a portion of their clergy's moving expenses: Arkansas, Baltimore-Washington, Central Texas, Dakotas, Desert Southwest, Detroit, East Ohio, Great Plains, Indiana, Iowa, Missouri, Northern Illinois, Oklahoma, Rio Texas, Susquehanna, Texas, Upper New York, West Michigan, Western North Carolina, Wisconsin;

NOW, THEREFORE, BE IT RESOLVED:

THAT beginning in 2018, the Louisiana Conference shall provide \$2,000 towards the expense of moves for full elders, provisional elders, associate members, full-time local pastors, and seminarians receiving their first appointment.

BE IT FURTHER RESOLVED THAT beginning in 2020, the Louisiana Annual Conference shall provide \$3,000 towards the expense of moves for full elders, provisional elders, associate members, full-time local pastors, and seminarians receiving their first appointment.

BE IT FURTHER RESOLVED THAT the Cabinet, following coordination with the Conference Treasurer and President of the Council on Finance and Administration, may on a case-by-case basis make exceptions to this policy.

IX. REPORTS

BOARD OF CHURCH AND SOCIETY

The Board of Church and Society continues to emphasize Peace with Justice and Restorative Justice issues. We work to assist in improving the spiritual and physical needs of society. We continually promote the study and practice of the Social Principles of The United Methodist Church. The Board advocates for persons that have been wrongfully imprisoned, trafficked or otherwise mistreated.

The Board of Church and Society, through funds received from the Peace with Justice offerings, help fund programs and ministries that work toward that end.

The Board of Church and Society met several times through telephone conference calls. We awarded grants to Hagar House, The Well and Peoples United Methodist Church.

Hagar House was awarded a grant for \$2000. Hagar House provides valuable legal assistance to immigrants in New Orleans.

The Well was approved for a grant of \$1000. The Well helps with a food ministry to approximately 165 international students attending Southeastern University (Hammond, LA.).

Peoples United Methodist Church was awarded a grant for \$1000. Peoples serve the homeless and low income in the central city area of New Orleans. They provide hot meals every third Tuesday. These are sit down meals where the congregation get to know the people and find out how they can best serve them. Peoples also partners with another church, Trinity Episcopal Church, to furnish cold sandwiches every Tuesday.

The Board of Church and Society also cosponsored a social action event along with the United Methodist Women and United Methodist Men. The workshop was on Human Trafficking. There were five outstanding presenters. They were Earl Campbell, Rusty Havens, Sean Cardin, Cassie Hammett and Sue Catchings. There were about 150 registered participants. They gave excellent information on Human Trafficking and ways that we as a United Methodist Church could help prevent Human Trafficking. We continue to emphasize the teaching of the social principles of the United Methodist Church.

As we look to the future, thanks to all of the board members for their participation and cooperation. May God continue to bless you.

John H. Mile, Chair

BOARD OF DISCIPLESHIP

How has your work furthered the mission, vision and core values of the Louisiana Annual Conference;

The Board's projects affirmed and emphasized the core values of the Louisiana Conference – community engagement, inclusion, and evangelism – in the following ways:

Fresh Expressions:

In 2015 five Fresh Expressions grants were made to churches of our conference to support new and innovative thinking at the local church level as we seek new ways of making disciples in the changing and challenging world of today. A total of \$2,500 (\$500 each) was disbursed. The supported projects included ministries to the homeless, a water-safety program, after-school ministry, and arts-and-crafts ministry. Four Districts were represented.

Five-Day Academy:

The Board supported the Louisiana Five-Day Academy for Spiritual Formation, a program that combines academic learning with experience in spiritual disciplines and community, with a one-time \$1,000 grant, to be used for two \$500 scholarships for participants. The Academy was held April 3-8 at the Wesley Center.

VBS Grants:

Vacation Bible School has a proven record as the number-one evangelistic tool for children and their families. Many of our smaller churches want to offer VBS programs, but are prevented from doing so by the cost of materials.

Through the continued support of the Christian Education Sunday (CES) Offering, the Board made grants ranging between \$300-\$500 to six churches to help fund Vacation Bible School programs during the summer of 2016. Smaller churches that hadn't offered a yearly VBS program were the recipients.

Grant winners were required to attend Cokebury's VBS Showcase events in Baton Rouge, New Orleans, or Lafayette, where they were eligible for deep discounts in VBS materials.

Recipients of our 2016 VBS Grants were: Olla UMC – Monroe District; New Song – Baton Rouge District; Hope UMC – Baton Rouge District; Mallalieu UMC – Acadiana District; St. Paul UMC – New Orleans District; McGowen and St Paul's UMCs – Acadiana District.

A VBS "de-brief" was requested of each participating church in the form of photos, videos, and testimonies from participants.

Harry Denman Awards:

The prestigious Harry Denman Evangelism Awards (HDEA) were awarded to the following people at the Clergy and Laity Sessions during the 2015 Annual Conference: Rev. Lala Ball Cooper (Clergy); Freida Capps Peel (Lay); David Lee Prather (Youth). The Board received nominations for the 2016 Harry Denman Evangelism Awards in March. These will be evaluated by the Board and recipients will be recognized at Annual Conference.

Areas of needed focus for the upcoming year with desired outcomes listed; Concerns and challenges facing the board, agency, ministry area;

As of the 2016 annual conference, the Board of Discipleship will cease to exist under its current configuration, according to the terms of our conference restructuring plan. The new organizational structure will emphasize short-term projects and will enlist laity and clergy in a "task-group" model.

Our legacy to the new task-group structure are the effective and well-established HDEA and Fresh Expressions programs, which we feel can profitably be continued, going forward. The VBS Grants and Five-Day Academy sponsorship emphasize reaching new people for Christ, and growing as Christ's disciples.

BOARD OF GLOBAL MINISTRIES

The purpose of the Board of Global Ministries is to equip and transform people and places for God's mission both locally, regionally, and internationally. The board continues to focus on three priorities for this quadrennial; celebrating missions and mission opportunities, developing leadership in mission within the Louisiana Conference, and better communication of our mission opportunities, missionaries, and mission events and training.

2015 has been a refocusing, reformatting year for the BGM. We continued our initiatives to Russia, Cuba, and Cambodia and also began praying for God to show us a new initiative to become involved with domestically.

The Support Action Ministries (SAM) grants totaling \$14,000 were awarded. Renewal grants were sent Feeding Hungry Souls and Stomachs, (BR); Fun in the Sun, (MON); Student Ministry, (MON); and Outreach Ministry,

(NO). New grants were awarded to Feed Dat,(NO); Open Doors...Shaping Futures, (SH); Christian Wealth Academy, (MON). It is the hope of the committee that we are able to increase the amount of funding we are able to provide for SAM grants each year.

For 2016 the Conference Board of Global Ministries will live into our new conference structure as a part of Mission and Mercy.

As always, the board is concerned with budget reductions. The need is great and will, unfortunately continue to grow. The board does not have any items for vote by the Annual Conference, however, we do ask that each individual and church take a part in missions, locally, domestically, and/or internationally. God has a mission for all!

Nann McMullen, Chair

Cambodia Missions

In July 2015 a country wide Youth Rally was led by a Louisiana Conference Team of 16. Team Leader Diane Reich developed the presentations around the theme of "Lead Like Jesus."

In 2016, Esther Gitobu, Cambodia Missionary, will itinerate in Louisiana from July 22-31. Caleb Porter is assembling a team to Cambodia for July. The team will offer VBS sessions to children living in orphanages. In 2017 there are one to two teams planned for youth and construction missions.

Charles Reynolds, Southeast Asia Coordinator

Revolving Loan Fund

The Revolving Loan Fund was established in 1974 to make low-interest, unsecured loans to churches and institutions in our conference for needs such as construction, building renovation and repairs, purchase of major fixed equipment and the purchase of land. The maximum loan amount is \$8,000.00 for churches and institutions less than 5 years old. For all other churches and institutions, the maximum is \$6,000.00. The maximum repayment term is 10 years for new churches and institutions, 8 years for churches that report attendance of 30 or fewer at the principle weekly worship service, and 5 years for all other borrowers. The loans are interest-free the first year, 2% interest is charged on the unpaid balances at the beginning of the second year and third year and, 4% is charged on the unpaid balances at the beginning of the fourth and remaining years of the loan.

At the end of 2015, there were five loans outstanding with balances totaling \$10,302.33. Beginning July 1, 2016, loan applications and additional information are available from the Director of Connectional Ministries.

Joe Burke, Finance Officer

Russian Missions

We have had two delegations travel to Ekaterinburg, Russia to minister and be ministered to by the congregation of the First United Methodist Church of Ekaterinburg, Russia. Our groups served, worshiped, and worked throughout the mission experience. The light and life of Christ was evident.

February 23, 2016 was a special day in the life of the church. We were there to help celebrate the 25th anniversary of the establishment of the church in Ekaterinburg. This is the church that reestablished Methodism in Russia after many years of Communist domination and rule. This is the church that continues to spread the love of Jesus across the community and region. People that walk by and see the cross on the top of the church know that Jesus is present and all are welcome. The day was a day of celebration. Ministers from across the region were present to assist in the church service in the morning and the celebratory activities in the afternoon.

As this church continues to minister to its congregation and to the community, there are several areas of concern. The biggest would be the continuing political situation in Russia. In Russia, it would be as if the political clock has been reset to 20 years ago. There is more apprehension towards the government of the United States. However, this is not

the case of the people and how they feel about Americans. They continue to welcome us each trip and provide warmth and hospitality that is something to look forward to.

The spirit of the Christians in Ekaterinburg continues to be a miracle. Many people have been touched by the love of Christ and the gospel message.

James Gillespie, Head Louisiana Russian Missions

Secretary of Global Missions

The Conference Secretary of Global Missions serves the Louisiana Conference as a connection between the local and global church. It is the work of sending and receiving blessings.

Missionaries

The Louisiana Annual Conference is sending forth a family to serve as Global Missionaries in Mozambique. David and Elizabeth McCormick and their two daughters from Grace Community in Shreveport, will be commissioned at General Conference and then begin 3 years of service in Africa. This calls for our prayers and financial support of their ministry and projects.

Also Chasity Jones from Mandeville has been accepted as a Global Fellow and will begin service in the later summer in the Seattle area.

Missionaries visiting Louisiana in 2016 include: Dr. Marsha Alexander serving in the Philippines and Esther Gitobu serving in Cambodia. There is still room in Ms. Gitobu's schedule to visit local churches and build relationships of shared ministry. Hosting a missionary in a local church is a significant opportunity to engage in global ministries.

Retiring from Missionary Service is Karen Ujereh, a native of New Orleans. Karen served as Microfinance Program Director in Malawi.

Opportunities

Global Missions provides short term opportunities for young adults to serve in domestic and international mission settings. Applications for U2 and Global Mission Fellows are open now for 2017.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

a. How your work has furthered the mission, vision and core values of the Louisiana Annual Conference.

“Live are being changed!” “Campus Ministry is making a difference!” These opening statements have been the same for the past three years in this report. On a daily basis, the “emerging adult generation” is being reached! Our Campus Ministries are:

- “Leading others into abundant life in Christ” through innovative programs such as “D-Groups” at ULM, which are follow up discussions on discipleship after the weekly worship, *Journey*.
- “Engaging surrounding communities locally” through programs such as “SOFA Ministry” at ULL, collecting and distributing furniture to the needy
- “Engaging surrounding communities...globally” with trips such as McNeese sending a VIM team to Manos Juntas, Mexico.
- “Learning, living and telling the gospel story” is a daily event at our Campus Ministries through worship services, bible studies, and small groups held regularly at all of our Campus Ministries.
- “Reaching out and drawing in people from all walks of life” occurs at weekly fellowship and meal opportunities, such as the Wednesday Wesley Meal at SELU, and weekly lunch offerings many time sponsored by local churches.

Our Wesley Foundations and Campus Ministries ARE fulfilling our Annual Conference Mission and Vision on a daily basis!

The work of the Conference Board of Higher Education and Campus Ministry is done with “Integrity, Accountability, Unrelenting Love for All People, Courage and Risk,” and by “Holding Nothing Sacred but the Mission.” This is evident from the implementation of documents and policies such as the “Criteria for Campus Ministry” and the “Procedures for Selection of Campus Ministry Personnel.” Our Louisiana colleges and university campuses are communities of contrasting culture, deep in diversity. It takes much “courage and risk” and “unrelenting love” to reach out to ALL - students, faculty and staff - on a regular basis.

b. Areas of needed focus for the upcoming year with desired outcomes listed.

1. Implement Local Board Training Program
 - a) so that each Local Board is clear on how it should function,
 - b) what it should do when a staff change comes, and
 - c) how to fulfill the Vision and Mission of the Annual Conference.
2. Help train the new directors who have been hired/appointed in the past year across the conference
 - a) so that we have the most effective leadership possible.
 - b) outcomes will be assessed using the “Criteria for Campus Ministry”
3. Continue the development of the newly reorganize Campus Ministries at Southeastern and Grambling
 - a) so that we have thriving and vital ministries touching the lives of students at those institutions.
 - b) outcomes/effectiveness will be assessed using the “Criteria for Campus Ministry.”
4. Geographically Connect Every Local Church in the Annual Conference with a Campus Ministry
 - a) so that each local church has an opportunity to participate in Campus Ministry, to meet the mission of the Annual Conference, “engaging in their surrounding communities” and “leading others into an abundant life in Christ.”
 - b) developing funding partnerships to support Campus Ministries
5. Identify and Lay Groundwork for New Campus Ministries at Colleges/Universities Currently Without a United Methodist Presence
 - a) so that we as an Annual Conference can touch the lives of those beyond our local church
 - b) assessment of “reaching out and drawing in people from all walks of life.”

c. Concerns and Challenges Facing the Board and Our Campus Ministries

1. Sustained funding from the Annual Conference.

2. The need for excessive fundraising by the Campus Ministries to underwrite their budgets that takes away time and people resources from actual ministry.
3. Encouraging Campus Ministries to become financially self-sufficient as much as possible.

Thank you for supporting the Conference Budget for our Campus Ministries in 2016, and thank you for supporting the 2017 Proposed Budget.

Karl S. Klaus, Chair

BOARD OF LAITY

The 2012-16 Conference Board of Laity is focused upon following our Mission and Vision Statements as we serve the laity of the Louisiana Conference.

Mission Statement: As the Conference Board of Laity, we are called to love and to serve All God's people in All places and in All times.

Vision Statement: As the Conference Board of Laity, we are to make disciples of Jesus Christ for the transformation of the world through spiritual growth opportunities, education opportunities, leadership training, and certified schooling for specialized areas of ministry for the people of the Louisiana Conference.

We celebrate:

1. The distribution of Church Starts Ministries funds.
2. The continued dissimilation of changes for the Lay Servant Ministry program.
3. The interest and participation in the Certified Lay Minister program.
4. The funding of seventeen students to attend Centenary and Dillard Universities through the Daughenbaugh-Matheny Scholarship Fund.
5. The opportunity to have Rev. Mike Slaughter share his ministry experiences during the Laity Session.
6. The electing of new leadership for the CBOL for 2016-2020.
7. The commitment of the CBOL to disseminate information with the Louisiana Conference laity.

Our Goals and Priorities:

1. To share information with the laity of the Louisiana Conference so they can:
 - a. Grow in their knowledge of the United Methodist Church's Structure, Policy, and Procedures.
 - b. Strive for Laity Excellence in Ministry.
 - c. Participate in three day spiritual retreats.
 - d. Serve as Lay Speakers.
 - e. Pursue becoming a Certified Lay Minister.
 - f. Become certified in specialized ministries in The United Methodist Church.
2. To continue to open more avenues of communication:
 - a. With local churches sharing learning/training opportunities with other churches.
 - b. With districts sharing information of training opportunities throughout the conference.
 - c. With districts sharing information within their districts.
 - d. With the CBOL sharing information with local churches through any/all avenues available.

Concerns and Challenges:

1. The continual need to improve communication with the local church laity.
2. The continual need to improve communication with each district laity leadership.
3. The continual need to schedule opportunities for learning/training events.
4. The continual need to support the lay delegates for General and Jurisdictional conferences.
5. Challenging the laity to focus on God, be excellent in our ministry to God and the church in ALL we are called to perform in the name of our Lord and Savior Jesus Christ.

As the CBOL attempts to serve the laity of the Louisiana Conference we ask for your prayers, support, and guidance that we might not only serve the laity but our Lord to the best of our ability.

Carolyn Dove, Conference Lay Leader and Terrel DeVille, Associate Conference Lay Leader

Daughenbaugh-Matheny Scholarship Fund

Louisiana United Methodist students attending Dillard University or Centenary College are encouraged to apply for the Daughenbaugh-Matheny scholarship. They must maintain a 2.5 grade point average and be active in the local church. A letter of recommendation from their pastor and a teacher must also be submitted to the Conference Director of the Daughenbaugh-Matheny Scholarship Fund. We celebrate the work of our District Daughenbaugh-Matheny Scholarship Chairs who work very hard to raise funds from their respective districts to fund the scholarship.

During the 2015-2016 school year the following students received the Daughenbaugh Matheny Scholarship in the amount of \$1000 each. Recipients attending Dillard are Gabrielle Coleman, Micolette Jackson and Leonesha Sims. Those recipients attending Centenary College are Hannah Bergeron, Robin Chailland, Calvin Davis, Harrison Folse, Benjamin Green, Jonathan Harrell, Alexandra Hornsby, Cole Lavergne, Catherine LeBlanc, Peyton Miller, Victor Robert, Logan Settoon, Amanda Willis and Abbie Woods. These young people are appreciative of the help and work very hard to maintain not only their grades but active participation in service projects.

This is one of many thank you notes that have been received this past year from our scholarship students:

I'd firstly like to start off by saying Thank You for all you've done for me when it comes to me furthering my education! I am truly grateful and blessed beyond measure and there is no way for me to truly express my gratitude to you and the Methodist church! It is amazing to have so many people supporting me and I hope I can make you all proud!
Sincerely, Micolette Jackson

District Chairpersons are as follows: Jane Blackwell (Acadiana District), Rhonda Whitley (Baton Rouge District), N/A (Lake Charles District), Olivia Pruitt (Monroe District), Nick Harris (New Orleans District) and Beth Cole and Billie Tate (Shreveport District). We appreciate the leadership of these chairpersons. We have seen creativity at its best as a wide variety of activities have occurred throughout the conference in order to raise funds for the scholarship. Our concern is that there are still a number of people in our conference that remain unaware of the Daughenbaugh-Matheny Scholarship. Several email applications were sent to pastors so students in the local church would be informed as well as the *Louisiana Now*. As a committee, we would like for every church in the Louisiana Conference to make a monetary donation annually to the Daughenbaugh-Matheny Scholarship Fund regardless of the size of the offering. Thank you especially to those Districts that faithfully fulfill their suggested donation of \$5000.00 per year. It shows support and ownership of efforts to assist students in developing into strong leaders in the Methodist church. Our efforts to inform all churches will continue as we strive to increase the giving and serve more students in the Louisiana Conference with the funds collected.

In addition to the Board of Laity Scholarships, former Bishop William and Kay Hutchinson have endowed a \$1000 scholarship for a student at Dillard University and Centenary College. The selections are also done by the Daughenbaugh Matheny Scholarship Committee. The 2015 scholarship recipients were Micolette Jackson (Dillard) and Logan Settoon (Centenary).

Dianne Wilkinson, Director of the Board of Laity Daughenbaugh Matheny Scholarship Program

Lay Servant Ministries

Lay servants have a wide range of functions both in the church and in the community. The three tenets of lay servant ministries are *LEADING*, *CARING*, and *COMMUNICATING*. These words describe what lay servants do in mission and ministry both within and beyond The United Methodist Church. .

Lay servant ministries courses were held throughout the Louisiana Conference this year. Great effort is being made to insure that the Local Servant, Certified Lay Servant and Lay Speaker courses are designed to meet the needs of the conference churches. We are communicating better between districts so that each district is advised well in advance of all scheduled lay servant ministry courses throughout the conference. If the time/location/topic in your district does not meet your schedule, you are encouraged to register for a lay servant course that is being held in another district.

A challenge that is still with us is to gain cooperation of pastors and lay leaders to disseminate training schedules for Lay Servant Ministries classes so that congregations can better plan to attend the training that is being offered.

Clergy, PLEASE call upon our lay servants to serve in the areas of ministry to which they have been gifted or called.

I attended the GBOD Certified Lay Ministry Staff Leadership meeting in Birmingham, AL in November 2015. Many of those attending from other conferences were intrigued to learn more about process used by the Louisiana Annual Conference process for training Certified Lay Ministers. I am convinced that we have the best program in the United Methodist Church. There are some changes being proposed to the Book of Discipline that if adopted in 2016 could perhaps make slight changes to the Lay Servant Ministry and the Certified Lay Minister programs. However, there is nothing in the proposed changes that will require the Louisiana Annual Conference to make changes.

The Louisiana Annual Conference currently has 12 Certified Lay Ministers. Each of these serve in special activities in the church and the Conference. Some pastor small congregations, some lead worship and others lead training in their churches through bible study, leading youth groups. Several attended the orientation and training session in April 2016 and are discerning their calling to this ministry. The discerning process includes prayer and consultation with their pastor and the ministry to which they want to connect. Certified lay ministry is not just a next step after becoming a Certified Lay Servant or Lay Speaker. There is a greater commitment and obligation to a service where special talents and spiritual gifts can be used. Some in the CLM program have gone on to become local pastors and one is currently gaining approval to become a deacon.

Information about the certified lay minister program can be found on the Louisiana Conference website.

The Louisiana Conference is blessed to have such dedicated and talented district directors of lay servant ministries leading each district program. I also want to express my sincere appreciation to the District Lay Leaders for their support in helping to develop directions for this ministry.

BOARD OF ORDAINED MINISTRY

I would like to take this opportunity in my final year to thank the Louisiana Conference and the Board of Ordained Ministry for allowing me to serve as your chairperson for these past four years. Your trust has been humbling, the work has been gratifying and the collegial support has been amazing. I am proud to have been a part of such a conscientious and dedicated group and such significant and sacred efforts.

Over the years, the Board of Ordained Ministry has, among other duties, developed and continued to hone an effective process for the recruitment, practical assessment and credentialing of clergy leadership. This has been the work that has been required of them by the United Methodist Discipline and the Annual Conference, and they have functioned in exemplary ways. However, the future paradigm beckons us all to reevaluate existing structures and processes based on changing needs and current and future challenges. In the language of our Conference Core Values, “we believe that new times call for new actions,” and “we will be guided and directed by missional purposes.”

After years of discernment, the Annual Conference has made the decision to restructure in an effort to be responsive to its mission. It is incumbent upon the Board of Ordained Ministry to enter a similar season of discernment, considering whether or not these identified needs and challenges might impact the way we conduct our work. A representative group will be formed before Annual Conference to focus on this task of visioning for the future. As in the case of our Conference structural changes, it is expected to take many months to complete such a discernment. It is my prayer that this process will provide fruitful innovation and the promise of greater readiness for a changing dynamic.

The future Board will inherit a healthy relationship with our Bishop and Cabinet, and I am indebted to Bishop Harvey for her intentional commitment to that goal. Through the Cabinet’s consultative work with Dr. Gil Rendle, the Conference vision and mission are ever increasing in clarity. The inclusion of the Board in that transformative dialogue

has strengthened our mutual understanding and given us a more common playbook. We have distinctive roles, as recognized by the United Methodist Discipline, but we share core values and believe that deploying effective leadership strategically is a primary key to vitality church-wide.

Faced with declining membership and an inadequate supply of effective clergy, we must re-examine how one best learns a vocation, specifically ministry. Efforts must be made to expand the Board's functional presence at stages in candidates' lives prior to seminary. Models of interning and apprenticeship must be explored, in which candidates can be exposed to practice and capacity can be measured. Some of these praxis opportunities can be created; other existing ones can be adapted. Our definitions of ministry must be broadened to recognize the value of non-traditional service, thereby requiring varied and more flexible processes of credentialing. Congregational cultures must embrace expansions and births, where leadership and community can relate in fresh ways. We must all see our mission field with new eyes, eyes that are open to vocational invitation and celebrating entrepreneurial fruitfulness. If nothing is to be sacred but the mission, then our methods and procedures must be responsive to those missional purposes.

A final personal note of thanks is required for the members of the Executive Committee and the Coordinator of the Conference Board of Ordained Ministry, Rev. John Edd Harper. These are the persons with whom I have worked most closely, and I consider it a great honor to have served with them. I have rarely experienced a group function with as much integrity and diligence, and I consider those on the Executive Committee to be of the finest caliber in our connection. John Edd completed his eleventh year in this vital role, and continues to be organizationally unparalleled and as dedicated as the day he began. These and many others have made my service far more fruitful than I could have imagined and certainly more enjoyable. To them, to the finest Conference Board of Ordained Ministry in Methodism, and to the people of the Louisiana Annual Conference, I say thank you for giving me this great privilege.

Division of Elders

As I present my last report as chairperson of the Division of Elders of the Louisiana Annual Conference, looking back, it has been four years of growth, evolution, and incredible work for our Division. First and foremost, I want to thank the each ordained and lay member of our Division. They have been a very dedicated group of people who have sacrificed many hours and efforts in order to carry out the work our Division. They have done so with honesty, integrity, spirituality, and commitment in order to help provide effective ministry to the United Methodist Church. Each of them put in countless hours reading theological papers and bible studies, watching and reviewing sermons, visiting the churches where our provisional members are serving, not to mention spending many days and hours in interviews with, reviews of, and deliberations over each person in the provisional process. I have been blessed to serve as the Chairperson of this Division for four years. Leading this group of people has not only been a blessing to me, but a source of inspiration and joy.

This past year, our Division of Elders has visited with all of our seminary students in their seminary settings in an effort to be supportive of their educational process. We have continued to expand our communication with Bishop Harvey and the Cabinet in regards to the progress and ministry of all our Provisional Elders and candidates. I and our vice-chairperson, Rev. Jack O'Dell, continue to meet with Bishop Harvey and the cabinet in the fall and spring to discuss each person in our process. The focus of these meetings is to work together to inform each other of our experiences with each candidate in an effort to make the Provisional process as effective as it can be. I, along with other leaders of our Division and Board of Ordained Ministry have been a part of many discussions revolving around changes to the provisional process that will enable our Conference to attract and supervise candidates for ministry who present unique opportunities for ministries in our Conference. In this past year, we have begun the process of rethinking and redesigning our In-parish visit process in order to better assess the effectiveness of our candidates who are in the process of ordination. We have also allowed our interview process to evolve into a much broader assessment of our candidate's readiness for effective ministry by investigating new psychological, professional, and ministry assessment tools. We have streamlined our interview schedules to provide more opportunities for interaction with our candidates on a number of levels. Most importantly, we have made a more diligent effort to focus on the relational maturity, preaching, pastoral, and entrepreneurial visioning of our candidates. We have also focused some effort in developing new ways to support the recruitment into ministry of our best and brightest young people.

It has been a very successful year and quadrennium for the Division of Elders of the Louisiana Conference. The ministry of our ordinands that is blessing our Annual Conference is evidence of this. On behalf of every member of our Division, we thank Bishop Harvey, our cabinet, and the churches in our Conference for your support and your work with us that have us looking forward to very bright future for Louisiana.

Michi Head, Chair

Division of Deacons

It has been my pleasure and honor to serve as the Chair of the Division of Deacons and Diaconal Ministers for the Louisiana Conference and to work with individuals who give their time and treasure as servants of God. Serving with this group is a once in a lifetime experience. I thank God for this experience and opportunity.

The Division of Deacons and Diaconal Ministers support deacons, diaconal ministers, laity and clergy providing service to the local United Methodist Church and beyond. We feel it is our responsibility to provide our candidates with an atmosphere that is conducive to the Deacon and certified lay ministry process. The team is working hard to help Elders, Local Pastors and Staff Parish Committees know the value and importance of having a deacon on their staff and knowing that the deacon is called to a lifetime of servant leadership in the church and beyond the walls of the church. We take our responsibility seriously in providing a safe place for our candidates to grow toward excellence in ministry that is filled with grace.

We do not have any candidates to be Ordained or Commissioned this year. We have two candidates that are in the deacon residency process, one of which is transitioning to the elder residency process. We are anticipating having three candidates to be commissioned in 2017. They are currently in Seminary. We are working with several candidates who are specializing in various areas of ministry within in The United Methodist Church and are looking forward to certifying six people this year.

According to the 2012 Discipline, Deacons from among the baptized are called by God to a lifetime of servant leadership, authorized by the Church, and Ordained by the Bishop. Deacons fulfill servant ministries in the world and lead the Church in relating the gathered life of Christians to their ministries in the world, interrelating worship in the gathered community with service to God in the world. Deacons give leadership in the Church's life: in teaching and proclaiming the Word; in contributing to worship and in assisting the Elders in administering the sacraments of Baptism and the Lord's Supper; Preaching; informing and nurturing disciples; in conducting marriages and burying the dead; in embodying the church's mission to the world; and in leading congregations in interpreting the needs, concerns, and hopes of the world. Further, the discipline empowers Deacons in both person and function to embody, articulate and lead the whole people of God in its servant ministry. Deacons in their leadership responsibilities have evolved over the years.

Deacons are the bridge between the local church and the community. We are to take the church to the community and the community to the church. We have a hurting, broken and dying community that is desperate to be free and hear the good news of the gospel. We also know that a Deacon may serve beyond the local setting of the church. They may serve in United Methodist agencies, as Hospice care chaplains, attorney, in the nursing field, etc.

All deacons in full connection are in covenant with all other Deacons in the Louisiana Annual Conference and shall participate in the life of the order.

No one knows the future; however those us of who are part of the division hope and pray that God will continue to bless us and encourage others to accept the call if and when God touches their heart to become a Deacon in full connection.

Linda A. Joseph, Chair

Division of Local Pastors and Associate Members

Understanding our role within our conference to be the body that implements the credentialing process for those in our midst who serve in the clergy status of Licensed Local Pastor, Associate Member, Other Elder, and Other

Fellowship, the members of our division over the last year (and this last quadrennium) have sought to further the mission, vision, and core values of our conference by maximizing efficiency in how the work is carried out while also raising the bar for those seeking credentialing in these various statuses. To this end, we have continued our practice of maximizing preparation time and interview times for our annual Spring Interviews so that we may get to know as much as possible about each person we interview as well as giving as much time as possible for interviews to move beyond the surface so that we are confident about the recommendations we make to the appointive authorities. Additionally, rather than drawing together all the members of our division multiple times each year, taking them away from their local mission fields, we handle ad-interim interviews on a geographical, ad-hoc basis. Each candidate is fully vetted, and held to the highest standards of accountability, with the expectation that through excellence in every phase of the credentialing process we will have clergy who hold nothing sacred but the mission with integrity, accountability, and unrelenting love for all people with appropriate levels of courage and risk so that wherever the Holy Spirit may lead the appointive authorities to place them, the people of the Louisiana Annual Conference will have competent, effective pastoral leadership.

Given this is the last year of the quadrennium, I want to take a moment to thank each member of division for the joy of their collegiality over the last four years. Additionally, I want to thank the people of each church that hosted our interviews, and Bishop Harvey and her cabinet for the honor of serving as a member of the Board of Ordained Ministry. Finally, I want to thank the men and women who have responded to God's call to serve the people of our mission field through the Local Pastor, Associate Member, and other statuses that fall under this division's responsibility. The time spent sharing part of your journey in this process has been truly inspirational and humbling, and I will always be grateful to God for this season of our lives.

Order of Elders

The purpose of the Order of Elders is spelled out in paragraphs 305-309 of the 2012 Book of Discipline. In part, the Order is to provide "for regular meetings of its members for continuing formation in relationship to Jesus Christ through such experiences as Bible study, study of issues facing church and society, and theological exploration in vocational identity and leadership; assist with plans for individual study plans and retreats; develop a bond of unity and common commitment to the mission and ministry of The United Methodist Church and the Annual Conference; enable the creation of relationships that allow mutual support and trust; and hold accountable all members of the Order in fulfilling these purposes."

Over the past quadrennia our connection has witnessed a fraying of the ties that bind us. The advent of social media has offered us an unprecedented opportunity, the ability to build genuine relationships with people across our Connection regardless of geographic location. We have been given the opportunity to learn from others whose experiences of God's grace are different than our own and, thus, to expand our understanding of the work of the Holy Spirit. Sadly, we have squandered this opportunity.

Instead of building relationships and growing in our mutual understanding of the work of the Spirit we are witnessing the balkanization of our Connection. We are retreating into theologically and politically homogenous camps behind whose walls we fire verbal assaults upon one another. We use words as weapons forgetting that the one we are firing at is someone Christ loves, someone for whom Christ has died.

Of all the mandates articulated in the Order of Elders charter cited I believe one stands out above all others in its importance in these tumultuous times. I believe Christ is inviting us to recommit ourselves to the discipline of meeting together to "enable the creation of relationships that allow mutual support and trust." Trust is what is most sorely lacking in our Connection. The ties that bind our Connection are most frayed when we lack trust in those whose experiences of God's grace has led them to theological positions different than our own.

In her delightful book *God's Welcome: Hospitality for a Gospel-Hungry World* Dr. Amy Oden offers an exercise I ask all clergy of Louisiana to do in the coming year.

Practicing Theological Hospitality

The next time you find yourself in a conversation with someone you know has theological views differing from your own, experiment with hospitality. Say, 'I truly want to understand your

views on _____.’ Think of yourself as a host welcoming a guest into your home. Stick to these two invitations:

- Tell me more about how you arrived at your views about this.
- Tell me more about how it is important in your life right now.

Your job is simply to listen and clarify, not to debate, convince, or put forth your own views. One way to do this is to reflect back to them what you hear them saying...This gives [them] the chance to clarify or enhance your understanding, and allow you to check on whether you are getting it.

The ties that bind our Connection are fraying but they need not be broken. As we recommit ourselves to our work as Elders in Christ’s holy church by building relationships of mutual support and trust with one another we will can and will experience the mending of our Connection as we are united in Christian love for one another.

Order of Deacons and Diaconal Ministers

The members of the Order have furthered the mission, vision and core values of the Louisiana Annual Conference through ministries of discipleship and formation, within and beyond the local church. Deacons engage their communities in a multitude of creative opportunities geared toward going deeper in their faith as well as going outward into service.

Deacons also serve the local church in worship, discipleship ministries, music ministry, and evangelism. They contribute to vital congregations by tailoring ministry opportunities to the needs of those serving and those served.

Deacons are accountable to the Core Values of the Annual Conference through the Order’s covenant/rule of life, to which we call one another’s attention whenever we gather.

The Order’s breakfast at Annual Conference this year will be held on Thursday, June 9, at 7:30 a.m.

This year marks the 20th anniversary of the implementation of the permanent Order of Deacons.

On Monday, October 26, the Order met in Woodworth for our annual conversation with the Bishop.

Janet Davis, Chair

Fellowship of Local Pastors and Associate Members

- How your work has furthered the mission, vision and core values of the Louisiana Annual Conference

The faithful work of local pastors and associate members of our Conference continues to make a profound impact on the churches they serve. Bi-vocational pastors as well as full-time pastors are committed to their journey of Leading, Engaging, Learning, Living, Telling and Reaching for the sake of the mission by attending educational opportunities, Course of Study and living out their pastoral ministry in the local church.

- Areas of needed focus for the upcoming year with desired outcomes listed;

Local pastors, like any other pastors, need to constantly work on the craft of preaching – especially through a Wesleyan lens. It would be very helpful for the Conference to offer one-day workshops on effective and transformative preaching. Bringing current culture into the pulpit, using helpful tools such as reliable commentaries and websites, and using illustrations that move people’s hearts and minds will bring people’s lives into the story of God’s never failing grace.

- Concerns and challenges facing the board, agency, ministry area;

The challenges of the local pastor are not so much in the church itself, but rather are faced within the Conference and wider United Methodist Church. Given voice and vote in areas not yet allowed would offer the global church a broader view of what is happening in our denomination and ways we can grow the kingdom.

Another challenge for all clergy is the overall lack of 'being accountable to each other'. And for the local pastor, this can be even more difficult due to so many bi-vocational clergy. Is there a way to create accountability groups designed especially with them in mind?

The local pastors and associate members of the Louisiana believe unwaveringly to our ***'Holding nothing sacred but the mission.'***

BOARD OF PENSIONS

REPORT I

I. CONFERENCE APPORTIONMENT

- A. That \$200,000 be apportioned to the charges of the Louisiana Annual Conference in 2017.
- B. Payments made to the pension apportionment shall be exactly proportional to the amount paid on the clergy salary or salaries of a given charge, i.e. if the church does not pay the pension apportionment in full, neither should pastor's salary be paid in full. See Paragraph 622, *The Book of Discipline*.

II. PRE-1982 BENEFITS

We recommend:

- A. That the funded annuity rate for 2017 be \$728 per service year. In 2016, it was \$714 per service year. Benefits to surviving spouses of clergy shall be 75% of the annuity rate.
- B. The Conference Board of Pensions is recommending that the "Past Service Rate" for years prior to 1982 be set at 1% of the Conference Average Compensation (CAC) for 2017 (\$728 per year) and that this rate be reviewed annually. The CAC is set annually by the General Board of Pension and Health Benefits. The CAC amount for 2017 is \$72,793.

III. CLERGY RETIREMENT SECURITY PLAN (CRSP) FOR CLERGY AT LEAST HALF (1/2) TIME & UMPIP FOR CLERGY SERVICE LESS THAN HALF (1/2) TIME

We recommend:

- A. That Participants shall be all Clergy members of the Louisiana Annual Conference including Deacons and Local Pastors under Episcopal appointment to a charge. The Conference Board of Pensions includes in the Louisiana Conference plan Deacons as a definite and integral segment of the program. All local churches and United Methodist agencies whom employ Deacons shall pay for a United Methodist Retirement Plan in addition to salary.
- B. That Participants' Plan Compensation is the sum of: (1) cash salary received from church-related sources; (2) utilities; and (3) housing allowance, or when a parsonage is provided, 25% of the Plan Compensation as the approximate value of that parsonage.
- C. That the following chart, based on the DAC or CAC, whichever is the lower, be used to determine part-time increment status of an appointment to a charge or conference-controlled agency as it relates to pension years of service and pension billing calculation.

2016-Based on 60% of the DAC (\$67,333)

| | | | |
|---------------------|---|------------------|------------|
| \$1 - \$20,199 | = | ¼ Time Status | UMPIP Only |

2017-Based on 60% of the DAC (\$68,876)

| | | | |
|--------------------|---|------------------|------------|

| \$20,663 - 30,994 | = | ½ Time Status | CRSP |
| \$30,995 - 41,325 | = | ¾ Time Status | CRSP |
| \$41,326 and above | = | Full Time Status | CRSP |

- D. Clergy serving at least half (1/2 time) to a local church or conference-controlled agency, shall participate in the GBOPHB's CRSP plan; and the church's contribution base be set as a percentage of plan compensation according to the following:

| | |
|----------------------------------|---|
| <u>Defined Benefit (DB)</u> | 10% of Pension Plan Compensation (a cap of 10% of 2017 DAC) |
| Plus | |
| <u>Defined Contribution (DC)</u> | 3% of Pension Plan Compensation.* |

*As per General Conference 2012, 2% of the Plan Compensation is deposited automatically into the clergy's personal DC account, and the final 1% of Plan Compensation is deposited into the clergy's personal DC account if the clergy also contributes at least a matching 1% of Plan Compensation into his/her personal UMPIP account. The Conference BOP is continuing to recommend billing the normal 3% of Plan

Compensation for DC, regardless of whether the clergy participates in the matching UMPIP contributions or not. Any excess receipts resulting from this billing would be used to cover other unfunded administrative expenses of the Conference BOP and annual billing arrearages for which the Conference is responsible.

- E. Clergy serving less than half (1/2 time) to a local church or conference-controlled agency, shall participate in the GBOPHB's La. Conference-Sponsored UMPIP plan; and the church's contribution base be set as a percentage of plan compensation according to the following:

- G. Participants may contribute their 1% matching personal contributions and any additional personal funds withheld from clergy compensation to the UMPIP with remittances made directly to the General Board of Pension and Health Benefits, P.O. Box 4609, Chicago, IL 60680-4609. Clergy wanting to contribute personal funds to his/her UMPIP account, must contact the Conference office for an "UMPIP Billing Change" form. - B. Between sessions of the Annual Conference, the Board may make changes in the program or the carrier with approval of the Council on Finance and Administration and the Cabinet.
- C. The plan and future of the medical and health care programs is being reviewed in light of the Affordable Care Act and the state of the economy and health care costs. A Task Force is meeting, has held listening posts, and is hoping to bring a plan to Annual Conference in 2017 for consideration. The members of the Task Force of the Board of Pensions working as a result of the Board of Pensions *A Way Forward* are: Joy Irwin (chair), Chris Blanchard, Ashley McGuire, Larry Stafford, Fredrick Sweetwyne, Omer Davis, Willis Mount, Crystal Nunnally, Chris Shankle, Ex-officio; Kenny Beauvais (CFA), James Goins (Woolworth Foundation Board of Directors), Jan Curwick (executive Director of Administrative Services/Treasurer/Conference Benefits Officer).
- D. Enrollment must be accomplished within 30 days following the effective date of clergy appointments or the hiring of lay employees. After that time, a participant would be eligible to enroll if a Special Enrollment Provision were met. Such provisions would be either a loss of coverage, or if there is a new dependent as a result of marriage, birth, adoption or placement for adoption. Enrollment under either of these provisions should be requested within 30 days of the loss of coverage, marriage, birth, adoption or placement for adoption. Dependent children are covered to age 26 as required per the Affordable Care Act. Dependent children may be covered beyond this date in certain limited disability situations. See plan document for more details.
- E. There will be an open-enrollment period for eligible participants on the Active plan from October 15 through November 15 with an effective date of January 1 of the following year, or such other time as the participants are notified.
- F. All churches receiving a full-time appointment are required to pay the insurance premium at the rate set for Active Clergy, whether or not the clergy person takes the insurance.
- G. It is required that participants serving full-time appointments beyond the age of 65 retain the Conference's active health insurance regular coverage as primary carrier; if one is on Medicare, it will be secondary until retirement.

II. LOUISIANA CONFERENCE SELF-FUNDED INSURANCE PLAN FOR ACTIVE PARTICIPANTS

Our self-funded group insurance plan is a comprehensive major medical program for participants who meet the requirements to be enrolled in the plan. The Schedule of Medical Benefits contains a Preferred Provider Organization (PPO) – BlueCross and BlueShield of Louisiana's Preferred Care PPO. BlueCross BlueShield provides the program for nationwide coverage outside of Louisiana. For further information regarding benefits and claims, please contact the Conference Office of Financial Affairs at (225) 346-1646.

III. MEDICARE SUPPLEMENT:

There is currently a Medicare Supplement plan offered by the Board of Pensions for some retirees who have reached the age of 65 and their spouses who were covered at the time of retirement. There are restrictions on who is eligible to participate. If coverage under the supplement is waived at time of retirement or later, one cannot re-enter the program. Retired persons over 65 must be enrolled in Medicare/Medicaid (as applicable) to participate. When a participant retires after the age of 65, he/she must re-enroll with Medicare A&B for Medicare to begin

paying claims as the primary insurance. Participants **should not** enroll in Medicare Part D. For further information regarding benefits and claims, please contact the Conference Office of Financial Affairs at (225) 346-1646.

V. CANCELLATION OF BENEFITS

- A. If a participant is billed and personally remits payment for the health insurance premium but the payments become three (3) months in arrears, his/her coverage will be discontinued. If a participant's health insurance premiums are being funded by his/her employer/church, and those payments become three (3) months in arrears, then the Cabinet and Bishop will take into consideration that the church/employer cannot support a full time clergyperson/staff and consider reducing the charge to a part time appointment. Also, at any time the church is three (3) months in arrears, the church/employer will be put on automatic draft and must stay on such automatic draft for one year.

THE LOUISIANA ANNUAL CONFERENCE (THE “CONFERENCE”) ADOPTS THE FOLLOWING:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the C

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergyperson’s pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. IV. INVESTMENTS

Recommend the continued supervision of investment of Pension Crusade funds by the Conference Board of Pensions Investment Committee and the Investment Committee of The United Methodist Foundation of Louisiana.

V. OTHER MATTERS

- A. The benefits listed in this report relating to Pre-1982, CRSP, CPP, UMPIP and LTD and Life Insurance Plans, are a summary of the programs in which this Conference participates through the General Board of Pension and Health Benefits. All claims are subject to the detailed programs and interpretations of the General Board of Pensions and Health Benefits and the terms of the adoption agreements and plan documents always control.
- B. The Conference Board of Pensions provides a move benefit for full elders, provisional elders, associate members and full-time local pastors presently under appointment who are retiring. This is a one-time benefit and must be used within one year of the date of retirement. The maximum amount of the benefit is \$6,000. In the event a clergy couple retires, there is only one \$6,000 benefit unless the clergy couple is living in two different homes/parsonages in two different cities in their last appointments. If one member of a clergy couple retires and the other clergy couple member will continue in active status, a benefit is only due if the clergy retiring has been living in a separate home/parsonage in a separate city from the clergy spouse not retiring. The following items may be reimbursed under this benefit: supplies (boxes, tape, packing material); rental of truck, dolly, blankets, and fees paid to non-related packers OR the costs of the moving company; one month’s rental of a pod or storage unit not to exceed 10 ft. x 20 ft.; gas purchased for a rental moving truck, if utilized; one night stay on the road and one meal on the road for family members moving with the retiree from the last appointment location to the retirement location; and mileage at the IRS moving rate between the present appointment location and the retired location for one vehicle. Itemized receipts must be provided to support all expenses. There is a form used to request this benefit and receipts for all expenses must be attached to the form to be reimbursed.

- C. The Conference Board of Pensions provides a moving expense benefit for the surviving annuitant(s) of an active clergy who dies while under appointment as a clergy person in full connection, associate, provisional or a full-time local pastor relationship. This benefit is for the same amount and under the same conditions as the benefit outlined above for retiring pastors.
- D. The Conference Board of Pensions is pleased to provide housing on the Centenary Campus for those years that the session of the Louisiana Annual Conference will be held at Centenary College in Shreveport, Louisiana for un-appointed Louisiana Conference clergy member retirees and their spouses or surviving spouses who wish to attend Annual Conference session. We recommend that reservation requests be submitted to Centenary from April 1st to May 6th. The Board is not responsible for any other housing arrangement. Meals will also be provided by the Board in the Centenary Cafeteria. Retired clergy under appointment shall have their expenses paid by the church they are serving.
- E. Retirees who are concerned about late pension checks should not contact the General Board of Pension and Health Benefits before the 10th of the month at 1-800-851-2201.
- F. Information about personal pension accounts may be obtained by calling the General Board of Pension and Health Benefits at 1-800-851-2201.
- G. The Conference Board of Pensions recommends that any distribution from the United Methodist Publishing House be donated to the Central Conference Pension Initiative.

REPORT IV

VACATION POLICY

This Vacation Policy for Clergy is to standardize clergy vacations across the Conference. The policy is for clergy appointed within the bounds of the Louisiana Conference.

| | <u>CONFERENCE RELATIONSHIP</u> | <u>TIME OF SERVICE</u> | <u>VACATION TIME</u> |
|-----|--|---|--|
| (1) | Full-Time Local Pastors in process, Attending the four-week Course of Study | | 2 weeks paid |
| (2) | Full-Time Clergy (Full Members, Provisional Members, Assoc. Members, Full Connection Deacons, FTLP) Part-time Local Pastors | 5 years or less | 2 weeks paid 1 week including 1 Sunday paid |
| (3) | Full-Time Clergy (Full Members, Provisional Members, Assoc. Members, Full Connection Deacons, FTLP) Part-time Local Pastors | 5 years + 1 day through completion of 9 yrs. of service | 3 weeks paid 2 weeks including 2 Sundays paid |
| (4) | Full-Time Clergy (Full Members, Provisional Members, Assoc. Members, Full Connection Deacons, FTLP) Part-time Local Pastors | 10 years or more of service | 4 weeks paid 3 weeks including 3 Sundays paid |

NOTE: Years of service refer to years of service in an Annual Conference(s) of the United Methodist Church, not years of service in the local church to which the clergy is appointed. These years of service include years under appointment to Seminary or beyond the local church.

Time used for Continuing Education, as defined by *The Book of Discipline* of the United Methodist Church and according to the rules set by the Conference Board of Ordained Ministry, shall not be considered as vacation time or used in lieu of vacation time. Vacation time is on a conference year basis. Vacation time not used in one year cannot be carried over into the next year.

DAYS OFF POLICY:

The Annual Conference's policy is that each local church's Pastor-Parish Relations Committee establish a days off policy with the pastor(s) of the charge. The minimum standard for days off is as follows: 2 days per week and 2 nights per week. Additional time should be set aside each week for prayer and study for the pastor's use.

If an honorarium is given to a guest pastor while the appointed pastor is on vacation, it shall be paid by the local church and not from that pastor's compensation.

Churches should encourage their pastor(s) to participate in physical exercise programs, good nutrition programs, and to get regular checkups with their doctors.

This policy is to be printed each year in the Journal of the Louisiana Annual Conference. The Cabinet of the Louisiana Annual Conference will send a copy of this policy to the Chairperson of the Pastor-Parish Relations Committee in each District.

BEREAVEMENT LEAVE POLICY

All clergy in any relationship - PTL, FTLP, AM, PE, PD, Full Connection, or retired if serving an appointment – shall be offered at least 30 days for bereavement leave (BL) for the death of a spouse or child. The District Superintendent shall initiate this process by informing the bereaved clergy of the availability of bereavement leave.

Bereavement leave will be in addition to vacation time, continuing education time and days off. The local church or conference agency to which the clergy is appointed shall continue to provide salary and housing, as well as pension and insurance payments, during the bereavement leave. The clergy will have ninety (90) days, beginning the day after the memorial/funeral service, in which to begin the bereavement leave. Details - pulpit supply, covering hospitals, etc. - will be worked out in conjunction with the District Superintendent and S/PPR chair. The clergy may use the bereavement leave in one block or some smaller blocks of time as he/she wishes, but must complete it within six months of the funeral/memorial service.

In many cases the congregation will have its own resources to secure appropriate pastoral leadership during the bereavement leave, but if the District Superintendent and S/PPR determine that financial assistance is needed to provide a supply pastor, the Annual Conference Board of Pensions will provide a maximum of \$400 per week depending on whether the appointment is part or full time, and the responsibilities expected of the supply pastor. The District office will disburse any funds from the Conference Board of Pensions to the supply pastor. Counseling is available at no cost to all clergy by a confidential request to the Director of Care and Nurturing of the Louisiana Conference Board of Ordained Ministry.

REPORT V

For the financial assets and Activities of the Board of Pensions, see the attached review for the year ending December 31, 2013; the audit for December 31, 2014; and the audit for December 31, 2015, all by Bourgeois Bennett, LLC. See also the attached arrearages report for 2015.

REPORT VI

LOUISIANA ANNUAL CONFERENCE FUNDING PLAN FOR SUPPLEMENT ONE TO THE CLERGY RETIREMENT SECURITY PLAN AS OF JANUARY 1, 2016

The 2016 Past Service Rate (PSR) for the Louisiana Annual Conference is \$714 or 1% of the 2016 Conference Average Compensation (CAC).

The General Board of Pension and Health Benefits has determined that the portion of the Pre-82 plan liability attributable to the Louisiana Annual Conference is \$30,187,219 with a 3.5% PSR increase assumption, based on a

2016 PSR of \$714. Plan funds currently held with the General Board of Pension and Health Benefits have a value of \$38,241,608 as of January 1, 2014.

The difference between the total plan liability and current plan funding is \$8,054,389. This represents an over-funded plan asset of 127%.

The funding plan as of January 1, 2016, for 2016 assuming the above for Supplement One Liability is that the Louisiana Annual Conference is funded and no additional funds will be needed during 2016 for the pre-82 liability.

The CBOP is requesting that the Louisiana Annual Conference set the 2017 PSR at \$728, which will be 1% of the CAC and that in 2017, we continue our true funding plan assumptions of annual CAC increases of 3.5% and setting the future PSR at 1% of the CAC.

The usage of the Pre82 surplus funds to fund other plan liabilities, after consultation with the General Board of Pension and Health Benefits actuaries, will be determined annually by the Conference Board of Pensions. In the past, it has been the recommendation of the conference board at times to utilize the surplus funds toward the Defined Benefit (DB) contribution portion of the CRSP pension plan. However, the conference board does recognize that if Pre82 surplus funds are used toward other plan liabilities, this could result in future Pre82 liability contributions. The Conference Board also recognizes that new mortality tables were adopted by the GBOPHB effective January 2016 and that the GBOPHB has adopted a new investment strategy for Pre-82 assets. The Conference Board of Pensions does not recommend any Pre82 surplus funds be re-directed toward the CRSP DB plan in 2016 at this time but if a determination is made in the fall to do a redirection, a corresponding amount will be maintained in the Conference Board of Pensions accounts at the UMF for Pre-82 liability.

If the funding plan for years beyond 2017 produces an underfunded Pre82 plan liability payment, then the intent is to use earnings (and principal if needed) from the UMF Louisiana Conference Pension Fund 812 and any other accounts existing at the UMF from redirections to restore the Pre-82 plan to 100% funded status.

SPECIAL NOTE REGARDING THE NAME OF THE GENERAL BOARD OF PENSIONS AND HEALTH BENEFITS

Effective July 1, 2016, the name of the General Board of Pensions and Health Benefits was changed to Wespah.

NOTES TO FINANCIAL STATEMENTS -
MODIFIED CASH BASIS

Board of Trustees of the
Louisiana Annual Conference of the United Methodist Church,
South Central Jurisdiction - Conference Board of Pensions
 Baton Rouge, Louisiana

December 31, 2015

Note 1 - ORGANIZATION AND NATURE OF ACTIVITIES

The accompanying financial statements - modified cash basis of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Conference Board of Pensions (the "Conference Board of Pensions") include the assets, net assets, and the financial activities of the pension and health benefit programs. The Conference Board of Pensions operates under the authority of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction, a Louisiana corporation (the "Louisiana Annual Conference"). The Louisiana Annual Conference is one of 57 annual conferences of the United Methodist Church in the United States. The purpose of the Conference Board of Pensions is to develop and maintain, comprehensive and coordinated plans of pension and health benefits for clergy in connectional ministry of the Louisiana Annual Conference, including implementation of the policies and procedures of the Conference Board of Pensions. The Conference Board of Pensions cannot financially obligate any organizational unit of the General or Annual Conference of the United Methodist Church. Support for the expenditure for benefits is derived primarily from direct billings to the local churches, an annual apportionment for the Conference Board of Pensions, direct contributions, interest on cash balances, and investment earnings.

The activities of churches, districts, the United Methodist Foundation of Louisiana, the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Finance and Administrative Services (the "Finance and Administrative Services"), and other distinct operating entities, which operate within the Annual Conference ("non-combined affiliated entities") are not included in the assets, net assets, and the financial activities of the Conference Board of Pension's pension and health programs.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The accompanying financial statements of the Conference Board of Pensions have been prepared on the basis of cash receipts and disbursements with the following exception:

- Investments are recorded as an asset and are carried at fair market value.

The modified cash basis of accounting differs from accounting principles generally accepted by the United States of America primarily because the Conference Board of Pensions has not recognized contributions receivable, interest receivables, and payables for grants, salaries and wages, payroll taxes and other expenses and their related effect on the change in net assets.

b. Basis of Presentation

Net assets, revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Conference Board of Pensions and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

The Board has designated unrestricted net assets for the following purpose:

| | |
|-----------------------------------|---------------------|
| Pension and health benefits | \$ 7,173,669 |
| Endowment purposes | <u>903,716</u> |
| Total board designated net assets | <u>\$ 8,077,385</u> |

Temporarily Restricted Net Assets - Net assets specifically stipulated by the grantor or donor to be used for a certain purpose or to benefit a specific accounting period.

Permanently Restricted Net Assets - Net assets that are subject to donor-imposed stipulations that the principal not be expended, but rather invested to provide a permanent source of income for the Conference Board of Pensions.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c. Use of Estimates

The preparation of financial statements in conformity with the modified cash receipts and disbursements basis of accounting requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period, and disclosures in the financial statements. Actual results could differ from those estimates.

d. Cash and Cash Equivalents

The Conference Board of Pensions considers all highly liquid investments with an initial maturity of three months or less, including sweep accounts which are overnight repurchase agreements, to be cash equivalents.

e. Investments

The Conference Board of Pensions records investments in the investment pool at fair value in the Statement of Assets and Net Assets - Modified Cash Basis. Unrealized gain and losses are included in the change in net assets in the accompanying Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis. Unrealized gains and losses on investments are recorded as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or law. Interest earned on donor restricted investments is reported based on the existence or absence of donor-imposed restrictions. Realized gains and losses on the sales of securities are reported based on activity of the pooled investments. A decline in fair value of investments below cost that is deemed to be other than temporary, results in a charge to the change in net assets and the establishment of a new cost basis for the investment.

f. Sources of Revenue

Churches in the Louisiana Annual Conference are required to remit their pension and health insurance contributions to the Conference Board of Pensions to support the pension and health programs of the Louisiana Annual Conference. Some cash receipts and disbursements that occur after year end are recorded as transactions of the prior year to which they apply. Consequently, cash balances reported as of year-end are adjusted for subsequent receipts and disbursements that are applicable to the prior year.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

g. Donated Services of Volunteers

A substantial number of volunteers have given extensive amounts of time and services to the Conference Board of Pensions. However, no amounts are reflected in the financial statements for such services as management believes that the requirements for recording in-kind services have not been satisfied.

h. Allocated Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis. Management believes that all costs are program services related and no administrative and general expenses were incurred.

i. Tax Matters

The Louisiana Annual Conference is exempt from Federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code and part of a group exemption of the United Methodist Church.

Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions recognized in an entity's financial statements. These standards require an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained upon examination. As of December 31, 2015, management of the Conference Board of Pensions believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

j. Contributions and Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

j. Contributions and Revenue Recognition (Continued)

Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same accounting period are reported as unrestricted support and revenues.

Interest and dividends earned on money market accounts are reported as unrestricted revenues.

Non-cash gifts received from sources such as estates and trusts are not recorded as assets until converted into cash.

k. Subsequent events

Management evaluates events occurring subsequent to the date of financial statements in determining the accounting for and disclosure of transactions and events that effect the financial statements. Subsequent events have been evaluated through March 30, 2016, which is the date the financial statements were available to be issued.

Note 3 - RESTRICTIONS ON ASSETS

Temporarily restricted net assets are restricted by the donor for specific purposes.

Temporarily restricted net assets are available for the following purposes:

|---------------------------------------|----------------------|
| Pension and health insurance benefits | <u>\$ 11,162,113</u> |

Note 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Conference Board of Pensions has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that is observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Pooled investments of the Conference Board of Pensions are maintained by the United Methodist Foundation of Louisiana and Wespath, a division of the General Board of Pension and Health Benefits (the "General Board of Pensions"). The United Methodist Foundation investment pool holds investments in government obligations, corporate stocks, money market funds, mutual funds, exchange traded funds, government agency mortgage obligations, corporate and foreign obligations, collateralized mortgage obligations, asset-backed securities, common

Note 5 - FAIR VALUE MEASUREMENTS (Continued)

trust and commingled funds, segregated portfolio companies, and limited partnerships. The Wespath investment pool holds investments in stocks, traditional bonds, inflation-linked bonds, real estate investment trusts, securities, commodities, interests in private equity and private real estate partnerships, U.S. government bonds, agency bonds, corporate bonds securitized products, dollar denominated international fixed income securities, commercial paper, certificates of deposits, and other similar types of investments. The investment pool is included in Level 2 of the fair value hierarchy as the investment pool is valued using the net asset value as reported by the custodian. The net asset values are determined based on the fair values of the underlying investments. The custodian of this portfolio uses independent pricing services, where available, to value the securities included in this portfolio. If an independent pricing service does not value a security or the value is not, in the view of the custodian, representative of the market value, the custodian will attempt to obtain a price quote from a secondary pricing source, which may include third party brokers, investment advisers, and principal market makers or affiliated pricing services. If a secondary source is unable to provide a price, the custodian may obtain a quotation from the counterparty that sold the security.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Conference Board of Pensions believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis as of December 31, 2015 are comprised of and determined, as follows:

| Description | Based On | | | |
|-------------------------------|---|---|--|-------------------------------------|
| | Total Assets Measured At Fair Value | Quoted Prices In Active Markets (Level 1) | Other Observable Inputs (Level 2) | Unobservable Inputs (Level 3) |
| Pooled investment accounts | <u>\$ 19,678,641</u> | <u>\$</u> | <u>\$ 19,678,641</u> | <u>\$</u> |

As of December 31, 2015, there were no assets measured at fair value on a non-recurring basis.

Note 6 - ENDOWMENT FUND

The Endowments. The Conference Board of Pensions Endowment Fund was established primarily for the purpose of providing pension and health insurance benefits. As required by accounting principles generally accepted by the United States of America, net assets associated with endowment funds, including board designated funds, are classified and reported based on the existence or absence of donor restrictions.

Interpretation of Relevant Law. The Conference Board of Pensions has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of an original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference Board of Pensions classifies the following amounts as permanently restricted net assets in the accompanying financial statements:

- the original value of gifts donated to the permanent endowment;
- the original value of subsequent gifts to the permanent endowment;
- accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Conference Board of Pensions in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Conference Board of Pensions considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- the duration and preservation of the fund;
- the purposes of the Conference Board of Pensions and the donor-restricted endowment fund;
- general economic conditions;
- the possible effect of inflation and deflation;
- the expected total return from income and the appreciation of investments;
- other resources of the Conference Board of Pensions;
- the investment policies of the Conference Board of Pensions.

Note 6 - ENDOWMENT FUND (Continued)

Endowment net asset composition as of December 31, 2015 is as follows:

| | <u>Unrestricted</u> | <u>Temporarily Restricted</u> | <u>Permanently Restricted</u> | <u>Totals</u> |
|------------------------------------|---------------------|-----------------------------------|-----------------------------------|---------------------|
| Donor-restricted endowment fund | \$ - | \$ 18,793 | \$ 304,419 | \$ 323,212 |
| Board-designated funds | <u>903,716</u> | <u>-</u> | <u>-</u> | <u>903,716</u> |
| Total funds | <u>\$ 903,716</u> | <u>\$ 18,793</u> | <u>\$ 304,419</u> | <u>\$ 1,226,928</u> |

Changes in endowment net assets for the year ended December 31, 2015 are as follows:

| | <u>Unrestricted</u> | <u>Temporarily Restricted</u> | <u>Permanently Restricted</u> | <u>Totals</u> |
|--|---------------------|-----------------------------------|-----------------------------------|---------------------|
| Endowment net assets, beginning of year | \$ 1,034,447 | \$ 22,362 | \$ 304,419 | \$ 1,361,228 |
| Earnings, net | (55,988) | (1,300) | - | (57,288) |
| Transfers | (34,885) | (1,216) | - | (36,101) |
| Other | <u>(39,858)</u> | <u>(1,053)</u> | <u>-</u> | <u>(40,911)</u> |
| Endowment net assets, end of year | <u>\$ 903,716</u> | <u>\$ 18,793</u> | <u>\$ 304,419</u> | <u>\$ 1,226,928</u> |

Funds with Deficiencies. From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that either the donor or UPMIFA requires the Conference Board of Pensions to retain as a fund of perpetual duration. These deficiencies can result from unfavorable market fluctuations. There were no such deficiencies as of December 31, 2015.

Return Objectives and Risk Parameters. The endowments are invested with the intention of obtaining general market returns with a minimum amount of investment and management expenses.

Strategies Employed for Achieving Objectives. The endowment funds are invested in the investment pool maintained by the United Methodist Foundation of Louisiana. In 2016, the Board of Trustees will address investment policy and options to invest with the intention of obtaining general market returns.

Note 6 - ENDOWMENT FUND (Continued)

Spending Policy and How Investment Objectives Relate to the Spending Policy. The full amount of the endowment was received from donors who stipulated that the corpus be maintained in perpetuity and the income from the funds be used for operations.

Note 7 - CONCENTRATIONS OF CREDIT RISK

The Conference Board of Pensions has cash balances invested with several banking institutions. Accounts at these institutions are insured by the U.S. Federal Deposit Insurance Corporation up to \$250,000 per account. The balances at times may exceed federally insured limits. As of December 31, 2015, the cash balance in excess of insured amounts was approximately \$975,000.

The funds on deposit with the United Methodist Foundation of Louisiana, which total \$19,477,111 as of December 31, 2015, are not insured. The funds on deposit with Wespath Investment Management, which total \$201,530 as of December 31, 2015, are not insured. The Conference Board of Pensions has not experienced any significant losses in such accounts and believes it is not exposed to any significant credit risk.

Note 8 - PENSION PLANS

The Conference Board of Pensions provides various defined benefit and defined contribution plans for all clergy in connectional ministry with the Louisiana Annual Conference, either under appointment at a local church, or various other Conference office affiliates. All plans are administered by the General Board of Pensions and Health Benefits of the United Methodist Church, Incorporated in Illinois (the "General Board of Pensions").

Each local church is directly billed by the Conference Board of Pensions for each clergy staff member's portion of the Comprehensive Protection Plan (CPP), Clergy Retirement Security Plan (CRSP) including defined benefit (CRSP-DB) and contribution (CRSP-DC) provisions, and the United Methodist Personal Investment Plan (UMPIP). CPP is a combination life and disability insurance benefit. CRSP and UMPIP are retirement income benefits. Funds are remitted to the General Board of Pensions who administers the various plans.

Eligibility for participation and benefits received depend upon the following:

- clergy appointment connectional status: full-time, part-time, or other;
- designation: Elder, Deacon, Local or Supply pastor; and
- years of service in the Conference.

Note 8 - PENSION PLANS (Continued)

Contributions to the CRSP defined benefit plans, currently estimated at 10% of clergy plan compensation, not to exceed \$8,000, are finalized based upon an annual actuarial evaluation of the participants' demographical data.

Contributions to the CPP are based on 3% of clergy plan compensation up to \$3,976.

Contributions to the UMPIP are based on 10% of clergy plan compensation.

Contributions for the year ended December 31, 2015 were as follows:

| | |
|---------------------|---------------------|
| CPP | \$ 481,328 |
| CRSP-DC and UMPIP | 594,837 |
| CRSP-DB | <u>1,418,456</u> |
| Total contributions | <u>\$ 2,494,621</u> |

The Conference Board of Pensions paid contributions to the General Board of Pensions of \$2,521,598 toward the CRSP-DB, CRSP-DC, CPP, and UMPIP pension plans for the year ended December 31, 2015.

The Conference Board of Pensions is responsible for the contributions due to the General Board of Pensions even if not fully reimbursed by the member churches. Any amounts not collected from churches are monitored closely and addressed accordingly. Substantial arrearages may result in the eligibility to participate in future plans.

Note 9 - HEALTH INSURANCE

The Conference Board of Pensions provides various self-insured health benefit plans for:

- Full time clergy, including their dependents, in connectional ministry with the Louisiana Annual Conference, either under appointment at a local church, or various other Louisiana Annual Conference affiliates, certain $\frac{3}{4}$ time clergy, certain retirees, and retirees who are over 65 and participating in the Medicare Part A & B plans;
- Laity employees who are full time with the Louisiana Annual Conference, local churches, and Louisiana Annual Conference affiliates.

The self-funded health plans include medical, dental, vision, prescription, and Health Savings Account (HSA) benefits.

Note 9 - HEALTH INSURANCE (Continued)

The monthly premium for 2015 full time clergy is a "blended" rate of \$1,105. The rate is considered blended because the premium is the same whether the clergy needs family or single coverage. Of this amount, \$100 is paid into the employee's HSA, and the remainder stays with the Benefit's accounts to pay benefit claims. Each local church is directly billed and collected by the Louisiana Annual Conference through the Conference Board of Pensions for their clergy members' health benefits premium.

The premium for eligible retirees is \$250 per month. The retiree can elect to have this amount deducted directly from his/her General Board of Pensions monthly pension distribution, or the Conference Board of Pensions can bill the retiree directly. Retirees' spouses can participate in health benefits coverage for \$250 per person per month.

The Louisiana Annual Conference pays for Louisiana Annual Conference laity health benefits, if elected, in the amount of \$675 per month for single coverage. If the lay employee desires family/dependent coverage, then the employee is responsible for that additional cost which is \$675 per month. Additionally, the Louisiana Annual Conference pays \$100 per month into laity employees' HSA.

The Conference Board of Pensions also provides selected health benefits to surviving spouses of deceased clergy and for clergy on temporary administrative leave or disability.

For 2015, the Conference Board of Pensions contracted with Blue Cross/Blue Shield of Louisiana (BCBS) for an administrative fee of \$35.24 per participant per month for its medical, prescription, dental, and vision health claims processing. The agreement with BCBS also provides for rebates of prescription costs for those qualified pharmaceutical claims expenses.

Additionally, as self-funded plans, the Conference Board of Pensions mitigates potential catastrophic medical losses by purchasing reinsurance for specific stop loss coverage of \$115,000 per plan participant, and aggregate stop loss coverage of 125% of expected claims up to \$1,000,000 of maximum benefits.

The reinsurance premiums per participant/per month for such coverage are as follows:

| | |
|---------------------|----------|
| Aggregate stop loss | \$6.70 |
| Specific stop loss | |
| Single | \$67.42 |
| Family | \$139.99 |

Note 9 - HEALTH INSURANCE (Continued)

Total administrative fees and reinsurance premiums paid to BCBS for year ended December 31, 2015 totaled \$547,311.

The health insurance premiums collected from active clergy, retirees, and laity by the Conference Board of Pensions for the year ended December 31, 2015 were as follows:

| | |
|----------------|---------------------|
| Active/laity | \$ 3,301,295 |
| Retired clergy | <u>679,141</u> |
| Total | <u>\$ 3,980,436</u> |

Health benefit claims, administrative fees, and reinsurance premiums paid for the year ended December 31, 2015 are as follows:

| | |
|----------------|---------------------|
| Active/laity | \$ 3,238,957 |
| Retired clergy | <u>1,465,108</u> |
| Total | <u>\$ 4,704,065</u> |

In accordance with the Affordable Care Act of 2010, the Conference Board of Pensions self-insured health benefit plans paid \$36,958 in Transitional Reinsurance Program fees.

All amendments, additions or removal of benefits must be presented and approved by the Annual Conference delegation which meets in June of every year.

Note 10 - RELATED PARTY TRANSACTIONS

The Conference Board of Pensions primarily maintains its investments totaling \$19,477,111 and \$201,530 with the United Methodist Foundation of Louisiana and Wespeth, respectively. The net investment loss, including unrealized changes in market value, on these investments totaled approximately \$768,050 for the year ended December 31, 2015. Additionally, the Conference Board of Pensions received distributions from the Woolworth Foundation in the amount of \$571,436.

The Conference Board of Pensions received health insurance premiums from the Finance and Administrative Services on behalf of clergy and laity totaling \$189,943 for the year ended December 31, 2015.

The Conference Board of Pensions received pension benefit contributions from the Finance and Administrative Services on behalf of clergy and laity totaling \$159,289 for the year ended December 31, 2015.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2a; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion of these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Conference Board of Pensions as of December 31, 2014, and its revenues, expenses, and changes in net assets for the year then ended in accordance with the modified cash basis of accounting as described in Note 2a.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The statement of revenues, expenses, and changes in net assets - modified cash basis - by fund for the year ended December 31, 2014 on pages 20 and 21 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Basis of Accounting

We draw your attention to Note 2a to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS

**Board of Trustees of the
Louisiana Annual Conference of the United Methodist Church,
South Central Jurisdiction - Conference Board of Pensions
Baton Rouge, Louisiana**

December 31, 2014

Note 1 - ORGANIZATION AND NATURE OF ACTIVITIES

The accompanying financial statements of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Conference Board of Pensions (the "Conference Board of Pensions") include the assets, net assets, and the financial activities of the pension and health benefit programs. The Conference Board of Pensions operates under the authority of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction, a Louisiana corporation (the "Louisiana Annual Conference"). The Louisiana Annual Conference is one of 57 annual conferences of the United Methodist Church in the United States. The purpose of the Conference Board of Pensions is to develop and maintain, comprehensive and coordinated plans of pension and health benefits for clergy in connectional ministry of the Louisiana Annual Conference, including implementation of the policies and procedures of the Conference Board of Pensions. The Conference Board of Pensions cannot financially obligate any organizational unit of the United Methodist Church. Support for the expenditure for benefits is derived primarily from direct billings to the local churches, apportionments to the 491 churches located in Louisiana for the Conference Board of Pensions, direct contributions, interest on cash balances, and investment earnings.

The activities of churches, districts, the United Methodist Foundation of Louisiana, the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Finance and Administrative Services (the "Finance and Administrative Services"), charitable institutions and other distinct operating entities, which operate within the Annual Conference ("non-combined affiliated entities") have not been included in the accompanying financial statements.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The accompanying financial statements of the Conference Board of Pensions have been prepared on the basis of cash receipts and disbursements with the following exception:

- Investments are recorded as an asset and are carried at fair market value.

The modified cash basis of accounting differs from generally accepted accounting principles primarily because the Conference Board of Pensions has not recognized contributions receivable, interest receivables, and payables for grants, salaries and wages, payroll taxes and other expenses and their related effect on the change in net assets.

b. Basis of Presentation

Net assets, revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Conference Board of Pensions and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets specifically stipulated by the grantor or donor to be used for a certain purpose or to benefit a specific accounting period.

Permanently Restricted Net Assets - Net assets that are subject to donor-imposed stipulations that the principal not be expended, but rather invested to provide a permanent source of income for the Conference Board of Pensions.

c. Use of Estimates

The preparation of financial statements in conformity with the modified cash receipts and disbursements basis of accounting requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period, and disclosures in the financial statements. Actual results could differ from those estimates.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

d. Cash and Cash Equivalents

The Conference Board of Pensions considers all highly liquid investments with an initial maturity of three months or less, including sweep accounts which are overnight repurchase agreements, to be cash equivalents.

e. Investments

The Conference Board of Pensions records investments in the investment pool at fair value in the Statement of Assets and Net Assets - Modified Cash Basis. Unrealized gain and losses are included in the change in net assets in the accompanying Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis. Unrealized gains and losses on investments are recorded as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or law. Interest earned on donor restricted investments is reported based on the existence or absence of donor-imposed restrictions. Realized gains and losses on the sales of securities are reported based on activity of the pooled investments. A decline in fair value of investments below cost that is deemed to be other than temporary, results in a charge to the change in net assets and the establishment of a new cost basis for the investment.

f. Sources of Revenue

Churches in the Louisiana Annual Conference are required to remit their pension and health insurance contributions to the Conference Board of Pensions to support the pension and health programs of the Annual Conference. Some cash receipts and disbursements that occur after year end are recorded as transactions of the prior year to which they apply. Consequently, cash balances reported as of year-end are adjusted for subsequent receipts and disbursements that are applicable to the prior year.

g. Donated Services of Volunteers

A substantial number of volunteers have given extensive amounts of time and services to the Conference Board of Pensions. However, no amounts are reflected in the financial statements for such services as management believes that the requirements for recording in-kind services have not been satisfied.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

h. Allocated Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis. Management believes that all costs are program services related and no administrative and general expenses were incurred.

i. Tax Matters

The Louisiana Annual Conference is exempt from Federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code and part of a group exemption of the United Methodist Church.

Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions recognized in an entity's financial statements. These standards require an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained upon examination. As of December 31, 2014, management of the Conference Board of Pensions believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

j. Contributions and Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same accounting period are reported as unrestricted support and revenues.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

j. Contributions and Revenue Recognition (Continued)

Interest and dividends earned on money market accounts are reported as unrestricted revenues.

Non-cash gifts received from sources such as estates and trusts are not recorded as assets until converted into cash.

k. Subsequent events

Management evaluates events occurring subsequent to the date of financial statements in determining the accounting for and disclosure of transactions and events that effect the financial statements. Subsequent events have been evaluated through August 27, 2015, which is the date the financial statements were available to be issued.

Note 3 - RESTRICTIONS ON ASSETS

Temporarily restricted net assets are restricted by the donor for specific purposes.

Note 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Note 5 - FAIR VALUE MEASUREMENTS (Continued)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that is observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Pooled investments of the Conference Board of Pensions are maintained by the United Methodist Foundation of Louisiana and Wespath, a division of the General Board of Pension and Health Benefits. The United Methodist Foundation investment pool holds investments in government obligations, corporate stocks, money market funds, mutual funds, exchange traded funds, government agency mortgage obligations, corporate and foreign obligations, collateralized mortgage obligations, asset-backed securities, common trust and commingled funds, segregated portfolio companies, and limited partnerships. The Wespath investment pool holds investments in stocks, traditional bonds, inflation-linked bonds, real estate investment trusts, securities, commodities, interests in private equity and private real estate partnerships, U.S. government bonds, agency bonds, corporate bonds securitized products, dollar denominated international fixed income securities, commercial paper, certificates of deposits, and other similar types of investments. The investment pool is included in Level 2 of the fair value hierarchy as the investment pool is valued using the net asset value as reported by the custodian. The net asset values are determined based on

Note 5 - FAIR VALUE MEASUREMENTS (Continued)

the fair values of the underlying investments. The custodian of this portfolio uses independent pricing services, where available, to value the securities included in this portfolio. If an independent pricing service does not value a security or the value is not, in the view of the custodian, representative of the market value, the custodian will attempt to obtain a price quote from a secondary pricing source, which may include third party brokers, investment advisers, and principal market makers or affiliated pricing services. If a secondary source is unable to provide a price, the custodian may obtain a quotation from the counterparty that sold the security.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Conference Board of Pensions believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis as of December 31, 2014 are comprised of and determined, as follows:

| Description | Total Assets Measured At Fair Value | Based On | | |
|-------------------------------|---|---|--|-------------------------------------|
| | | Quoted Prices In Active Markets (Level 1) | Other Observable Inputs (Level 2) | Unobservable Inputs (Level 3) |
| Pooled investment accounts | \$ 18,626,659 | \$ | \$ 18,626,659 | \$ |

As of December 31, 2014, there were no assets measured at fair value on a non-recurring basis.

Note 6 - ENDOWMENT FUND

The Endowments. The Conference Board of Pensions Endowment Fund was established primarily for the purpose of providing pension and health insurance benefits. As required by generally accepted accounting principles, net assets associated with endowment funds, including board designated funds, are classified and reported based on the existence or absence of donor restrictions.

Note 6 - ENDOWMENT FUND (Continued)

Interpretation of Relevant Law. The Conference Board of Pensions has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of an original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference Board of Pensions classifies the following amounts as permanently restricted net assets in the accompanying financial statements:

- the original value of gifts donated to the permanent endowment;
- the original value of subsequent gifts to the permanent endowment;
- accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Conference Board of Pensions in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Conference Board of Pensions considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- the duration and preservation of the fund;
- the purposes of the Conference Board of Pensions and the donor-restricted endowment fund;
- general economic conditions;
- the possible effect of inflation and deflation;
- the expected total return from income and the appreciation of investments;
- other resources of the Conference Board of Pensions;
- the investment policies of the Conference Board of Pensions.

Note 6 - ENDOWMENT FUND (Continued)

Endowment net asset composition as of December 31, 2014 is as follows:

| | <u>Unrestricted</u> | <u>Temporarily Restricted</u> | <u>Permanently Restricted</u> | <u>Totals</u> |
|------------------------------------|---------------------|-----------------------------------|-----------------------------------|---------------------|
| Donor-restricted endowment fund | \$ - | \$ 22,362 | \$ 304,419 | \$ 326,781 |

| Total funds | <u>\$ 1,034,447</u> | <u>\$ 22,362</u> | <u>\$ 304,419</u> | <u>\$ 1,361,228</u> |

Changes in endowment net assets for the year ended December 31, 2014 are as follows:

| | <u>Unrestricted</u> | <u>Temporarily Restricted</u> | <u>Permanently Restricted</u> | <u>Totals</u> |
|--|---------------------|-----------------------------------|-----------------------------------|---------------------|
| Endowment net assets, beginning of year | \$ 1,000,611 | \$ 21,530 | \$ 304,419 | \$ 1,326,560 |

Funds with Deficiencies. From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that either the donor or UPMIFA requires the Conference Board of Pensions to retain as a fund of perpetual duration. These deficiencies can result from unfavorable market fluctuations. There were no such deficiencies as of December 31, 2014.

Return Objectives and Risk Parameters. The endowments are invested with the intention of obtaining general market returns with a minimum amount of investment and management expenses.

Strategies Employed for Achieving Objectives. The endowment funds are invested in the investment pool maintained by the United Methodist Foundation of Louisiana. In 2015, the Board of Trustees will address investment policy and options to invest with the intention of obtaining general market returns.

Spending Policy and How Investment Objectives Relate to the Spending Policy. The full amount of the endowment was received from donors who stipulated that the corpus be maintained in perpetuity and the income from the funds be used for operations.

Note 7 - CONCENTRATIONS OF CREDIT RISK

The Conference Board of Pensions has cash balances invested with several banking institutions. Accounts at these institutions are insured by the U.S. Federal Deposit Insurance Corporation up to \$250,000 per account. The balances at times may exceed federally insured limits. As of December 31, 2014, the cash balance in excess of insured amounts was approximately \$147,000.

The funds on deposit with the United Methodist Foundation of Louisiana, which total \$18,376,747 as of December 31, 2014, are not insured. The funds on deposit with Wespath Investment Management, which total \$416,357 as of December 31, 2014, are not insured. The Conference Board of Pensions has not experienced any significant losses in such accounts and believes it is not exposed to any significant credit risk.

Note 8 - PENSION PLANS

The Conference Board of Pensions provides various defined benefit and defined contribution plans for all clergy in connectional ministry with the Louisiana Annual Conference, either under appointment at a local church, or various other Conference office affiliates. All plans are administered by the General Board of Pensions and Health Benefits of the United Methodist Church, Incorporated in Illinois (the "General Board of Pensions").

Each local charge is directly billed by the Conference Board of Pensions for each clergy staff member's portion of the Comprehensive Protection Plan ("CPP"), Clergy Retirement Security Plan ("CRSP") including defined benefit ("CRSP-DB") and contribution ("CRSP-DC") provisions, and the United Methodist Personal Investment Plan ("UMPIP"). CPP is a combination life and disability insurance benefit. CRSP and UMPIP are retirement income benefits. Funds are remitted to the General Board of Pensions who administers the various plans.

Eligibility for participation and benefits received depend upon the following:

- clergy appointment connectional status: full-time, part-time, or other;
- designation: Elder, Deacon, Local or Supply pastor;
- years of service in the Conference.

Note 8 - PENSION PLANS (Continued)

Contributions up to \$6,000 to the CRSP defined benefit plans, currently estimated at 10% of clergy plan compensation, are finalized based upon an annual actuarial evaluation of the participants' demographical data.

Contributions to the CRSP contribution plans of 2% are based upon clergy plan compensation. Clergy can receive an additional 1% CRSP match if the participant contributes 1% of clergy plan compensation.

Contributions to the CPP are based on 3% of clergy plan compensation up to \$3,911.

Contributions to the UMPIP are based on 10% of clergy plan compensation.

Contributions for the year ended December 31, 2014 were as follows:

| | |
|---------------------|---------------------|
| CPP | \$ 487,723 |
| CRSP-DC and UMPIP | 569,832 |
| CRSP-DB | <u>1,421,517</u> |
| Total contributions | <u>\$ 2,479,072</u> |

The Conference Board of Pensions is responsible for the contributions due to the General Board of Pensions even if not fully reimbursed by the member churches. Any amounts not collected from charges are monitored closely and addressed accordingly. Substantial arrearages may result in the eligibility to participate in future plans.

Note 9 - HEALTH INSURANCE

The Conference Board of Pensions provides various self-insured health benefit plans for:

- full time clergy, including their dependents, in connectional ministry with the Louisiana Annual Conference, either under appointment at a local church, or various other Louisiana Annual Conference affiliates, certain $\frac{3}{4}$ time clergy, certain retirees, and retirees who are over 65 and participating in the Medicare Part A & B plans;
- Laity employees who are full time with the Louisiana Annual Conference, local churches, and Louisiana Annual Conference affiliates.

The self-funded health plans include medical, dental, vision, prescription, and Health Savings Account ("HSA") benefits.

Note 9 - HEALTH INSURANCE (Continued)

The monthly premium for 2014 full time clergy is a "blended" rate of \$1,055. The rate is considered blended because the premium is the same whether the clergy needs family or single coverage. Of this amount, \$100 is paid into the employee's HSA, and the remainder stays with the Benefit's accounts to pay benefit claims. Each local church is directly billed and collected by the Louisiana Annual Conference through the Conference Board of Pensions for their clergy members' health benefits premium.

The premium for eligible retirees is \$240 per month. The retiree can elect to have this amount deducted directly from his/her General Board of Pensions monthly pension distribution, or the Conference Board of Pensions can bill the retiree directly. Retirees' spouses can participate in health benefits coverage for \$240 per person per month.

The Louisiana Annual Conference pays for Louisiana Annual Conference laity health benefits, if elected, in the amount of \$645 per month for single coverage. If the lay employee desires family/dependent coverage, then the employee is responsible for that additional cost. Additionally, the Louisiana Annual Conference pays \$100 per month into laity employees' HSA.

The Conference Board of Pensions also provides health benefits to surviving spouses of deceased clergy, and health benefit grants for clergy on temporary administrative leave or disability.

For 2014, the Conference Board of Pensions contracted with Blue Cross/Blue Shield of Louisiana ("BCBS") for an administrative fee of \$37.70 per participant per month for its medical, prescription, and vision health claims processing. The agreement with BCBS also provides for rebates of prescription costs for qualified pharmaceutical claims expenses.

Benefits Management Services, a subsidiary of BCBS, administered the 2014 dental claims' payments for \$3.00 per participant per month.

Additionally, as self-funded plans, the Conference Board of Pensions mitigated potential catastrophic medical losses by purchasing reinsurance for specific stop loss coverage of \$115,000 per plan participant, and aggregate stop loss coverage of 125% of expected claims up to \$1,000,000 of maximum benefits.

Note 9 - HEALTH INSURANCE (Continued)

The reinsurance premiums per participant/per month for such coverage are as follows:

| | |
|---------------------|----------|
| Aggregate stop loss | \$ 6.70 |
| Specific stop loss | |
| Single | \$ 60.84 |
| Family | \$128.40 |

Total administrative fees and reinsurance premiums paid to BCBS for year ended December 31, 2014 totaled \$519,245.

The health insurance premiums collected from active clergy, retirees, and laity by the Conference Board of Pensions for the year ended December 31, 2014 were as follows:

| | |
|----------------|---------------------|
| Active/laity | \$ 3,242,747 |
| Retired clergy | <u>668,857</u> |
| Total | <u>\$ 3,911,604</u> |

Health benefit claims, administrative fees, and reinsurance premiums paid for the year ended December 31, 2014 are as follows:

| | |
|----------------|---------------------|
| Active/laity | \$ 3,317,694 |
| Retired clergy | <u>1,271,723</u> |
| Total | <u>\$ 4,589,417</u> |

In accordance with the Affordable Care Act of 2010, the Conference Board of Pensions self-insured health benefit plans paid \$52,920 in Transitional Reinsurance Program fees.

Note 10 - RELATED PARTY TRANSACTIONS

The Conference Board of Pensions primarily maintains its investments totaling \$18,210,302 with the United Methodist Foundation of Louisiana. Net earnings, including unrealized changes in market value, on these investments totaled approximately \$507,000 for the year ended December 31, 2014. Additionally, the Conference Board of Pensions received distributions from the Woolworth Foundation in the amount of \$925,143.

Note 10 - RELATED PARTY TRANSACTIONS (Continued)

To the Council on Finance and Administrative Services
Board of Trustees of the Louisiana Annual Conference United Methodist Church,
South Central Jurisdiction, Conference Board of Pensions
Baton Rouge, Louisiana

We have audited the financial statements of Board of Trustees of the Louisiana Annual Conference United Methodist Church Board of Pension, South Central Jurisdiction, Conference Board of Pensions ("Conference Board of Pensions"), for the year ended December 31, 2014, and have issued our report thereon dated August 27, 2015. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 21, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Louisiana Annual Conference United Methodist Church Board of Pensions South Central Jurisdiction, Conference Board of Pensions are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2014. We noted no transactions entered into by the Conference Board of Pensions during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements is the allocation of functional expenses. Management's allocation of functional expenses is based on management's judgment on the amount of the time that is devoted to programs, general, and supporting services. We evaluated the key factors and assumptions used to develop the functional expense estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 27, 2015.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Conference Board of Pensions' financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Conference Board of Pension's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Conference Board of Pensions,
Board of Trustees of the Louisiana Annual Conference of the United Methodist Church,
South Central Jurisdiction - Conference Board of Pensions,
Baton Rouge, Louisiana.

We have reviewed the accompanying statement of assets and net assets - modified cash basis of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Conference Board of Pensions (a nonprofit organization), as of December 31, 2013 and the related statement of revenues, expenses, and changes in net assets - modified cash basis, for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the modified cash basis of accounting, as described in Note 2a.

Our review was made primarily for the purpose of expressing a conclusion that there are no material modifications that should be made to the financial statements in order for them to be in conformity with the modified cash basis of accounting, as described in Note 2a. The supplementary information included in the accompanying Schedule 1 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements, and we did not become aware of any material modifications that should be made to such information.

Note 1 - ORGANIZATION AND NATURE OF ACTIVITIES

The accompanying financial statements of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Conference Board of Pensions (the "Conference Board of Pensions") include the assets, net assets, and the financial activities of the pension and health benefit programs. The Conference Board of Pensions operates under the authority of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction, a Louisiana corporation (the "Louisiana Annual Conference"). The Louisiana Annual Conference is one of 57 annual conferences of the United Methodist Church in the United States. The purpose of the Conference Board of Pensions is to develop and maintain, comprehensive and coordinated plans of pension and health benefits for clergy in connectional ministry of the Louisiana Annual Conference, including implementation of the policies and procedures of the Conference Board of Pensions. The Conference Board of Pensions cannot financially obligate any organizational unit of the United Methodist Church. Support for the expenditure for benefits is derived primarily from direct billings to the local churches, an annual apportionment for the Conference Board of Pensions, direct contributions, interest on cash balances, and investment earnings.

The activities of churches, districts, the United Methodist Foundation of Louisiana, the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Finance and Administrative Services (the "Finance and Administrative Services") and other district operating entities, which operate within the Annual Conference ("non-combined affiliated entities") have not been included in the assets, net assets, and the financial activities of the Conference Board of Pensions pension and health programs.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The accompanying financial statements of the Conference Board of Pensions have been prepared on the basis of cash receipts and disbursements with the following exception:

- Investments are recorded as an asset and are carried at fair market value.

The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America primarily because the Conference Board of Pensions has not recognized contributions receivable, interest receivables, and payables for grants, salaries and wages, payroll taxes, and other expenses and their related effect on the change in net assets.

b. Basis of Presentation

Net assets, revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Conference Board of Pensions and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

The Board has designated unrestricted net assets for the following purpose:

| | |
|--------------------|--------------------|
| Endowment purposes | <u>\$1,000,611</u> |
|--------------------|--------------------|

Temporarily Restricted Net Assets - Net assets specifically stipulated by the grantor or donor to be used for a certain purpose or to benefit a specific accounting period.

Permanently Restricted Net Assets - Net assets that are subject to donor-imposed stipulations that the principal not be expended, but rather invested to provide a permanent source of income for the Conference Board of Pensions.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c. Use of Estimates

The preparation of financial statements in conformity with the modified cash receipts and disbursements basis of accounting requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period, and disclosures in the financial statements. Actual results could differ from those estimates.

d. Cash and Cash Equivalents

The Conference Board of Pensions considers all highly liquid investments with an initial maturity of three months or less, including sweep accounts which are overnight repurchase agreements, to be cash equivalents.

e. Investments

The Conference Board of Pensions records investments in the investment pool at fair value in the Statement of Assets and Net Assets - Modified Cash Basis. Unrealized gain and losses are included in the change in net assets in the accompanying Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis. Unrealized gains and losses on investments are recorded as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or law. Interest earned on donor restricted investments is reported based on the existence or absence of donor-imposed restrictions. Realized gains and losses on the sales of securities are reported based on activity of the pooled investments. A decline in fair value of investments below cost that is deemed to be other than temporary, results in a charge to the change in net assets and the establishment of a new cost basis for the investment.

f. Sources of Revenue

Churches in the Louisiana Annual Conference are required to remit their pension and health insurance contributions to the Conference Board of Pensions to support the pension and health programs of the Louisiana Annual Conference. Some cash receipts and disbursements that occur after year end are recorded as transactions of the prior year to which they apply. Consequently, cash balances reported as of year-end are adjusted for subsequent receipts and disbursements that are applicable to the prior year.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

g. Donated Services of Volunteers

A substantial number of volunteers have given extensive amounts of time and services to the Conference Board of Pensions. However, no amounts are reflected in the financial statements for such services as management believes that the requirements for recording in-kind services have not been satisfied.

h. Allocated Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis. Management believes that all costs are program services related and no administrative and general expenses were incurred.

i. Tax Matters

The Louisiana Annual Conference is exempt from Federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code and part of a group exemption of the United Methodist Church.

Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions recognized in an entity's financial statements. These standards require an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained upon examination. As of December 31, 2013, management of the Conference Board of Pensions believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

j. Contributions and Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Revenues, Expenses, and

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

j. Contributions and Revenue Recognition (Continued)

Changes in Net Assets - Modified Cash Basis as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same accounting period are reported as unrestricted support and revenues.

Interest and dividends earned on money market accounts are reported as unrestricted revenues.

Non-cash gifts received from sources such as estates and trusts are not recorded as assets until converted into cash.

k. Subsequent events

Management evaluates events occurring subsequent to the date of financial statements in determining the accounting for and disclosure of transactions and events that effect the financial statements. Subsequent events have been evaluated through February 17, 2016, which is the date the financial statements were available to be issued.

Note 3 - PRIOR PERIOD ADJUSTMENTS

Net assets as of December 31, 2012 have been restated to record nine investment accounts totaling \$8,047,660 that were not recorded as of December 31, 2012. Net assets as of December 31, 2012, have also been restated to reclassify \$6,258,645 of net assets that were incorrectly reported as temporary restricted net assets. As a result of these corrections, net assets as of December 31, 2012 were restated as follows:

| | <u>Unrestricted Net Assets</u> | <u>Temporarily Restricted Net Assets</u> | <u>Permanently Restricted Net Assets</u> | <u>Total Net Assets</u> |

Note 6 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Conference Board of Pensions has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that is observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Pooled investments of the Conference Board of Pensions are maintained by the United Methodist Foundation of Louisiana and Wespath, a division of the General Board of Pension and Health Benefits. The United Methodist Foundation investment pool holds investments in government obligations, corporate stocks, money market funds, mutual funds, exchange traded funds, government agency mortgage obligations, corporate and foreign obligations, collateralized mortgage obligations, asset-backed securities, common trust and commingled funds, segregated portfolio companies, and limited partnerships. The

Note 6 - FAIR VALUE MEASUREMENTS (Continued)

Wespath investment pool holds investments in stocks, traditional bonds, inflation-linked bonds, real estate investment trusts, securities, commodities, interests in private equity and private real estate partnerships, U.S. government bonds, agency bonds, corporate bonds securitized products, dollar denominated international fixed income securities, commercial paper, certificates of deposits, and other similar types of investments. The investment pool is included in Level 2 of the fair value hierarchy as the investment pool is valued using the net asset value as reported by the custodian. The net asset values are determined based on the fair values of the underlying investments. The custodian of this portfolio uses independent pricing services, where available, to value the securities included in this portfolio. If an independent pricing service does not value a security or the value is not, in the view of the custodian, representative of the market value, the custodian will attempt to obtain a price quote from a secondary pricing source, which may include third party brokers, investment advisers, and principal market makers or affiliated pricing services. If a secondary source is unable to provide a price, the custodian may obtain a quotation from the counterparty that sold the security.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Conference Board of Pensions believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis as of December 31, 2013 are comprised of and determined, as follows:

| Description | Total Assets Measured At Fair Value | Based On | | |
|-------------------------------|---|---|--|-------------------------------------|
| | | Quoted Prices In Active Markets (Level 1) | Other Observable Inputs (Level 2) | Unobservable Inputs (Level 3) |
| Pooled investment accounts | <u>\$ 17,347,720</u> | <u>\$ -</u> | <u>\$ 17,347,720</u> | <u>\$ -</u> |

As of December 31, 2013, there were no assets measured at fair value on a non-recurring basis.

Note 7 - ENDOWMENT FUND

The Endowments. The Conference Board of Pensions Endowment Fund was established primarily for the purpose of providing pension and health insurance benefits. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including board designated funds, are classified and reported based on the existence or absence of donor restrictions.

Interpretation of Relevant Law. The Conference Board of Pensions has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of an original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference Board of Pensions classifies the following amounts as permanently restricted net assets in the accompanying financial statements:

- the original value of gifts donated to the permanent endowment;
- the original value of subsequent gifts to the permanent endowment;
- accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Conference Board of Pensions in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Conference Board of Pensions considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- the duration and preservation of the fund;
- the purposes of the Conference Board of Pensions and the donor-restricted endowment fund;
- general economic conditions;
- the possible effect of inflation and deflation;
- the expected total return from income and the appreciation of investments;
- other resources of the Conference Board of Pensions;
- the investment policies of the Conference Board of Pensions.

Note 7 - ENDOWMENT FUND (Continued)

Endowment net asset composition as of December 31, 2013 is as follows:

| | <u>Unrestricted</u> | <u>Temporarily Restricted</u> | <u>Permanently Restricted</u> | <u>Totals</u> |
|------------------------------------|---------------------|-----------------------------------|-----------------------------------|---------------------|
| Donor-restricted endowment fund | \$ - | \$ 21,530 | \$ 304,419 | \$ 325,949 |
| Board-designated funds | <u>1,000,611</u> | <u>-</u> | <u>-</u> | <u>1,000,611</u> |
| Total funds | <u>\$ 1,000,611</u> | <u>\$ 21,530</u> | <u>\$ 304,419</u> | <u>\$ 1,326,560</u> |

Changes in endowment net assets for the year ended December 31, 2013 are as follows:

| | <u>Unrestricted</u> | <u>Temporarily Restricted</u> | <u>Permanently Restricted</u> | <u>Totals</u> |
|--|---------------------|-----------------------------------|-----------------------------------|---------------------|
| Endowment net assets, beginning of year | \$ 836,402 | \$ 19,617 | \$ 304,419 | \$ 1,160,438 |
| Contributions | 195,145 | 2,980 | - | 198,125 |
| Transfers | <u>(30,936)</u> | <u>(1,067)</u> | <u>-</u> | <u>(32,003)</u> |
| Endowment net assets, end of year | <u>\$ 1,000,611</u> | <u>\$ 21,530</u> | <u>\$ 304,419</u> | <u>\$ 1,326,560</u> |

Funds with Deficiencies. From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that either the donor or UPMIFA requires the Conference Board of Pensions to retain as a fund of perpetual duration. These deficiencies can result from unfavorable market fluctuations. There were no such deficiencies as of December 31, 2013.

Return Objectives and Risk Parameters. The endowments are invested with the intention of obtaining general market returns with a minimum amount of investment and management expenses.

Strategies Employed for Achieving Objectives. The endowment funds are invested in the investment pool maintained by the United Methodist Foundation of Louisiana. In 2016, the Board of Trustees will address investment policy and options to invest with the intention of obtaining general market returns.

Note 7 - ENDOWMENT FUND (Continued)

Spending Policy and How Investment Objectives Relate to the Spending Policy. The full amount of the endowment was received from donors who stipulated that the corpus be maintained in perpetuity and the income from the funds be used for operations.

Note 8 - CONCENTRATIONS OF CREDIT RISK

The Conference Board of Pensions has cash balances invested with several banking institutions. Accounts at these institutions are insured by the U.S. Federal Deposit Insurance Corporation up to \$250,000 per account. The balances at times may exceed federally insured limits. As of December 31, 2013, there were no cash balances in excess of insured amounts.

The funds on deposit with the United Methodist Foundation of Louisiana, which total \$16,943,902 as of December 31, 2013, are not insured. The funds on deposit with Wespeth Investment Management, which total \$403,818 as of December 31, 2013, are not insured. The Conference Board of Pensions has not experienced any significant losses in such accounts and believes it is not exposed to any significant credit risk.

Note 9 - PENSION PLANS

The Conference Board of Pensions provides various defined benefit and defined contribution plans for all clergy in connectional ministry with the Louisiana Annual Conference, either under appointment at a local church, or various other Conference office affiliates. All plans are administered by the General Board of Pensions and Health Benefits of the United Methodist Church, Incorporated in Illinois (the "General Board of Pensions").

Each local church is directly billed by the Conference Board of Pensions for each clergy staff member's portion of the Comprehensive Protection Plan (CPP), Clergy Retirement Security Plan (CRSP) including defined benefit (CRSP-DB) and contribution (CRSP-DC) provisions, and the United Methodist Personal Investment Plan (UMPIP). CPP is a combination life and disability insurance benefit. CRSP and UMPIP are retirement income benefits. Funds are remitted to the General Board of Pensions who administers the various plans.

Note 9 - PENSION PLANS (Continued)

Eligibility for participation and benefits received depend upon the following:

- clergy appointment connectional status: full-time, part-time, or other;
- designation: Elder, Deacon, Local or Supply pastor; and
- years of service as defined by the Conference.

Contributions up to \$8,000 to the CRSP defined benefit plans, currently estimated at 10% of clergy plan compensation, are finalized based upon an annual actuarial evaluation of the participants' demographical data.

Contributions to the CPP are based on 3% of clergy plan compensation up to \$3,911.

Contributions to the UMPIP are based on 10% of clergy plan compensation.

Contributions for the year ended December 31, 2013 were as follows:

| | |
|---------------------|---------------------|
| CPP | \$ 476,543 |
| CRSP-DC and UMPIP | 546,322 |
| CRSP-DB | <u>1,872,686</u> |
| Total contributions | <u>\$ 2,895,551</u> |

The Conference Board of Pensions is responsible for the contributions due to the General Board of Pensions even if not fully reimbursed by the member churches. Any amounts not collected from churches are monitored closely and addressed accordingly. Substantial arrearages may result in the eligibility to participate in future plans.

Note 10 - HEALTH INSURANCE

The Conference Board of Pensions provides various self-insured health benefit plans for:

- Full time clergy, including their dependents, in connectional ministry with the Louisiana Annual Conference, either under appointment at a local church, or various other Louisiana Annual Conference affiliates, certain $\frac{3}{4}$ time clergy, certain retirees, and retirees who are over 65 and participating in the Medicare Part A & B plans;
- Laity employees who are full time with the Louisiana Annual Conference, local churches, and Louisiana Annual Conference affiliates.

Note 10 - HEALTH INSURANCE (Continued)

The self-funded health plans include medical, dental, vision, prescription, and Health Savings Account (HSA) benefits.

The monthly premium for 2013 full time clergy is a "blended" rate of \$1,010. The rate is considered blended because the premium is the same whether the clergy needs family or single coverage. Of this amount, \$100 is paid into the employee's HSA, and the remainder stays with the Benefit's accounts to pay benefit claims. Each local church is directly billed and collected by the Louisiana Annual Conference through the Conference Board of Pensions for their clergy members' health benefits premium.

The premium for eligible retirees is \$230 per month. The retiree can elect to have this amount deducted directly from his/her General Board of Pensions monthly pension distribution, or the Conference Board of Pensions can bill the retiree directly. Retirees' spouses can participate in health benefits coverage for \$230 per person per month.

The Louisiana Annual Conference pays for Louisiana Annual Conference laity health benefits, if elected, in the amount of \$615 per month for single coverage. If the lay employee desires family/dependent coverage, then the employee is responsible for that additional cost. Additionally, the Louisiana Annual Conference pays \$100 per month into laity employees' HSA.

The Conference Board of Pensions also provides health benefits to surviving spouses of deceased clergy, and health benefit grants for clergy on temporary administrative leave or disability.

For 2013, the Conference Board of Pensions contracted with Blue Cross/Blue Shield of Louisiana (BCBS) for an administrative fee of \$36.55 per participant per month for its medical, prescription, dental, and vision health claims processing with Benefits Management Services (BMS) (a subsidiary of BlueCross/Blue Shield of Louisiana (BCBS)). The agreement with BMS also provides for rebates of prescription costs for qualified pharmaceutical claims expenses.

Additionally, as self-funded plans, the Conference Board of Pensions mitigated potential catastrophic medical losses by purchasing reinsurance for specific stop loss coverage of \$115,000 per plan participant, and aggregate stop loss coverage of 125% of expected claims up to \$1,000,000 of maximum benefits.

Note 10 - HEALTH INSURANCE (Continued)

The reinsurance premiums per participant/per month for such coverage are as follows:

| | |
|---------------------|----------|
| Aggregate stop loss | \$6.53 |
| Specific stop loss | |
| Single | \$62.13 |
| Family | \$123.66 |

Total administrative fees and reinsurance premiums paid to BCBS for year ended December 31, 2013 totaled \$540,041.

The health insurance premiums collected from active clergy, retirees, and laity by the Conference Board of Pensions for the year ended December 31, 2013 were as follows:

| | |
|----------------|---------------------|
| Active/laity | \$ 3,307,429 |
| Retired clergy | <u>494,080</u> |
| Total | <u>\$ 3,801,509</u> |

Health benefit claims, administrative fees, and reinsurance premiums paid for the year ended December 31, 2013 are as follows:

| | |
|----------------|---------------------|
| Active/laity | \$ 4,313,723 |
| Retired clergy | <u>1,510,497</u> |
| Total | <u>\$ 5,824,220</u> |

Note 11 - RELATED PARTY TRANSACTIONS

The Conference Board of Pensions primarily maintains its investments totaling \$16,943,902 and \$403,818 with the United Methodist Foundation of Louisiana and Wespeth, respectively. Net earnings, including unrealized changes in market value, on these investments totaled approximately \$1,663,769 for the year ended December 31, 2013. Additionally, the Conference Board of Pensions received distributions from the Woolworth Foundation in the amount of \$1,109,781.

The Conference Board of Pensions received health insurance premiums from the Finance and Administrative Services on behalf of clergy and laity totaling \$223,072 for the year ended December 31, 2013.

The Conference Board of Pensions received pension benefits contributions from the Finance and Administrative Services on behalf of clergy and laity totaling \$195,763 for the year ended December 31, 2013.

COMMISSION ON ARCHIVES AND HISTORY
As amended through Conference Action

The mission of the Conference Commission on Archives and History is to manage the historic records of the Louisiana Annual Conference of the United Methodist Church and its predecessor conferences. During 2015, our work with the Conference Archives at Centenary College of Louisiana included collecting, preserving, and making available the historic records of our conference.

Furthering the mission, vision, and core values of the Louisiana Annual Conference

- The Conference Archives answered 192 research requests using Louisiana UMC records. This included 34 requests from conference administrative staff and 30 requests from clergy.

- Conference Archives collections acquired from Louisiana United Methodist churches, district offices, and individuals = 9 collections (11.25 linear feet).
- Conference Archives processed and created online finding aids for 7 collections (10.25 linear feet).
- The Commission's budget purchased preservation supplies for newly acquired collections as well as collections prioritized for processing.
- Two training workshops given for church historians in the Shreveport District – January 10, 2015 (8 attended) and October 25, 2015 (13 attended).
- Two physical and online exhibits created using Louisiana UMC records. Come and See the Centenary Archives (51 online views), Shreveport: As Seen by Centenary, 1920-1996 (128 online views).
- Webpages for Conference Commission on Archives and History updated and migrated onto current website maintained by Louisiana Conference of the United Methodist Church.
- Began the Gulf/Southern Conference digitization project. Steps involve scanning and uploading the conference journals from predecessor Methodist Episcopal Church conferences that included Louisiana congregations – Gulf Conference journals, 1893-1926 (1,641 pages) and Southern Conference journals, 1927-1939 (1,214 pages). Partnership with Bridwell Library, Perkins School of Theology, Southern Methodist University. Target completion date: summer 2016.
- Began the *New Orleans Christian Advocate* newspaper digitization project. Steps involve merging and uploading scans of the weekly conference newspaper, 1850-1946 (some years missing). Approximate number of total pages = 45,000. Target completion date: summer 2016.

Areas of needed focus for the upcoming year with desired outcomes listed

- Complete the Gulf/Southern Conference digitization project. Desired outcome: volumes will be accessible online in the digital collections maintained by Centenary College of Louisiana Archives and Special Collections.
- Complete the *New Orleans Christian Advocate* newspaper digitization project. Desired outcome: volumes will be accessible online in the digital collections maintained by Centenary College of Louisiana Archives and Special Collections.
- Continue prioritizing unprocessed Louisiana UMC records in conference archives. Desired outcome: processed archival collections with online finding aids to assist researchers and archives staff.
- Begin project to update the conference's Historical Register. The 2004 edition consisted of one page on each active church in the Louisiana Conference. Each page included a photograph of the church, statistics (city, address, membership in 2003, and date founded), a short church history, directions to the church, and a map. Desired outcome: the Historical Register will reflect current information and include congregations founded since 2004.
- Offer workshops for church historians outside of Shreveport District. Desired outcome: local church historians will receive training on managing their congregation's historic records and learn about resources available in the conference archives.

Concerns and challenges facing the commission

- In 2015, the Conference Archivist (ex-officio commission member) agreed to temporarily also serve as commission chair. The Commission would benefit from having these positions filled by two different individuals.

Items voted upon by the Annual Conference

- The Annual Conference approved the application of First United Methodist Church of Baton Rouge, Louisiana to be designated as a historic site.

COMMISSION ON EQUITABLE COMPENSATION

The Commission on Equitable Compensation has the mission of providing resources to the appointive cabinet to augment the compensation of a pastor deemed a good match for the continued ministry of an appointment not having the complete resources to support fully said pastor. The Book of Discipline clearly states that the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (see ¶ 624, The Book of Discipline, 2012). In addition, the Annual Conference provides a program of support for the ministers (not the individual churches) to assure them of a livable level of financial support when serving a full-time appointment. Towards this end, The Commission on Equitable Compensation recommends the following policies:

Local churches whose ministerial leadership is receiving an Equitable Compensation Grant are expected:

1. To raise their local compensation by a minimum of 5% annually until there is no longer a need for Conference support.
2. To pay all apportioned ministerial items (Equitable Compensation, Episcopal and District Superintendents Funds), World Service and Conference Benevolences.
3. To conduct an Annual Stewardship Campaign.
4. To carry Louisiana Worker's Compensation insurance on their minister and staff.
5. Pay 100% of Health Insurance as set by the Board of Pensions and remain current on local congregation's clergy pension obligations.
6. When the local church treasurer realizes that a delinquency is impending either in payment to pastor of a regularly scheduled payroll or full payment of regular direct billed benefit payments such as pension and health care, and every effort has been made to produce the necessary funds to mitigate the delinquency, notification must be made to the pastor and district superintendent within no less than seven days of the impending delinquency (first expected missed payment)

Equitable Compensation Grants:

- A. The minister's Conference relationship sets the Equitable Compensation she/he is eligible to receive as outlined below. Any changes in Conference relationship during the year will change eligibility. The formula rate for full time is 60% of the lower of the Denominational Average Compensation (DAC) or Conference Average Compensation (CAC) each year. The formula for 2017 grants will be based on the 2017 Denominational Average Compensation (DAC). Thus, the full time amount for 2017 will be \$41,326 (60% of the DAC of \$68,876).

2017

| Conference Relationship | Full Time Compensation | Percent Applied | EC Base |
|--------------------------------|-------------------------------|------------------------|----------------|
| Elder | \$41,326 | 104% | \$42,979 |
| Associate Member | \$41,326 | 103% | \$42,566 |
| Provisional Elder | \$41,326 | 102% | \$42,153 |
| Full-time Local Pastor | \$41,326 | 100% | \$41,326 |

- B. For the purpose of determining the Equitable Compensation Grants, the minister's total plan compensation includes: base salary, cash allowances, utilities and housing allowance (or, when a parsonage is provided, 25% of the plan compensation as the approximate value of that parsonage).
- C. Ministers receive an additional \$100 for each year of service as a full-time minister up to a maximum of 10 years of service.
- D. Ministers receive an additional \$200 a year for each church over one.
- E. Equitable Compensation pays its share of CRSP and CPP based on the minister's income.
- F. Equitable Compensation pays up to \$75 for one Annual Conference sponsored Continuing Education Event per year for clergy who are currently receiving Equitable Compensation Grants.

- G. Annual Grants approved by the Commission shall be paid in monthly installments on the basis of available funds at the beginning of the calendar year.
- H. The charge to which the minister is appointed must be classified by the Cabinet as a full-time appointment for the minister to be eligible for full compensation. The policy of the Louisiana Annual conference is not to provide Equitable Compensation Grants for Associate Pastors.
- I. District Superintendents must submit to the chairperson of the Commission on Equitable Compensation, an application for each minister in their District seeking assistance from the Equitable Compensation Fund. These are to be sent after Charge Conference but no later than December 31. For new appointments, application forms furnished by the Commission should be turned in as soon as possible.
- J. All ministers receiving Equitable Compensation Grants are required to renew their applications when receiving a change in appointment, and to notify the chairperson of the Commission on Equitable Compensation of any change in compensation or Conference relationship.
- K. Special consideration will be given in unique cases upon recommendation of the Cabinet and concurrence with the Executive Committee of the Commission on Equitable Compensation.
- L. To facilitate Mission appointments, certain funds will be made available to the Cabinet to "provide for supplementing base compensation beyond the minimum base compensation schedule." (§ 625.6, The Book of Discipline, 2012)

Regarding Moving Expenses:

Charges of 250 members or less that have frequent changes in pastors shall be eligible for assistance from the Conference with moving expenses on the following basis:

- A. If the pastor is moved after one year and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of actual moving expenses up to a maximum of \$500.
- B. If the pastor is moved after two years and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of actual moving expenses up to a maximum of \$300.
- C. If the pastor is moved after three or more years, no assistance shall be available to the charge.
- D. The pastor must be living on the charge in order for the charge to receive such assistance.
- E. Verification of moving expenses shall be made by submitting a copy of the Moving Expense Voucher and itemized receipts to the District Superintendent in whose District the charge is located.
- F. Request for assistance shall be initiated by the charge, approved by the District Superintendent (in whose District the charge is located), then submitted to the Chairperson of the Commission on Equitable Compensation.
- G. Special consideration will be given in unique cases by the Cabinet's recommendation, by the willingness of the District making the request to provide 50% of the requested amount, and concurrence with the Executive Committee of the Commission on Equitable Compensation.

Receiving Equitable Compensation Funds for July 1, 2015 – June 30, 2016: None

COMMISSION ON THE STATUS AND ROLE OF WOMEN

Purpose:

*“To continue a commitment to the full and equal responsibility and participation of women in the total life and mission of the Church, sharing fully in the power and in the policy-making at all levels of church life.”
In Louisiana, we have added laity, racial/ethnic persons, and young adults to the list.*

Accomplishments and Celebrations:

- We continue to hold meetings and conversations through e-mails and calls to discuss our role as advocates for the inclusion of women in the local church, district and conference ministries and undertakings.
- We had our 2015 Annual Conference COSROW Luncheon in collaboration with the Board of Church and Society. We honored and celebrated the accomplishments of women in the following categories;
 - i. 1 ordained as an Elder in Full Connection and 1 ordained as a Deacon in Full Connection
 - ii. 5 commissioned as Provisional Elders
 - iii. 3 women completed the Course of Study
 - iv. 7 were licensed as First Time Local Pastors and 1 was certified as a Lay Minister
- We presented our annual Sojourner Truth Award to Evelyn Cloutman a member of First UMC Lakes Charles in the Lake Charles District. This was in recognition of her outstanding advocacy ministry with the less privileged in her community.
- In lieu of gifts to the clergy women we honored, we sent \$100.00 scholarships to both Centenary College and Dillard University. These are to be awarded to a female student with a financial need and intends following a career in Church ministry.
- The COSROW chair, Eunice Chigumira was among the Louisiana Annual Conference group that attended the October 2015 DO NO HARM UMC Safe Sanctuary Global Conference in Chicago.

Goals that are priority for the upcoming year:

1. To continue advocating for diversity in candidacy for any ministry and clergy mentors. We would love to see a good representation of diversity in age, race and ethnicity of all persons.
2. To advocate for more support for clergy women as regards the challenges they encounter in their ministry settings.
3. To be involved in justice issues and speak against human trafficking and women abuse. Collaboration with the Board of Church and Society and UMW is encouraged.
4. To advocate for inclusiveness in our Annual Conference Meetings through monitoring who gets to speak.
5. To hold the traditional Annual COSROW Luncheon at conference on Friday, June 10, 2016 at 12:00 noon in the Whited Room. At the luncheon we will once more recognize women who have accomplished a milestone in ministry. The guest speaker will be Rev. Trina Williams the pastor of St Marks UMC in the Alexandria District.
6. To continue awarding the “Sojourn Truth Award” as before.

Concerns and Challenges:

To continue to finding ways getting more people to participate in advocacy work in social issues that impact women and the less privileged.

COMMUNICATIONS COMMITTEE

Through a variety of media vehicles, the work of the Communications Department of the Louisiana Conference Office has focused on telling the conference ministry stories that show our conference churches leading others into abundant life in Christ; engaging with local and global communities; learning, living and telling the gospel story; and reaching out and drawing in people from all walks of life.

Re-vamping one of those important media outlets—the Louisiana Conference website—was perhaps one of the major accomplishments of the Communications Department in 2015. Through this process, we worked closely with Brick River to create a design that was more user-friendly and modern in appearance. Before launching, a group of pastors, lay persons and church communications specialists reviewed the design and offered constructive suggestions that helped significantly toward achieving the finished product.

The design of the homepage was created with both seekers/external and church/internal users in mind. The top of the page features a rotating carousel that is updated regularly with stories that feature the life of the church. Items about individual local church ministry boast a banner that reads “Telling the Story.” Other stories in the carousel lift up the

life of the conference and the church at large, helping seekers to learn more about United Methodism in Louisiana and throughout the denomination.

In addition to the website re-do, the Communications Director worked to assemble a group of presenters for a Conference Communications Workshop, live-streamed in April of 2016 from Grace Community UMC. Designed to help our local churches improve their communications efforts, topics covered Creating a Church Communications Plan; Effective Web Design; Effectively Using Email, Texting and Facebook; and Technology in Worship

The department continues to “Tell the Story” of the Louisiana Conference through features that are communicated through conference and denominational media; daily Facebook posts; a weekly e-letter; and the Louisiana Now, a quarterly magazine. At the most recent United Methodist Association of Communicators annual meeting, the *Louisiana Now* magazine achieved top honors by receiving a First Place award in the Conference Division. In addition, Betty Backstrom, editor of *Louisiana Now* and Director of Communications for the conference, received four first place awards and one second place award for writing.

COMMITTEE ON EPISCOPACY

The Louisiana Conference Committee on Episcopacy’s work has been to support and be in general conversation with Bishop Cynthia Fierro Harvey regarding her leadership in the Louisiana Conference. In this fourth year of her first quadrennium in the episcopal role, we have also been part of the South Central Jurisdiction Committee on Episcopacy’s process of assessment and discernment of leadership needs and resources across the Jurisdiction.

To fully align our work and direction with our identified mission, vision, and core values, continues to stretch our assumptions and take us well out of our comfort zones, but certainly is closer to the heart of our call and purpose. Bishop Harvey shares with the Louisiana COE some of the thought process and intention she and Conference leadership are taking, in addressing these challenges and opportunities.

We are fortunate to have Bishop Harvey’s courageous and engaging leadership in Louisiana, and are proud that she has been asked to be one of the preachers for General Conference 2016 in Portland, Oregon.

EPISCOPAL RESIDENCE COMMITTEE

The Episcopal Residence has served as host to many gatherings including young clergy, the Cabinet, pastors of large churches, the Committee on Episcopacy as well as others, and has served the episcopal family well for family gatherings and celebrations.

During the past year, several small household items have been repaired and drapes have been added to the front rooms. Plans include adding a backup generator to provide power during outages.

We use our financial resources to create our preferred future not only in local communities in Louisiana but around the world. The CFA and the Treasurer/Executive Director of Administrative Services' office are available to assist local church pastors and officials any way they can. If you wish further explanation of the Conference Budget or any specific apportionment within it, please call or write the Treasurer/Executive Director of Administrative Services.

2. The Council reminds all congregations of the importance of STEWARDSHIP in the life of all Christians. Christ calls His disciples to give as an act of worship of God. We are called to be stewards of all that God has given to us. Paragraph 630.5e of the 2012 Discipline lists among the responsibilities in the area of Stewardship of the Conference Discipleship Team, "To educate the local church that tithing is the minimum goal of giving in the United Methodist Church". CFA calls upon the Conference Discipleship Team and the District Ministry Teams to consider methods of assisting our congregations in developing a process of education in a theology of stewardship and to work with the United Methodist Foundation in this regard. The intent of this request is to enhance the spiritual growth of our members and the ministry of our local congregations, our members, our Conference and our world ministries through the United Methodist Church.
3. The Council recommends a continued emphasis by all churches on Advance Specials, both General Advance and Conference Advance Specials. All churches are to pay in full their designated apportionments before appropriating funds for second-mile projects.
4. Support for Mt. Sequoyah, the South Central jurisdiction Conference and Retreat Center, and LA Annual Conference camps (Caney, Istrouma and Uskichitto) are included in the Annual Conference Budget for 2017 as an apportioned item and will no longer be raised by the districts of the Annual Conference.
5. Whitney National Bank and J. P. Morgan Chase Bank are designated as the principal depositories for general operating funds of the Louisiana Annual Conference. All cash flow, contingency and surplus funds shall be invested with the United Methodist Foundation. Authority to open accounts is given to the Conference Treasurer/Executive Director of Administrative Services and the President of the Council on Finance and Administration of the Louisiana Conference. Authorized signatures on the accounts and deposit boxes are to be: Conference Treasurer/Executive Director of Administrative Services, representative(s) of the CFA designated by CFA, designated conference office director(s) and employees as named by CFA, and the Senior Pastor of First UMC, Baton Rouge.

6. The Council has contracted with Bourgeois Bennett, Certified Public Accountants of New Orleans, to audit the books of the Executive Director of Administrative Services/Treasurer. The auditor's report for the year ending December 31, 2015, is included in the Treasurer's Report found in this report.
7. The Council recommends that the pastoral charge consider for each clergy a vouchered amount of \$7,200 for Pastor's Travel/Professional Expense and an amount of \$7,200 for Utilities/Furnishings Expense.
8. The Council recommends that the local churches reimburse the moving expenses of incoming clergy up to \$6,000 in accordance with a policy, which can be obtained from the Conference Treasurer/Executive Director of Administrative Services. Churches are asked to budget this amount each year. Money not used for moving should be placed in an escrow account to assure such funds are available when needed. When the recommended amount is exceeded by the incoming clergy, that clergy is to pay the additional costs.
9. The Council recommends that the Pastoral Charge pay the Travel, Housing and Meal expenses of its Annual Conference Members (Lay and Clergy) to attend the Annual Conference Session.
10. The Council reminds the clergy of the Annual Conference who will move to another charge that they are to accept salary and expense reimbursement (including Annual Conference reimbursements) through the end of the conference year (June 30) from the charge they are presently serving. The salary, benefits and expenses paid at the new charge begin July 1.
11. The Council recommends that all clergy under appointment be compensated semi-monthly.
12. The Council reminds all churches that they are to issue a W-2 form (and not a Form 1099) for clergy appointed to the church. Churches and clergy are also reminded that bonuses and gifts are to be included on W-2 forms.
13. The Council reminds churches that they are not required to withhold and remit income taxes for the clergy person, although a clergy person can request such withholding. Churches and clergy are also reminded that FICA (Social Security and Medicare) taxes are never to be withheld for clergy. Churches are also reminded that in the event an individual who is a lay person is appointed to serve a church on a supply basis, the individual is not to be considered clergy, is not to receive housing or utility allowances, and is to be treated as any other lay employee with income taxes being withheld and remitted; in addition FICA (Social Security and Medicare) taxes must be withheld and remitted for the employee portion and FICA (Social Security and Medicare) taxes must be paid for the employer portion.
14. Only Accountable Reimbursable Plans are to be used for Clergy Compensation set after January 1, 2015, and there will not be any non-accountable reimbursements for clergy for clergy compensation set after January 1, 2015.
15. In order to comply with the federal income tax regulations, we recommend that the Annual Conference declare by adoption of this report that the utilities and other housing expenses on the Conference Clergy employees' residences and the district parsonages to be a part of their cash compensation as "Housing Allowance."
16. The Council points out to churches that the Louisiana Legislature amended the sales tax provisions in Acts 25 and 26 of the 2016 regular session to require churches to collect and remit sales taxes on the sale of many items that were not required in the past. At Annual Conference, it was announced that there was legislation pending regarding this matter. At the 2016 2nd Special Session, the Louisiana Legislature changed the sales tax law again, removing this requirement for churches and religious organizations to collect and remit taxes; they were also exempt from additional legislation requiring non-profits to keep records on activities even if no sales taxes had to be remitted.

REPORT II

Note – the Budget and notes have been amended to reflect not only the action of the 2016 General Conference, which were known at the time of Annual Conference, but also those of the 2016 South Central Jurisdictional Conference, which was held the month after the Louisiana Annual Conference. At Annual Conference, the adopted matters regarding budget and apportionments were adopted subject to changes required by actions of the South Central Jurisdictional Conference.

1. The Council presents an APPORTIONMENT of \$7,625,591 to the Annual Conference for adoption in accordance with the General Budget for 2017 that begins on the next page. The apportionment for 2016 was \$7,614,430; thus, there is an increase of \$ 11,161 in the Apportionment from 2016 to 2017, which consist of an increase of \$36,992 in apportionments from the General Church, an increase in South Central Jurisdictional apportionments of \$7,814 and a decrease in the Conference budget of \$33,645. Also, the total district budgets will decrease because camps are being apportioned through the LA Annual Conference budget this year, and there will be no more Mount Sequoya apportionments since the South Central Jurisdiction divested itself of Mount Sequoya.

NOTES TO BUDGET PROPOSAL:

- a. The budget is reformatted from the way it has been presented in prior years to reflect the reorganization of the Conference, which becomes effective July 1, 2016. Both program dollars and personnel costs are divided into the various circles of the reorganization: Congregational Vitality, Clergy Excellence, Bishop and Cabinet, and Administrative Ministries.
- b. The amounts listed for the **General Church and Jurisdictional Apportionments** are provided by the General Council of Finance and Administration and the office for the South Central Jurisdiction. The amount for Jurisdictional Apportionments changed after Annual Conference because of action taken at the South Central Jurisdictional Conference held in July 2016; it was anticipated that the amount might change and, thus, the action taken at Annual Conference was taken to incorporate any changes required by action taken at Jurisdictional Conference.
- c. In 2016, support for **Mt. Sequoya** was apportioned through the district apportionments; the amount was \$12,110. It was originally anticipated that this would be apportioned through the Annual Conference budget in 2017. However, the South Central Jurisdictional Conference voted to divest the Jurisdiction's interest in Mount Sequoya and, thus, no apportionments are due for this line item.
- d. The 2011 Annual Conference recommended that the budget for **Church Planting and Church Revitalization** be 10% of the total Annual Conference Budget and that the amount allocated be increased by 12.5% per year until this 10% figure was reached.
- e. Under the reorganization, the **Mission & Mercy Ministries Team** has responsibility for the ministries done by the following former committees, commissions and boards: Christian Unity and Interreligious Concerns, Church and Society, COSROW, Global Ministries, Religion and Race, Multicultural Ministries and Volunteers in Mission.
- f. **Camping Ministries** financial support has been apportioned through the district budgets in the past. There will be no apportionment through the districts for Camping Ministries in 2017. The amount apportioned here is the total amount apportioned through the districts in 2016 (and for many years prior to that).
- g. The **Board of Higher Education & Campus Ministry** agreed to return to funding at the 2015 level.
- h. **Communications Ministry** includes the amounts budgeted in 2016 for LA Now and Internet Ministry.
- i. The Annual Conference has approved a multi-year plan for the Conference support for **Centenary College and Dillard University**. These plans establish two endowments with the Louisiana United Methodist Foundation. Over the course of several years, the Conference would continue an apportionment for Centenary College and Dillard University, but with a portion of the apportionments going directly to the Colleges and a portion going into the endowments for the Colleges. When the endowment reaches \$1,000,000 for Centenary College and \$250,000 for Dillard University, an annual income draw as determined by the United Methodist Foundation for endowments would be sent to the colleges. The Conference apportionment would then be set at a level of \$250,000 per year for Centenary College and \$50,000 per year for Dillard University; plus they would receive the income from the endowment. Individuals, churches, and other groups are encouraged to add to the Endowment fund through direct contributions, estate planning, deferred giving, or other means of gifting. The funds provided to the colleges, both directly and through the endowments, when available, will be used at the discretion of the colleges and not considered "designated funds" for any specific program. The plan for funding **Centenary College** will be reached at the end of 2016, and thus, the apportionment is reduced for 2017 according to the schedule below.

The schedule for Centenary College is as follows:

| Year | Apportioned | Sent to Centenary | Endowment Fund |
|-------|-------------|-------------------|----------------|
| 2011 | \$700,000 | \$650,000 | \$50,000 |
| 2012 | \$700,000 | \$600,000 | \$100,000 |
| 2013 | \$650,000 | \$500,000 | \$150,000 |
| 2014 | \$600,000 | \$400,000 | \$200,000 |
| 2015 | \$550,000 | \$300,000 | \$250,000 |
| 2016 | \$500,000 | \$250,000 | \$250,000 |
| 2017 | \$250,000 | \$250,000 | \$0 |
| 2018 | \$250,000 | \$250,000 | <u>\$0</u> |
| Total | | | \$1,000,000 |

The schedule for Dillard University is as follows:

| Year | Apportioned | Sent to Dillard | Endowment Fund |
|-------|-------------|-----------------|----------------|
| 2013 | \$86,000 | \$36,000 | \$50,000 |
| 2014 | \$86,000 | \$36,000 | \$50,000 |
| 2015 | \$86,000 | \$36,000 | \$50,000 |
| 2015 | \$86,000 | \$36,000 | \$50,000 |
| 2017 | \$86,000 | \$36,000 | \$50,000 |
| 2018 | \$50,000 | \$50,000 | \$0 |
| Total | | | \$250,000 |

- j. The Annual Conference made a pledge to **Africa University** for \$1,000,000. The conference began an apportionment for this line item in 2014 of \$200,000 per year until the pledge is fulfilled.
- k. **Center for Clergy Excellence Programming** includes money for new work in this ministry area and also work that was previously budgeted under the name of the Center for Pastoral Excellence.
- l. In 2016, the **Board of Ordained Ministry** in 2016 used reserve funding for a portion of their work. In addition to the amounts listed on this line, the Board also received 25% of the General Church Ministerial Education Fund apportionment (listed under the General Church apportionments). The portion listed on this line of the 2017 Budget was listed on the 2016 Budget as part of the Pastoral Care Fund line item. See Note m.
- m. The **Administrative Leave Suspension Fund, Board of Ordained Ministry, Clergy Transition, Conflict Resolution, General Jurisdictional Delegate Expense and Response Team** were all part of the Pastoral Care Fund budget line item in the 2016 Conference Budget. In addition, the 2016 Conference Budget Pastoral Care Fund included \$1,000 for Employee Dishonesty Bond, which is not included within the line item for **Property & Liability Insurance**.
- n. The **District Superintendent Fund** increase includes a salary increase of 1.97% salary for the District Superintendents as per conference rule, a projected 5% increase in health insurance, a charge of the data base software fee (previously apportioned through the districts), and an amount for moving expenses (to be used or to develop the moving reserve fund as churches are asked to do).
- o. **Miscellaneous Office Expense** includes the line items from the 2016 budget of Finance Office Expense, Conference Ministry Programming, Contingency and Missional Staffing.
- p. **Total budget for salaries, benefits and travel reimbursements** for clergy and lay staff for 2016 was \$1,242,525. When the 2016 budget was prepared, there was a division as to how the total salary amount would be allocated under the new structure; travel was also not included in the staffing budget for all lay staff positions. Total budgeted salaries, benefits (including health insurance) and travel reimbursements for all clergy and lay staff for 2017 is \$ 1,250,455, a difference of \$7,930, or .0064% increase. The positions budgeted under each area of ministry in 2017 are:
 - Congregational Vitality
 - Clergy – Director of connectional Ministries and Congregational; Director of Communications Strategies; Director of Congregational Development (expenses only, no salary or benefits)
 - Staff – Assistant for the Center of Congregational Vitality; Youth Ministry Strategist ½; Communication Liaison ¼
 - Clergy Excellence
 - Clergy – Director of Clergy Excellence ½; Director of Center for Pastoral Effectiveness; Coordinator of Conference Board of Ordained Ministry
 - Staff – Assistant for the Center of Clergy Excellence ¾

- 2. All remittances for 2016 must be received in the Office of the Conference Treasurer/Director of Administrative Services on or before 4 pm on January 9, 2017.

3. The Annual Conference grants permission to Centenary College and Dillard University to make an appeal for every church in the Conference to send a “paid student” to the institutions.
4. The Treasurer/Executive Director of Administrative Services is authorized to pay from the District Superintendents’ Fund for expenses of Cabinet Meetings. The Executive Director of Administrative Services/Treasurer of the Conference is authorized to pay from the District Superintendent’s Fund to the Pension Fund an amount for each District Superintendent to meet the General Board of Pension requirement and an amount for the billings for the Conference Health Plan.
5. The base salary of all the District Superintendents shall be equal throughout the Conference. Since District Superintendents are appointed by the Bishop as officers of the Conference, their salary, travel expense, utilities allowance, housing allowance, professional expenses, and the Conference health insurance premium shall be paid by the Annual Conference. We recommend the following income be paid to the District Superintendents from the District Superintendents’ Fund: Base Compensation for 2017, \$ 95,123 (see Conference Rules for the rule concerning salary) and utilities/furnishings - \$7,200. A total pooled amount of \$27,000 to be drawn by voucher and used for professional expenses that the District Superintendents incur in carrying out the responsibilities of the office and an automobile travel reimbursement expense for each District Superintendent to be drawn by voucher at the current IRS standard mileage reimbursement rate from a total pooled budget of \$88,375 shall be paid from the District Superintendent’s Fund. On the compensation forms of the individual district superintendents, these amounts shall be as one line of accountable reimbursement of \$19,229.
6. The Council recommends that each district provide at least three-fourth time secretarial help for the District Superintendent from district budget funds. The Annual Conference requires that copies of the annual budget and audit for each district be mailed to the Treasurer/Executive Director of Administrative Services for the Council not later than April 15 following the previous fiscal year.
7. Each Council, Board, Team, Commission, Committee, etc. of the Conference receiving funding from the Conference shall designate one person, other than the chairperson, as the Finance Officer. The Finance Officer shall keep for that board or agency a current record of financial transactions involving the budget receipts and expenditures for that body. The Finance Officer shall receive all vouchers from members and shall approve and submit them to the Treasurer/Executive Director of Administrative Services. Vouchers must be specific, in detail, accompanied by the appropriate receipts, and must bear the signed approval of the Finance Officer. The Finance Officer shall in turn submit them to the Conference Treasurer/Executive Director of Administrative Services within three weeks. In order to assist the Treasurer/Executive Director of Administrative Services to close the books and set up books for a new fiscal year, all Finance Officers must have final vouchers of said entity in the Finance Office by 4 pm on December 12, 2016.

OFFICIAL VOUCHER POLICY FOR CONFERENCE BOARDS AND AGENCIES:

- **Voucher** - A Form for travel reimbursement can be obtain on the Conference Web-site or from the office of the Treasurer/Executive Director of Administrative Services.
 - **Travel** – Within the State of Louisiana – Travel Expense for Conference Councils, Boards, Teams, Commissions and Committees and Agencies is set at a maximum of 25 cents per mile. When three or more members are traveling together, a maximum of 30 cents per mile will be paid. Regardless of the mode of travel used, the maximum of 25 cents per mile will still apply. Beyond the state, the most economical mode of travel must be used with this provision: That an amount of \$500 per year be the normal limit for reimbursable travel expense for members of Louisiana councils, boards, teams, commissions and committees who reside outside the state boundaries to attend regular meetings of their conference entity. This limit applies to funds that come from conference line item budgets or reserves of the Annual Conference. A Conference agency may vote to increase this amount if the members choose to make an exception due to the specific need for participation by a particular member. This limit applies only to travel and not to per diem lodging and meal costs. Air travel must be supported by the air ticket stub and must be the cheapest available for reasonable times of travel
 - **Lodging and Meals** – Reimbursement for lodging expenses will be made for the actual amount of expenses incurred. Moderately priced hotel or motel accommodations must be used. An itemized bill must accompany the request for reimbursement. Reimbursement will be made for meals for the actual expense incurred, but not for entertainment or room service. Any meals exceeding \$5 must be supported by an itemized receipt (this includes that if there is room service on a room the itemized bill for the room service must be submitted, not just a hotel bill stating room service). Those submitting vouchers for hotel and food reimbursements are to use good stewardship to keep costs at a minimum.
8. All institutions and agencies receiving funds from the Annual Conference are required to submit a financial statement at the end of each calendar year. (See Discipline and Conference Rules for Rule on Annual Audits.)

9. A balance at the close of the fiscal year in any budget line item or any funds collected shall be closed into a Reserve Fund for the area (Congregational Vitality, Clergy Excellence, Administrative Ministries, and Bishop and Cabinet) until the reserve reaches 25% of the Total Budget for the Area for that Conference Year. Exceptions to this rule (meaning the funds are kept in a separate reserve) are: (a) Funds donated for specific purposes (e.g., Special Sunday offerings designated for Annual Conference use, Minister Emergency Funds, the 25% portion of the Minister Education Funds designated for the Board of Ordained Ministry, etc.); (b) Funds self-generated by a program through fees charged (e.g., certain Spiritual Academy programs, VIM trips); (c) Funds budgeted and approved by CFA as a multi-year project; (d) and Budget Line Items and Funds approved by CFA to have continuing reserves (e.g., Board of Congregational Development Church Planting Ministry & Church Revitalization Ministry, Building Fund, Chancellors Fees, Clergy Defense Fund, Board of Higher Education, Board of Ordained Ministry, etc.), which approval can include a maximum dollar amount. The head of the areas of Congregational Vitality, Clergy Excellence and Administrative Ministries may approve expenditures from the Reserve Funds for these areas. The Bishop or the Dean of the Cabinet may approve expenditures from the Bishop and Cabinet area. Any amount left in the budget line items over and above the amounts for the above reserves shall be moved into the Conference's Contingency Reserve Fund to help build a fund that could be used in a future need, including a disaster or catastrophe such as another hurricane or gulf oil spill, or liabilities that are a result of severe market decline, lawsuit, litigation, etc. The Annual Conference shall continue to place in the Contingency Fund of the Annual Conference all interest from the invested funds of the different reserve funds, unless CFA grants an exception to this requirement. The Council shall use the Investment Committee of the Louisiana United Methodist Foundation to assist in the investment of conference funds. Local churches and conference institutions shall consider using the Foundation for the investment of their funds. CFA has the authority to realign all reserve balances as of December 31, 2015 and June 30, 2016 in accordance with the Reorganization Plan and the above stated policy on reserves.
10. Support for Louisiana Annual Conference Wesley Foundations is provided in the Conference Budget and apportionment. Amounts of the funds to be given to each individual Wesley Foundation will be determined by the Board of Higher Education and Campus Ministry.
11. Monies received through apportionments will be allocated to individual line items in the budget according to the percentage of the total budget for that line item. CFA may change this process of allocation during the year for exigency circumstances.
12. The following procedure is to be used for selecting and continuing with a Conference property/liability insurance broker:
 Brokers' selection is to be based on accessibility, reputation, selection of carriers, cost of product and knowledge of product including United Methodist General Church Insurance. An Advisory/Search Committee of the Council on Finance and Administration will publicize through the *Louisiana NOW* when new opportunities or bidding on Conference insurance are available.
 After a broker is selected, the broker will normally be retained for a minimum of three years. This term is considered beneficial because of the multi-faceted types of coverage necessary for a variety of persons, property and equipment. If the selected insurance broker's services are considered unsatisfactory or rates are considered excessive during a three-year cycle, the relationship may be terminated and the broker replaced.
 The new selection procedure became effective January 1, 1995. This selection is to be utilized for each three-year cycle thereafter. The Advisory/Search Committee members will be the President of CFA; the Executive Director of Administrative Services/Treasurer, the Cabinet liaison to CFA; a representative of Conference Board of Trustees; and one other selected by the President of CFA.
13. The Council on Finance and Administration reminds all persons, clergy and lay, handling funds in local churches to adhere to Paragraph 258.16.4(f) of the 2012 *The Book of Discipline* which states:
 "Contributions designated for specific causes and objects shall be promptly forwarded according to the intent of the donor and shall not be used for any other purpose."
 This reminder is made by CFA although local churches and institutions are presently and have always been responsible for the proper use of funds.

14. The Council reports the following special grants were approved from the General Contingency Fund:
 2015

| | |
|---|-----------|
| Bishop Tenure Gift (2013, 2015, 2016) | \$6,000 |
| Director's Housing Expense 2015 (budgeted in 2016 & beyond) | 16,000.00 |

2016

| | |
|---|----------|
| "We are More" General Conference Information Campaign | \$10,000 |
|---|----------|

15. When Annual Conference property is sold the proceeds of the sale are to be distributed as follows (1) costs of the sale (2) expenses that were incurred by the Annual Conference or districts in maintaining the property between the time the Annual Conference assumed responsibility until the sale (insurance, maintenance, yard maintenance, etc.); (3) legal fees incurred by the Trustee (4) if property from a church, any arrearages of the church in the following order – pension, health insurance and apportionments. The net proceeds are then to be deposited in accordance with the Discipline and Conference policy.
16. The following guidelines for investments are to be used:

**COMMITTEE ON FINANCE AND ADMINISTRATION
FUND MANAGEMENT GUIDELINES**

The Administrative Services Office of the Louisiana Annual Conference serves as an administrator for funds deposited with it by agencies under the jurisdiction of the Louisiana Annual Conference (LAC). The LAC maintains oversight on these assets according to the Book of Discipline of the United Methodist Church. Prudent management of the LAC assets requires a carefully conceived investment strategy individually designed to obtain a total return (aggregate return from capital appreciation and dividend and interest income) necessary to preserve and ideally enhance the principal of such funds.

In addition to identifying factors that the LAC must consider in making management and investment decisions, The Uniform Prudent Management of Institutional Funds Act (UPMIFA), adopted by Louisiana Legislative Act 168 in 2010, requires a charity and those who manage and invest its funds to:

- give primary consideration to donor intent as expressed in a gift instrument;
- act in good faith, with the care an ordinarily prudent person would exercise;
- incur only reasonable costs in investing and managing charitable funds;
- make a reasonable effort to verify relevant facts;
- make decisions about each asset in the context of the portfolio of investments, as part of an overall investment strategy;
- diversify investments unless, due to special circumstances, the purposes of the fund are better served without diversification;
- dispose of unsuitable assets; and,
- develop an investment strategy appropriate for the fund and the charity.”

Allocation of assets should be determined for each specific investment based upon the short and long term needs of the funds being invested for each agency of the LAC. The mix of investments styles chosen should maximize the return to the fund and balance market expectations. Agency funds that are expected to be permanent in nature should be invested in an allocation of medium to long term strategies composed of a mix of both equities and fixed income. Expected distributions from those agency funds should be held separately in a money market type investment. The LAC should review the investment time horizon/duration for those funds at least annually and make changes as appropriate. Although each agency fund individually will be comprised of various investments, when taken together as a portfolio, should provide a reasonable return while offering protection from inflation.

CFA encourages the use of our LA Conference United Methodist Foundation for investment purposes. In general, the CFA recommends use of the Fixed Income Fund at the UMF for all short term funds where it is expected the monies may be needed for disbursement in the near future. The CFA recommends use of the Balanced Fund or the Equity Fund at the UMF for long term funds that are more permanent in nature, and for funds where it is not expected that the monies will need to be disbursed in the near future.

17. CFA nominates Jan Holloway Curwick as Treasurer of the Louisiana Annual Conference for the next Quadrennium, Beginning of the Conference Year for 2016- End of the Conference Year in 2020.

REPORT THREE

CFA was asked to make a recommendation regarding the net proceeds from the sale of the Lafon Home (after all claims and expenses had been paid by the Conference Board of Trustees). CFA recommends that these net proceeds be used as follows:

- \$250,000 be allocated to the Board of Congregational Development for ministry in the 7th Ward of Louisiana
- \$250,000 be allocated to the Contingency Fund of the Louisiana Annual Conference

- The remaining proceeds deposited at the United Methodist Foundation in a separate account and that the income of said fund for a year be paid annually in January of the following year to the Louisiana Annual Conference for allocation and use for grants and projects, one-half by the Board of Congregational Development and one-half by the Mission and Mercy Ministry Team. In granting and using these funds the Board of Congregational Development and the Mission and Mercy Ministry Team should prioritize ministry in the New Orleans area, ministry in the African-American context, ministry in urban settings, and ministry with people of poverty; this is not to exclude other ministries but to honor the legacy of the Lafon Home.

INDEPENDENT AUDITOR'S REPORT

To the Council of Finance and Administrative Services,
Board of Trustees of the Louisiana Annual Conference of the
United Methodist Church, South Central Jurisdiction -
Finance and Administrative Services,
Baton Rouge, Louisiana.

Report on the Financial Statements

We have audited the accompanying financial statements of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Finance and Administrative Services (the "Finance and Administrative Services"), which comprise the statement of assets and net assets - modified cash basis as of December 31, 2015 and the related statement of revenues, expenses, and changes in net assets - modified cash basis, for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2a; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion of these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction - Finance and Administrative Services as of December 31, 2015, and its revenues, expenses, and changes in net assets for the year then ended in accordance with the modified cash basis of accounting as described in Note 2a.

Correction of Errors

As discussed in Note 3, to the financial statements, certain errors resulting in previously reported net assets and investments as of December 31, 2014, were discovered by management during the year ended December 31, 2015. Accordingly, the amount of net assets as of December 31, 2014 has been restated to correct the errors. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The statement of revenues, expenses, and changes in net assets - modified cash basis - by fund for the year ended December 31, 2015 on pages 16 through 17 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Basis of Accounting

We draw your attention to Note 2a to the financial statement, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS -
MODIFIED CASH BASIS

Board of Trustees of the
Louisiana Annual Conference of the United Methodist Church,
South Central Jurisdiction - Finance and Administrative Services
 Baton Rouge, Louisiana

December 31, 2015

Note 1 - ORGANIZATION AND NATURE OF ACTIVITIES

The accompanying financial statements of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction Finance and Administrative Services (the "Finance and Administrative Services") include the assets, net assets, and the financial activities of all administrative and program offices and departments maintained and directed by the Council on Finance and Administrative Services of the Board of Trustees of the Louisiana Annual Conference of the United Methodist Church, South Central Jurisdiction, a Louisiana corporation (the "Louisiana Annual Conference"). The Louisiana Annual Conference is one of 57 Annual Conferences of the General Conference of the United Methodist Church in the United States. The purpose of the Finance and Administrative Offices is to develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures, and management services for the Louisiana Annual Conference. The Louisiana Annual Conference and therefore the Council cannot financially obligate any organizational unit of the United Methodist Church except the Louisiana Annual Conference itself. Operating support is derived primarily from apportionments to the 489 churches located in Louisiana, contributions, interest on cash balances, and investment earnings.

The activities of churches, districts, the United Methodist Foundation of Louisiana, the Board of Pensions, charitable institutions, and other distinct operating entities, which operate within the Louisiana Annual Conference ("non-combined affiliated entities"), have not been included in the accompanying financial statements.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The accompanying financial statements of the Finance and Administrative Services have been prepared on the basis of cash receipts and disbursements with the following exception:

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

a. Basis of Accounting (Continued)

- Investments are recorded as an asset and are carried at fair market value.

The modified cash basis of accounting differs from accounting principles generally accepted in the United States of America primarily because the Finance and Administrative Services has not recognized contributions receivable, interest receivables, and payables for grants, salaries and wages, payroll taxes and other expenses and their related effect on the change in net assets.

b. Basis of Presentation

Net assets, revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Finance and Administrative Services and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations. The Board has designated unrestricted net assets for the following purpose:

| | |
|--|-------------------|
| New Church Starts not yet initiated | \$ 811,069 |
| Loans outstanding for existing Church Starts | <u>56,704</u> |
| Total New Church Starts / | |
| Church Extension Ministry funds | <u>\$ 867,773</u> |

Temporarily Restricted Net Assets - Net assets specifically stipulated by the grantor or donor to be used for a certain purpose or to benefit a specific accounting period. The Finance and Administrative Services had no temporarily restricted net assets as of December 31, 2015.

Permanently Restricted Net Assets - Net assets that are subject to donor-imposed stipulations that the principal not be expended, but rather invested to provide a permanent source of income for the Finance and Administrative Services. The Finance and Administrative Services had no permanently restricted net assets as of December 31, 2015.

c. Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and disclosure of contingent assets

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c. Use of Estimates (Continued)

and liabilities, as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period, and disclosures in the financial statements. Actual results could differ from those estimates.

d. Cash and Cash Equivalents

The Finance and Administrative Services considers all highly liquid investments with an initial maturity of three months or less, including sweep accounts which are overnight repurchase agreements, to be cash equivalents.

e. Investments

The Finance and Administrative Services records investments in the investment pool at fair value in the Statement of Assets and Net Assets - Modified Cash Basis. Unrealized gain and losses are included in the change in net assets in the accompanying Statement of Revenues, Expenses, and Changes in Net Assets - Modified Cash Basis. Unrealized gains and losses on investments are recorded as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or law. Interest earned on donor restricted investments is reported based on the existence or absence of donor-imposed restrictions. Realized gains and losses on the sales of securities are reported based on activity of the pooled investments. A decline in fair value of investments below cost that is deemed to be other than temporary, results in a charge to the change in net assets and the establishment of a new cost basis for the investment.

f. Sources of Revenue

Churches in the Louisiana Conference are required to remit their apportionments to the Finance and Administrative Services to support the programs of the United Methodist Church. The apportionments are then allocated to the categories as required by the General Council on Finance and Administration and in turn remitted to the General Council on Finance and Administration. Some cash receipts and disbursements that occur after year end are recorded as transactions of the prior year to which they apply. Consequently, cash balances reported as of year-end are adjusted for subsequent receipts and disbursements that are applicable to the prior year.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

g. Donated Services of Volunteers

A substantial number of volunteers have given extensive amounts of time and services to the Finance and Administrative Services. However, no amounts are reflected in the financial statements for such services as management believes that the requirements for recording in-kind services have not been satisfied.

h. Allocated Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Revenues, Expenses and Changes in Net Assets - Modified Cash Basis. Certain expenses have been allocated among the programs and supporting services based on management's estimate of the costs involved.

i. Fundraising Expenses

All expenses associated with fundraising activities are expensed as incurred, including those expenses related to fundraising appeals in a subsequent year. For the year ended December 31, 2015, there were no fund raising expenses incurred.

j. Tax Matters

The Finance and Administrative Services is exempt from Federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code and part of a group exemption of the United Methodist Church.

Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions recognized in an entity's financial statements. These standards require an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained upon examination. As of December 31, 2015, management of the Finance and Administrative Services believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

k. Contributions and Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

k. Contributions and Revenue Recognition (Continued)

Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Revenues, Expenses, Changes in Net Assets - Modified Cash Basis as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same accounting period are reported as unrestricted support and revenues.

Interest and dividends earned on money market accounts are reported as unrestricted revenues.

Non-cash gifts received from sources such as estates and trusts are not recorded as assets until converted into cash.

l. Property, Plant, and Equipment

The Finance and Administrative Services' policy is to expense property, plant, and equipment at the date of acquisition. The property, plant, and equipment acquired by the Finance and Administrative Services have not been capitalized and are not presented as assets on these financial statements.

m. Subsequent events

Management evaluates events occurring subsequent to the date of financial statements in determining the accounting for and disclosure of transactions and events that effect the financial statements. Subsequent events have been evaluated through March 23, 2016, which is the date the financial statements were available to be issued.

Note 3 - PRIOR PERIOD ADJUSTMENTS

Net assets as of December 31, 2014 have been restated to record two investment accounts totaling \$642,424 that were not previously recorded as of December 31, 2014. Net assets as of December 31, 2014, have also been restated to reclassify \$1,033,648 of net assets that were incorrectly reported as temporarily restricted net assets. As a result of these corrections, unrestricted and temporarily restricted net assets as of December 31, 2014 were restated as follows:

Note 3 - PRIOR PERIOD ADJUSTMENTS (Continued)

| | <u>Unrestricted Net Assets</u> | <u>Temporarily Restricted Net Assets</u> | <u>Total Net Assets</u> |
|---|------------------------------------|--|-----------------------------|
| Net assets at December 31, 2014, as previously reported | \$ 5,650,343 | \$ 1,033,648 | \$ 6,683,991 |

Note 4 - INVESTMENTS

Investments as of December 31, 2015 are comprised of the following unrestricted and board designated investments:

Note 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Finance and Administrative Services has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that is observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 5 - FAIR VALUE MEASUREMENTS (Continued)

Pooled investments of the Finance and Administrative Services are maintained by the United Methodist Foundation of Louisiana. The investment pool holds investments in government obligations, corporate stocks, money market funds, mutual funds, exchange traded funds, government agency mortgage obligations, corporate and foreign obligations, collateralized mortgage obligations, asset-backed securities, common trust and commingled funds, segregated portfolio companies, and limited partnerships. The investment pool is included in Level 2 of the fair value hierarchy as the investment pool is valued using the net asset value as reported by the custodian. The net asset values are determined based on the fair values of the underlying investments. The custodian of this portfolio uses independent pricing services, where available, to value the securities included in this portfolio. If an independent pricing service does not value a security or the value is not, in the view of the custodian, representative of the market value, the custodian will attempt to obtain a price quote from a secondary pricing source, which may include third party brokers, investment advisers, and principal market makers or affiliated pricing services. If a secondary source is unable to provide a price, the custodian may obtain a quotation from the counterparty that sold the security.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Finance and Administrative Services believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis as of December 31, 2015 are comprised of and determined, as follows:

| Description | Based On | | | |
|-------------------------------|---|---|--|-------------------------------------|
| | Total Assets Measured At Fair Value | Quoted Prices In Active Markets (Level 1) | Other Observable Inputs (Level 2) | Unobservable Inputs (Level 3) |
| Pooled investment accounts | \$ 8,207,587 | \$ - | \$ 8,207,587 | \$ - |

As of December 31, 2015, there were no assets measured at fair value on a non-recurring basis.

Note 6 - CONCENTRATIONS OF CREDIT RISK

The Finance and Administrative Services has cash balances invested with several banking institutions. Accounts at these institutions are insured by the U.S. Federal Deposit Insurance Corporation up to \$250,000 per account. The balances at times may exceed federally insured limits. As of December 31, 2015, the cash balance in excess of insured amounts was approximately \$1,019,000.

The funds on deposit with the United Methodist Foundation of Louisiana, which total \$8,419,446 as of December 31, 2015, are not insured. The Finance and Administrative Services has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk.

Note 7 - PENSION PLANS

The Finance and Administrative Services contributes to defined benefit and defined contribution plans for clergy under appointment through the Louisiana Annual Conference office. The Finance and Administrative Services also contributes to a defined contribution plan for Louisiana Annual Conference lay staff with one or more years of service. All plans are administered by the General Board of Pensions and Health Benefits of the United Methodist Church, Incorporated in Illinois (the "General Board of Pensions"). The contributions for the year ended December 31, 2015 were as follows:

| | |
|-------------------------|-------------------|
| Clergy contributions | \$ 129,193 |
| Lay staff contributions | <u>30,096</u> |
| Total contributions | <u>\$ 159,289</u> |

Note 8 - HEALTH BENEFIT PLANS

The Louisiana Annual Conference provides various health benefit plans for:

- Full time Conference clergy who are under appointment at the Louisiana Annual Conference, or various other Conference office affiliates and dependents thereof
- Laity who are full time with the Annual Conference

The health plans include medical, dental, vision, prescription and Health Savings Accounts (HSA) benefits.

Note 8 - HEALTH BENEFIT PLANS (Continued)

The monthly premium for 2015 clergy is a "blended" rate of \$1,105. The rate is considered blended because the premium is the same whether the clergy needs family or single coverage. Of this amount, \$100 is paid into the employee's HSA, and the remainder is remitted to Conference Board of Pensions (CBOP) Benefit's accounts to pay benefit claims.

The Annual Conference pays for Conference lay staff health benefits in the amount of \$645 per month for single coverage. If the lay staff employee desires family/dependent coverage, then the employee is responsible for that additional cost which is \$645 per month. Additionally, the Conference pays \$100 per month into lay staff employees' HSA.

The health insurance premiums, including Health Savings Accounts amounts paid on behalf of Annual Conference staff to the CBOP for eligible participants totaled \$110,383 for 2015. District Superintendents' total health insurance premiums, including HSA amounts paid to the CBOP totaled \$79,560 for 2015.

CONFERENCE COUNCIL ON YOUTH MINISTRIES

The focus of Conference Youth Ministries is to further the mission, vision, and core values of the Louisiana Annual Conference while serving the local church in the area of Youth related opportunities.

Through Conference Council on Youth Ministries (CCYM) and/or District Council on Youth Ministries (DCYM) disciples of Christ, as well as leaders in our community and in our church, are being made and growing in their faith. In these leadership roles, adults and youth alike are given a safe space to address concerns, exercise courage, and take risks related to, but not limited to, youth ministry. Youth in these leadership roles are given opportunities to voice, discuss, and implement new ideas. Following events, evaluation allows for more discussion and assessment within the realm of offering grace and compassion to each situation and each person. Over the past year the Office of Youth Ministry (YM) has seen a tremendous increase in attendance and commitment from the youth serving in these leadership positions. The young people have said they feel as though they are part of a cohesive team, supported and encouraged in the love of Christ. We hope to continue to foster this kind of commitment in future youth leaders that enter the ministry of CCYM and DCYM.

Conference Youth Ministry events and retreats are primarily planned, organized, and implemented by the youth in leadership. These opportunities foster and enhance spiritual growth in these youth as well as those whom they lead throughout the events and retreats. It is with integrity and accountability that these youth direct and execute annual functions. It has been a wonderful experience to see youth from all over this great conference come together in praise, prayer, witness, and worship to create a connection that extends beyond these planned events.

Over the last year it has been a goal for the active youth ministries within the local churches to reach out to others in their communities or districts to create more involvement in conference and district activities. In being connected at the district and conference levels local church youth ministers and youth groups have more access to training, resources, and support from others who are in the same area of ministry as they are. These relationships emphasize our support and connectivity as the United Methodist Church, as well as keep The Office of YM informed as to how we can best serve the local churches. Through these relationships we are striving to create space for diverse demographics as well as multiple styles of worship appealing to the diversity of the conference.

We, youth and adults alike, strive for our work to be evaluated by more than the number of youth served at Conference events, but rather by the impact that our work is generating at the local church level. While the Office of YM realizes the extreme value of honoring budgets and utilizing conference supported facilities, we strive to ensure that the needs of the youth and adults who attend our events are met in a way that honors their needs and conveys the abundant life in Christ and His overwhelming love for all.

There is no doubt that the Office of Youth Ministries has seen its share of challenges, however, with each one we as a team have prevailed and grown. In 2015-2016, we served 193 participants at Junior High Retreat, 340 at Senior High Retreat, and over 400 at Youth Ignite. Although these numbers are great, we realize that one of the big challenges we face is a lack of funding for youth related ministry opportunities in so many of our smaller congregations. We continue to look for creative solutions in making ministry more affordable for disadvantaged youth and smaller churches throughout the Conference.

The CCYM worked extremely hard this year to make valuable changes in the way retreats were carried out. Teams comprised of youth leadership as well as adults recently certified, or in process, in Youth Ministry worked on writing the curriculum for this year's theme: *Rooted in Christ*. Some may be surprised, but youth sometimes push back at change just as some adults resist change. However, conference youth and adults have realized that tradition and change can be merged for wonderful outcomes. There is a bond and understanding among the youth that all gifts are welcome at the table and all have something to offer the Youth Ministry of the Louisiana Conference. We expect our next LYMO (Louisiana Youth Ministry Organization), which is our annual planning meeting in June, to overflow with risk-taking ideas that will result in new ways of sharing in ministry with one another.

Through the dedicated work of many individuals, a proposed revision to the By-Laws for the Conference Council on Youth Ministries (CCYM) and District Council on Youth Ministries (DCYM) has been accomplished and we would like Annual Conference approval of these By-Laws.

We continued to pray that the Louisiana Annual Conference recognizes the value of conference youth ministry and supports this thriving ministry by its prayers, presence, gifts, service, and witness. After reading this report, should you find yourself wondering how the Office of Youth Ministry can serve you or your church, please reach out to our office. We welcome your thoughts, ideas, and support.

Julie Lafosse, Conference Youth Strategist/Coordinator

The following are the By-Laws approved at Annual Conference 2016.

BY-LAWS FOR LOUISIANA CONFERENCE DISTRICT COUNCIL ON YOUTH MINISTRY (DCYM)

Article I Rationale

The need for District Council on Youth Ministry By-Laws exists due to the following factors:

- A.** In order to achieve effective coordination throughout the Conference in youth ministry on the conference, district and local church levels, there needs to be common district structures.
- B.** In order for the District Council on Youth Ministry (DCYM) to accomplish its work, there needs to be a basic structure that can provide direction.
- C.** In order for the DCYM to accomplish its work, there needs to be a minimum base of economic support.

Article II Purpose

The purpose of the District Council on Youth Ministry is defined as follows:

to assist local churches in ministry for, with, and by junior-high and senior-high youth more effectively; to serve as a channel of communication and involvement among the youth ministry in the local churches, the Conference Council on Youth Ministry (CCYM), and the general agencies of the church; to initiate youth programs for the district to influence the total programming of the district and conference as it relates to the concerns and needs of youth, and to take primary responsibility for promoting and raising money for the Youth Service Fund (YSF).
Paragraph 672.1, Discipline, 2012.

Article III Functions

The functions of the DCYM are basically four-fold: communicating, resourcing the local churches of the district, providing representation, and providing programming. The following functions shall be incorporated in each area:
Paragraph 672.3, Discipline, 2012

Section I Communicating:

- A.** To keep local churches informed of the work of the whole Church in youth ministry and to challenge each church to full participation.

- B.** To serve as a two-way channel of communications between the local church youth and the Annual Conference and to assist local church youth in communication with one another.

Section II Resourcing the local churches of the district:

- A.** To promote, educate, and be a resource for the Youth Service Fund, to consider sponsoring at least one district youth event to raise money for the Youth Service Fund (YSF)
- B.** To study the needs of the junior high and senior high youth ministry of the local churches in the district and help them establish and provide more effective ministry in and through the district.

Section III Providing representation:

- A.** To name two youth to the District Committee on Nominations as specified in Article V, Section C of the Louisiana Conference Structure and Rules.
- B.** To recommend to the District Committee on Nominations a youth to serve on the District Ministry Team as specified by Article V Section A.1.j and Article V Section A.3 Conference Structures and Rules. Typically, this will be the President of the DCYM.
- C.** To elect a delegate and alternate delegate to the Annual Conference in the youth category (should be a professing member of the United Methodist Church between 12 and 17 years of age on the opening date of the Annual Conference for which they are elected). These names shall be presented to the District Ministry Team/District Superintendent not later than 30 days prior to the opening date of the Annual Conference. The District Superintendent should be consulted as soon as possible if the selection of the delegate and reserve delegate cannot take place by this date. (see *Paragraph 602.4, Discipline, 2012*)
- D.** To nominate youth to serve on conference boards, agencies and similar bodies as required by the Book of Discipline and Annual Conference rules. (*Paragraph 668.1, Discipline, 2012*).
- E.** To nominate youth to serve on other district agencies, committees or similar bodies as requested.
- F.** To serve as an advocate for the free expression of youth in the district and in the local churches of the district.
- G.** Each DCYM shall elect one (1) youth YSF Chairperson, six (6) delegates to the Conference Council on Youth Ministry (CCYM) and three (3) alternative delegates to CCYM before Annual Conference each year. Youth shall have at least one remaining year of high school. Elected youth should include persons from all geographic areas of the district and shall be gender inclusive. At least 1 youth shall be an ethnic minority. (A demographically representative balance is also desirable.) If after due and extensive effort an ethnic minority cannot be found the DCYM may petition the CCYM (no earlier than LYMO) for a 1-year exemption from the minority requirement. Such exemption must be approved by a two thirds majority of those present and voting at the CCYM meeting where the exemption is being considered. Approved exemptions expire at the next Annual Conference. Exemptions may not be granted to any district for more than 2 consecutive years. Any district not granted an exemption or who reaches the 2-year limit will lose one vote until such time as minority representation is found. After approval of an exemption, the elected alternate may vote until an ethnic representative is elected. Any district granted an exemption must present evidence of their ongoing efforts to secure ethnic representation at each subsequent CCYM meeting.

Section IV Providing programming:

- A.** To plan, carry out, consult and/or delegate responsibility for all youth activities on the district level.
- B.** To cooperate with the programming and ministry of the District Ministry Team (DMT) or its equivalent as it serves to provide leadership training to persons in the district.
- C.** To provide opportunities for leadership training and spiritual growth for the youth of the district such as workshops, retreats, trips, seminars, special projects, etc.
- D.** To assist in the implementation of the program of the Annual Conference and particularly of the Annual Conference Council on Youth Ministry.

**Article IV

ACADEMY FOR SPIRITUAL LEADERSHIP

How your work has furthered the mission, vision and core values of the Louisiana Annual Conference:

The Academy of Spiritual Leadership raises up Spiritual Leaders for the Louisiana Annual Conference both Clergy and Lay.

Seventeen clergy and lay participants in the two-year six retreat process Training in Spiritual Direction and Spiritual Formation in the Congregation completed their training and joined the 125 past graduates of this ongoing continuing education program to equip Spiritual Leaders with the tools to share the Gospel story and lead others to an abundant life in Christ.

Twenty one lay and clergy shared in the annual contemplative retreat at St. Joseph Abbey to reconnect with the Ancient Spiritual Disciplines that ignite a Christian faith dedicated to the mission of the local church.

Six men and women gathered to discern a call into the vocation of representative ministry in the United Methodist Church.

Areas of needed focus for the upcoming year with desired outcomes listed;

We are in the process of reassessing direction. We may begin shortly recruiting the class for our 10th Training in Spiritual Directors and Spiritual Formation in the Local Congregation, to begin in October 2016. We are organizing supervision small groups so that we can publish a list of trained and committed Spiritual Directors who work in covenant throughout this Annual Conference.

Concerns and challenges facing the board, agency, ministry area;

Distance, time and economic factors continue to discourage people from engaging in this process. Using technology more effectively continues to be a goal.

Ministry Happens!

The Path of Spiritual Direction and Christian Formation in the Congregation: This two-year process is taught in six sessions, designed to train both clergy and lay leadership in Spiritual Direction and Congregational Christian Formation. In October 2014 we began our eighth cycle of this training with 19 participants, Wendy Miller led this retreat. Dr. Dwight Judy and Dr. Daniel Wolpert and ASL Director Rev. Frances Hooton are the instructors. During 2016 we completed the retreat cycle for the most current class. We plan to begin our ninth class in October 2016.

The Discerner's Academy: The ASL works with the Board of Ordained Ministry to enlist and recruit a new generation of Spiritual Leaders who are called for representative ministry in the church. The Discerner's Academy provides opportunities for people to gather, study, serve and worship with others who are in a season of discernment about what God is calling them to do. These retreats offer opportunities for young adults and lay people to learn the United Methodist process for becoming representative leaders and network with others who are beginning the process in this Annual Conference. This is an excellent setting for relationships of the connection to be formed and nurtured.

Contemplative Retreat: Each summer 40 men and women, both clergy and lay, who are Academy for Spiritual Leadership alumni are provided an opportunity to gather at St. Joseph's Abby in Covington to nurture and nourish their souls with an extended period of silence with attention paid to praying the hours of the day. This is their time of reflection and renewal. The Contemplative Retreat was cancelled in 2016, as St. Joseph's Abbey closed the Christian Life Center for renovations. But we are on the calendar for July 2017.

5 Day Upper Room Academy of Spiritual Formation: In 2011, Rev. Donnie Wilkinson received a short-term grant from the UM Foundation to bring this retreat to The Wesley Center. The ASL provides two honorariums for the guest speakers to defray the costs to the participants.

On-line small groups and training sessions: The ASL remains committed to using technology to help people grow in their spiritual leadership skills at home and create online leadership connections so that spiritual leaders can maximize time, energy and money. With a reassessment of direction, we plan to continue to grow this aspect of resourcing spiritual leaders in Louisiana.

Ongoing Training and Development of Spiritual Directors: In partnership with Journey Partners of Mississippi and of Texas, the Academy for Spiritual Leadership is creating a group of 12 men and women previously trained in Spiritual Direction and Spiritual Formation in the Congregation who will coordinate the supervision of the practicing Spiritual Directors of the Louisiana United Methodist Annual Conference. This training began in 2015 and will be completed in February of 2017. There will be three large group retreats over three Februarys and four additional small group retreats specifically for our team from Louisiana. Our small group leaders who are Carole Cotton Winn, William Thiele and Cherri Johnson.

As God lights our path into the future may we on occasion look back for assurance

CAMPING MINISTRIES

The Camping Ministry has furthered the mission, vision and core values of the Louisiana Annual Conference by providing sacred, albeit temporary, space for children, youth, and adults to hear the gospel of Jesus Christ, to be challenged to make a profession of faith, and to respond to the call to Christian ministry. The Louisiana Annual Conference has three camping sites: Caney Conference Center, Uskichitto Retreat Center, and Camp Istrouma.

In recent years, Gil Rendle and Lovett Weems have helped us understand that we need to shift our focus from inputs to outputs. For the Camping Ministry that means looking at not just how many children and youth participated, but what was the outcome of their experience. Figures for two of the sites were available at the time of this report. Uskichitto Retreat Center reported 475 children and youth participated in the summer camping program with 25 making a commitment to Christian faith and 49 rededications. At Camp Istrouma 1,033 children and youth participated in the summer camping program with 326 making a first time commitment to Christ. Exactly what is meant by “first time commitment” in this report is uncertain.

The camping ministry has a unique opportunity to fulfill the mission of the denomination and the Annual Conference. The mission of the denomination is “to make disciples for Jesus Christ for the transformation of the world” and that is very evident in the outputs listed above. The mission of the Annual Conference is to raise up spiritual leaders and Camping Ministry is able to significantly contribute to this through the summer camp counselors. Much of the program of each camp rests on the leadership provided by these committed and energetic young Christians. Again, the outputs speak for themselves, as one site reports that seven of their former summer counselors now serve as youth ministers in area churches. Celebrating these maturing servant leaders gives credence to the core value that the Camping Ministry “holds nothing sacred but the mission” of both the denomination and the Annual Conference.

There are two areas of focus for the upcoming year for the camping ministry. The first is to reorganize their schedule of annual site visits and meetings. They have agreed to meet at two sites each calendar year and hold two online meetings annually as well. This allows each site, including the Wesley Center, to have an onsite meeting every two years with the online meetings held in between. The second focus is to create a common-date confirmation retreat, designed especially for churches with a small number of confirmands. This is not intended to replace the conference-wide Bishop’s Day for Confirmands, but to assist youth and prepare them to participate in the Bishop’s Day event.

Each new summer camping season is an adventure in faith. It takes courage to welcome such a diverse group each week. But the site directors and their counselors willingly invest time, energy, financial resources, and most of all, their genuine Christian love, to touch the hearts and change the lives of the children and youth who come to their sites. They will all testify the reward is worth the risk.

With regard to concerns and challenges, our camps are historically concerned with long-term financial stability and capacity to adequately fund large scale renovations and capital improvements. At this time all of the sites completed the year with operating budgets in the black. Each of the sites is accountable to a Board of Trustees, which includes the District Superintendent in their respective area of the state.

CENTER FOR PASTORAL EXCELLENCE

How has your work furthered the mission, vision and core values of the Louisiana Annual Conference:

By supporting, educating, consulting/coaching, and walking alongside our clergy and congregations (and supporting our Cabinet), we are helping to make disciples of Jesus Christ for the transformation of the world.

In all of the experiences provided through The Center, in almost all of our gatherings, part of the conversation is around our core values in context of practical ministry and issues that the participants face. How do these apply and what do they look like in the given context? It is always contextual. These values involve: Integrity, accountability, exploring unrelenting love for all people, courage and risk.

Areas of needed focus for the upcoming year with desired outcomes listed:

The Center continues to change and adapt to the needs of Clergy, congregations and the Conference. Some of the ministries we plan to provide include:

- 1) Through the BOM, ministry with the RIM 1, 2 and 3 (monthly meetings and two overnight retreats);
Intention/Outcomes: To help equip our young clergy in their first years of ministry and to help them and their colleagues form community as colleagues in ministry.
- 2) Abbey Retreat for RIMs and other Clergy;
Intention/Outcomes: To assist clergy to have time of renewal after Lent and Easter, which is part of healthy rhythm in ministry.
- 3) A monthly *Leadership Resource* through The Center;
Intention/Outcomes: To encourage, inspire, challenge, and convey helpful data to clergy and leaders in the Conference and beyond. Part of the evaluation we use to assess its impact is the responses we receive from the recipients.
- 4) Clergy Peer Group(s);
Intentions/Outcomes: Research has shown that clergy in healthy peer groups make smarter decisions as leaders. These peer groups help clergy be in healthy communities that both support and challenge them. Most of all, it helps them realize that they are not alone in ministry, but have a community to walk with them. Through this time, accountability, integrity, encouragement for risk and courage, and unrelenting love for all people are always part of the conversation in context of practical ministry.
- 5) Seminar: *The Choice in Conflict Transformation and Courageous Conversations: How do we as leaders help our congregations move through conflict and courageous conversation in a positive way?*
Intentions/Outcomes: To identify key principles for leaders as he/she leads through times of high anxiety and conflict; To develop an understanding and lens for seeing and understanding the dynamics of anxiety, conflict and human relationships during tense times; To understand our unskilled reactions to anxiety and conflict; To develop and foster skilled responses, techniques and strategies to help ourselves, people and congregations grow through conflict and have those difficult conversations; To explore how our thinking and the “way of our hearts” often contribute and help create and deepen the very conflicts we are trying to avoid or solve; To learn to engage conflict well and be a catalyst that influences second level change and peace-building processes in our systems/communities in positive ways.
- 6) Transition Seminar to help clergy moving through times of change.
Intention/Outcome: To provide an environment and conversation for clergy in transition to learn, share and discover best practices for transition—both exiting and entering congregations.
- 7) 3M (Maintaining Ministers in Ministry) in collaboration with the GBOD, The Mississippi Center for Clergy Excellence and The Center for Pastoral Excellence in Louisiana.
Intention/Outcomes: To provide a space and practices for those who are involved in the Clergy Excellence movement across Conference and judicatory lines to share best practices, experiences, learning and support.

- 8) **Situational/Contextual Coaching for Clergy and Leadership.**
Intention/Outcomes: To walk with clergy and leaders, helping them to find their way forward through difficult situations in their given context of ministry. Accountability, integrity, unrelenting love for all people, risk and courage are part of the conversations applied in their context.
- 9) **Working with special projects** and situations as requested by the Bishop and Cabinet. The Center is a resource for our ministers, congregations and Cabinet as needed. The above list is a sample of some of the ministries The Center for Pastoral Excellence provides.

Concerns and challenges facing the board, agency, ministry area;

The Center is constantly discerning how to use the limited resource it has available to maximize its influence and most deepest, most helpful impact on the ministry of the LA Conference to make disciples for Jesus Christ and transform the world.

Thanks for your support and continued prayer for these ministries! Grace and Peace!

CONGREGATIONAL DEVELOPMENT MINISTRY

The Conference Congregational Development Ministry seeks to foster an apostolic spirit by working to create a culture of church planting in the Louisiana Annual Conference. Of particular importance is helping to cultivate an expectation that healthy churches multiply to create new faith communities. Our specific responsibility is to identify and equip church planters, to partner in planting new faith communities, and to help in the transformation of existing faith communities. Our aim is reaching new people with the loving grace of Jesus Christ in order to make disciples for the transformation of the world.

The purpose of the Conference Ministry of Congregational Development is to support the mission of the Annual Conference in the following ways:

1. identifying and training potential planters to establish and lead new faith communities,
2. identifying and training potential partner churches to reach new people by creating new faith communities,
3. assisting existing congregations in transformation ministries for the purpose of reaching new people,
4. assisting the District Superintendents in their work of starting new faith communities and transforming existing congregations to reach new people, and
5. coordinating the wise and strategic use of Conference resources in order to most effectively make disciples of Jesus Christ through new and transformed faith communities.

The first focus of our Congregational Development ministry this past conference year was to establish a reliable system of growth and accountability. This began with the formation of new “Congregational Development Guidelines,” which included a clear method of evaluating potential projects, qualifications for becoming a church planter, expectations of church planters, guidelines for receiving funds, and accountability in the grant process. Those guidelines are available on the Conference website and are updated annually in order to incorporate up-to-date best practices in the field of congregational development.

Second, we entered into the fall and spring with a clear objective of recruiting potential church planters and potential partnering congregations. With our Creating New Spaces events, we sought out people and congregations who may have a heart for reaching new people by creating new faith communities. Persons interested in discerning this kind of ministry were invited to the New Church Leadership Institute in Alexandria. From these conversations, we also identified churches who were seeking to engage in their communities in new ways. The Reaching New People workshop gathered 20 such churches, many of who took advantage professional congregational coaching.

We are in the midst of some exciting ongoing projects. Here's summary in the words of the pastor's leading those efforts:

- Spirit Church, New Orleans District, Rev. Hadley Edwards –The Spirit Church marched into the 7th Ward with sleeves rolled up, hearts and minds focused on the job of planting a NEW Faith Community in a neighborhood where the United Methodist Church had closed three church in the aftermath of Hurricane Katrina leaving one of New Orleans' largest economically challenged Wards without a Methodist presence. We have reached new people for Jesus Christ through our many different ministry outreaches, such as a Back to School Bash that reached over 500 children and their parents. Worship has rocked the 7th Ward from The Spirit Church's "Canvass Cathedral"—a TENT—and several persons who are new to the church by profession of faith. Other ministries include Advent Bible Study, mission projects, after school refreshments for neighborhood children, Monthly Birthday Parties for children, in the "SPIRIT" of Christmas Gifting, Nursing Home Caroling, and so much more.
- Foundry, Monroe District, Rev. Chad Brooks – Foundry launched weekly worship in August with 354 people in attendance. The message of this new-church start is "God Is Big Enough," and many of the people responding are new to church or returning after long absence. Our focus on children's ministry has been a big part of our success, and we have experienced steady growth as we continue to reach new people with the good news of Jesus Christ.
- Louisiana Avenue, Acadiana District, Rev. Robert Johnson – We began with 30 in worship and now attendance is 125-140 weekly. Our new "Impact Ministry" is mobile a worship and feeding ministry with the mission of going to street corners, parks, community events, and apartment complexes to share the gospel. Our children's ministry continues to grow, and our youth often lead the worship experience. God is using "The Avenue" to raise up new leaders. We are making a great difference in our community!
- FUMC-Lafayette (Transformation), Acadiana District, Rev. Drew Sutton – Between downtown Lafayette and the Freetown-Portico neighborhood, First United Methodist Church lives in a nutrient rich soil, full of business leaders, home owners, people on the margins, college students, and young families. The natural fertilizer of this soil...the vibrant culture of music, food, and community found in Lafayette. Our hope at First-Lafayette is to plant seeds of faith by connecting in our community and trusting that God's Kingdom will grow and transform our lives and our community. We've already begun to see these seeds emerge as energy in worship grows, as people begin imagining new ways to serve, and as new people have found a church home.
- ILove (Transformation), New Orleans District – This project began as a merger of our two Kenner churches, and the combination of Spanish-speaking and English-speaking members is giving rise to a potential multi-cultural ministry. This year, we are shifting from the new-church process to the transformation process to better resource the congregation for their mission field and to help the remaining members discern the best path forward toward vitality.

New this year is a partnership with APEX (Always Pursuing Excellence) in the Central City area of New Orleans. This ministry, led by Rev. Lisa Fitzpatrick, is serving young people and is an exciting example of a new faith community growing from a fresh vision of what "church" can look like in a non-traditional setting. We have several more potential projects in the "development phase," some of which could come online in 2017. These include potential multi-site or satellite campuses of existing churches, shared ministries among several churches, and the creation of some non-traditional faith communities in settings throughout the Conference.

Our Congregational Development ministry needs the creative thoughts and intentional prayers of everyone in the Conference. The priority is reaching new people and sharing the love of Christ in an ever growing mission field. Your creativity is always welcome. If you have ideas or questions concerning congregational development, email cannon@la-umc.org.

AFRICA UNIVERSITY

Africa University will celebrate its 25th Anniversary in 2017. Over those years it has developed as a symbol of hope and promise for the continent of Africa. AU traces its history from Bishop Joseph Crane Hartzell. During a visit to the Methodist Mission Center and primary school, Old Mutare in what is now Zimbabwe Bishop Hartzell looked over the rich land beyond the school and saw a vision of youth coming from all over Africa to be educated to be leaders in their home countries, taught to live together under God's love and care. That dream became a reality with the building of AU through a decision of the General Conference in 1988.

Since its beginning, AU has already fulfilled the vision of providing leadership to the nations of Africa. There are 26 individual African nations that are represented in the students and faculty of the school. The graduates throughout these almost 25 years are making a difference in their communities, and have found friendships with those fellow students from all over Africa. A fundamental tenant of the preparation of students is that they are not only preparing the students for roles and jobs that already exist, but even more for those that are needed for the future development of Africa.

In addition to fulfilling our commitment to the General apportionment for Africa University, the Louisiana Conference is in the process of fulfilling our promise of \$1 million for the support of an Endowed Chair for the University. This year we will complete the second year of our five year plan toward this goal.

The United Methodist Church, and the Louisiana Conference, is indeed making a difference in the lives of these students and, through them, making a difference in the lives of their home countries

CANDLER SCHOOL OF THEOLOGY

For more than 100 years, **Candler School of Theology** at Emory University has prepared *real* people to make a *real* difference in the *real* world. Since our founding in 1914, over 10,000 students have graduated from Candler, where they have been shaped as Christian leaders who put faith and love into action, transforming the world in the name of Jesus Christ.

One of 13 official seminaries of The United Methodist Church, Candler is also one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a rich context for study. Our location in Atlanta provides a learning environment that reflects the highly diverse communities of the 21st century. Simply put, there is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

In order to keep pace with the needs of the church and the world, Candler now offers 17 degrees: seven single degrees and ten dual degrees pairing theology with bioethics, business, development practice, law, public health, or social work. One of our newest degrees is a retooled Doctor of Ministry that is 90 percent online, so students can remain in their places of ministry as they study—and apply what they learn in real time. We've also partnered with the University of Georgia's School of Social Work to create an MDiv/MSW where students learn to maximize their effectiveness by combining pastoral skills such as spiritual counseling with social work practices such as family therapy and community assessment.

Our student body continues to reflect the diversity and breadth of the Christian faithful. 466 students are enrolled, with 48 percent women, 34 percent people of color (U.S.), and a median age of 29. Students represent 44 denominations, with 51 percent coming from the Methodist family. 82 percent of students are seeking a degree to prepare them as ministry professionals.

Candler has a deep commitment to alleviating student debt and employs a multi-pronged approach to tackle this issue. In 2015-2016, we awarded nearly \$5.5 million in Candler scholarships, with 92 percent of MDiv students and 84 percent of all students receiving support. And our comprehensive financial literacy program teaches money management skills that serve our students now and will continue to serve them—and the churches they serve—well into the future.

At the end of the 2015-2016 academic year, Candler says goodbye and Godspeed to a handful of noted faculty as they retire: Barbara Day Miller, Luke Timothy Johnson, Steve Tipton, and Bishop Woodie White. Yet even as these legends take their leave after distinguished careers of scholarship and service, we look forward to welcoming a new crop of scholar-leaders who will join us in the coming months and grow with us in the coming years. We are especially pleased to welcome Bishop Larry Goodpaster, who will join the faculty as bishop-in-residence in the fall of 2016.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries in the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

CENTENARY COLLEGE

We celebrate our connection to the Louisiana Conference of the United Methodist Church as we work together to raise wise, caring, moral leaders for the 21st Century. Our commitment to the values of United Methodism remains strong as we develop and empower leaders to transform the world through the experiences of a quality education, meaningful and transformative internships and service to the world, and intentional connections of purpose, passion, and profession.

ACCOMPLISHMENTS AND CELEBRATIONS

Campus

Centenary College and its internet service provider, Apogee, completed several upgrades to the College's internet connection in Spring 2016. These upgrades tripled the internet download speeds in the residence halls from 10Mbps to 30Mbps per device. Both wired and wireless connections are now faster and more robust. Apogee also upgraded wired and wireless network equipment in the residence halls which increased coverage area and reliability, and increased the internet connection supplied to the academic network by going from 100Mbps to 500Mbps.

HVAC energy controls were replaced in Hardin Hall, James Annex, James Proper, and Sexton Hall to improve comfort and energy savings, allowing staff to monitor temperatures in each building throughout the day.

Several sidewalks were repaired to improve ADA accessibility around campus and provide a safer walking environment. The College also undertook a major trimming and mulching project to improve the campus landscape.

The Fitness Center received a new roof to address an aging roof with leaks.

Centenary's soccer field was upgraded to address drainage issues. The project included laser leveling, over 200 tons of soil, and irrigation improvements.

The College purchased two 15-passenger vans to facilitate academic and athletic travel.

Community

Our faculty, staff, alumni, and students maintain a level of excellence in their professional lives that continues to be a source of pride for the College. The stories below represent just a few points of pride that made news in 2015-2016:

The Gents baseball team is enjoying another successful year in the Southern Collegiate Athletic Conference and has been nationally ranked at several points in the season. At the end of March, the Gents were ranked #12 in the

D3baseball.com/NCBWA (National Collegiate Baseball Writers' Association) poll and #15 in the ABCA (American Baseball Coaches Association) poll.

Sophomore gymnast Ashley White was selected to represent Centenary at the NCAA Regional meet in Iowa City on April 2. White was just the fifth gymnast in program history to receive a Regional invitation. Her regional qualifying score of 38.670 in the all-around led NCAA Division III, and she also led Division III in average scores on vault, bars, and floor. White and freshman Navia Jordan also earned All-America accolades for the Ladies at the USA Gymnastics Championships held at Lindenwood University on April 10.

Several Centenary community members were honored for creative excellence in advertising at the February 2016 ADDY Awards Gala sponsored by the American Advertising Federation of Shreveport-Bossier. Elena Hibbs '16 and Laurie Priftis '16 won Silver ADDYs, and Logan Settoon '16 and Dellanee Wade '16 received Bronze ADDYs for their work. Assistant Professor of Communication Jessica Hawkins won three ADDYs in the professional division: a bronze for publication design, a silver for website design, and a gold for identity design created for the Fuller Grocery & Deli.

The Centenary College Choir was invited to perform at the inauguration of Louisiana Governor John Bel Edwards at the state capitol in Baton Rouge on January 11, 2016.

In November 2015, Centenary biology professor Dr. Ed Leuck was honored by Shreveport Green with the organization's Community Enhancement Award. The award recognized Leuck's leadership in establishing and maintaining the Dr. Ed Leuck Academic Arboretum on the Centenary campus, as well as honors his work as a champion of native plants in the Northwest Louisiana region.

Three Centenary alumni were among those selected for the annual "40 Under 40" award presented by the Greater Shreveport Chamber of Commerce's Young Professionals Initiative. Centenary's Chaplain and Director of Professional Discernment, Valerie Robideaux '03, joined alumni Thomas Avallone '00 and Ryan Williams '99 as an honoree in 2015.

The Council of Independent College's Network for Vocation in Undergraduate Education (NetVUE) awarded Centenary College a two year program development grant to further integrate the goals of professional discernment and the goal to redefine church-related liberal arts education in the 21st Century. Rev. Brian Johnson, Executive Director of Campus Ministries at Valparaiso University, visited Centenary in fall 2015 and met with different campus constituencies to conduct an institutional evaluation of the current campus perception of "church-related" and provided recommendations for further integration. These recommendations inform the direction of the grant over the next year, namely in program development and lecture series.

Nine singers from Centenary College's Hurley School of Music competed in the National Association of Teachers of Singing (NATS) Southern Region Conference November 12-14, 2015 in Monroe, Louisiana. Six singers advanced to the semifinal round, and four singers were chosen for the finals round where they won prizes. NATS competitors were Kyle Boston, Emmaline Dyer, Carlos Gutierrez, Herman Clegg Hope, Mary Ellen Kidd, Alex Koch, Timothy McCoy, Landon Pate, and David Westbrook. Alumna Becky Lehr '10 and Associate Professor of Philosophy Chris Ciocchetti created the Shreveport Philosophical Forum, a monthly discussion group open to all interested community members. The group, formed in summer 2015, held meetings at Centenary throughout the year to discuss topics ranging from abortion to race to the media.

Tierra Range '15, the youngest competitor in the American Chemical Society's 2015 ChemChamps competition, won second place in the rigorous four-step competition. Range was also the only undergraduate student to make the finals held in Boston in August 2015, where she had the chance to present her original chemistry research to three very distinct audiences: children and families at the Boston Museum of Science, professional chemists at the ACS National Meeting, and the general public both in person and through an internet livestream.

General Robin Rand, Commander of the Air Force Global Strike Command at Barksdale Air Force Base, delivered the President's Convocation address on September 1, 2015. General Rand's remarks at this traditional opening to the College's academic year marked his first public speaking appearance in Shreveport-Bossier City after taking command of Global Strike in July 2015.

In June 2015, Centenary announced that it would join just a handful of schools in the nation, and only two others in NCAA Division III, in offering varsity women's triathlon beginning in the 2016-2017 season. Aided by a \$70,000 grant from the USA Triathlon Foundation, Centenary started to recruit athletes and plan for the addition of varsity women's triathlon in Fall 2016.

Pitcher Taylor Henry '15 was the third NCAA Division III player selected in the 2015 Major League Baseball draft when the New York Mets used the 629th pick to take him in the 21st round in June 2015. Henry's selection marks the 21st time a Gent has been selected in the MLB Draft since 1979.

Melissa Traver '17 was selected as one of 15 students in the nation to receive a highly competitive Summer Undergraduate Research Fellowship (SURF) awarded by the American Society of Plant Biologists (ASPB). Traver conducted research in summer 2015 under the guidance of Centenary Assistant Professor of Biology Rebecca Murphy, and will present the results of her study at the summer 2016 ASPB meeting in Austin, Texas.

Gage Dabin '18 and Demri Robinson '16 qualified to participate in the United States Karate Alliance World Championships held in New Orleans in August 2015. Dabin and Robinson are both members of Centenary's karate club team and were able to travel to the United States Karate Championships in Las Vegas (the qualifier for the World Championships) with the help of funding from Centenary's Student Government Association.

In spring 2015, Centenary students Ryan O'Donnell '15 and Luke White '16 scored in the top 46% and top 53%, respectively, of the more than 4,000 college students across the United States and Canada who took the notoriously difficult Putnam exam, the premier mathematics contest for undergraduates. More than half of participants do not solve a single problem fully, and the median score is usually zero.

In April 2015, Centenary announced an award of \$100,000 from the Andrew W. Mellon Foundation's Higher Education and Scholarship in the Humanities program. The award will enable the expansion of French and Francophone studies at the College, including enhancements to the distinctive *Centenary in Paris* program that is the centerpiece of the College's August immersive term for incoming freshmen.

Christian Leadership Center

For 2015-16, students enrolled in the CLC studied the purpose and role of the Church of the 21st century. In the fall semester, they read Brian McLaren's book *Why did Jesus, Moses, the Buddha, and Mohammed Cross the Road* to explore the role of Christian history, doctrine, liturgy and mission in 21st Century interreligious dialogue. In the spring semester they presented reports on Rachel Held Evan's *Searching for Sunday* and the Fund for Theological Education's *Greenhouses of Hope*. They also heard practical insights on leading 21st century churches from Centenary alumni serving as clergy in the Louisiana Annual Conference. This May, ten CLC students graduated from Centenary, six of whom received the CLC endorsement.

The CLC hosted its tenth annual fundraising dinner featuring *Work of the People* founder, Travis Reed as the visiting Willson Lecturer in Religious Studies. In January, CLC partnered with Broadmoor United Methodist Church, Shreveport to bring in Enneagram expert Suzanne Stabile for a two day community education workshop.

Globally Engaged Leaders

Taking seriously their commitment to service, Centenary students have spent the year performing service work throughout the community.

Over 250 Centenary community members worked together in celebration of Martin Luther King, Jr. Day at nine community sites, performing service projects such as painting homes, building raised beds in a community garden, packing boxes for food bank clients, cleaning facilities, and decorating tote bags for students. Together, these volunteers contributed an estimated 783 service hours during Centenary's 8th annual MLK Service Day.

Centenary students wrote over 600 cards to donors thanking them for not only their donations but also their faith in the College and its students in celebration of Student Engagement and Philanthropy Day in February 2016.

Centenary continued its participation in the Yellow Ribbon GI Education Enhancement Program. This provision of the Post 9/11 Veterans Educational Assistance Act of 2008 pays up to the national maximum toward Centenary's tuition. Centenary then contributes up to 50 percent of the remaining tuition expense, and the Department of Veteran Affairs matches that amount.

Centenary College students who entered in fall 2015 were the second class to begin their college experience with immersive study in Paris, France during *Centenary in Paris*, a 10-day portion of the College's new intensive, immersive segment of the fall semester.

Recognition

Centenary's accomplishments continue to be recognized by the media in multiple national rankings. For the fifth year in a row, *U.S. News & World Report* named Centenary a Tier One National Liberal Arts College – the only college in Louisiana to receive this designation. *Kiplinger's Personal Finance* recognized Centenary on its list of the country's best values in private colleges, representing colleges that provide high-quality academics at a reasonable cost during continued tough economic times. *Forbes* included Centenary in its lists of "Best Private Colleges" and "Best Colleges in the South" in its annual ranking of "America's Top Colleges" released in July 2015. In August, the *Princeton Review* named Centenary as one of "The Best 380 Colleges" in the nation.

Religious Life

Centenary is grateful for the Board of Higher Education and Ministry's support for religious life on campus. In 2015-16, student leaders began to re-envision student worship experiences on campus and the United Methodist Student Movement sought bridge building dialogue with Secular Student Association and Outreach, Centenary's LGBTQ organization. In addition, students lead a diversity week in March which featured the second annual religious life event, Spill Your Ink: a tattoo storytelling event. Centenary students also have the opportunity to engage religious life programming through the Fellowship of Christian Athletes, Canterbury House, Baptist Collegiate Ministry, and the Catholic Student Organization.

Centenary also continues to celebrate the clergy families of the Louisiana United Methodist Conference who have entrusted the College with the education of their students. We are proud to count among our students a number of clergy dependents. Clergy dependents are eligible for up to \$5,000 in annual Methodist grant funds.

Archives

Centenary's Archives and Special Collections Department supports the Louisiana Conference's ministry of memory. Since 1963, the department has served as the official repository for the records of the Louisiana Conference of the United Methodist Church.

During 2015, Centenary Archives staff and student workers used Louisiana UMC records to handle 192 research requests and create two exhibits (*Come and See the Centenary Archives* and *Shreveport: As Seen by Centenary, 1920-1996*). The Archivist conducted two training sessions for church historians in the Shreveport District. The Archives acquired 9 collections of Louisiana UMC records, and processed and created online finding aids for 7 collections.

The Archives began work on two online digitization projects using records from predecessor conferences of the Louisiana UMC – Gulf/Southern conference journals 1893-1939 (collaboration with Bridwell Library at Perkins School of Theology, Southern Methodist University) and *New Orleans Christian Advocate* newspaper 1850-1946.

VISION AND GOALS

1. Defining church-related liberal arts education for the 21st century.
2. Strengthening our connection with the Louisiana United Methodist Conference through increased communication and service.

CONCERNS AND CHALLENGES

A continuing challenge for the College is to find meaningful and effective ways to connect with United Methodist students and bring them into the Centenary family. We believe that the education and experience offered by the College strengthens a young person's commitment to Methodism, which in turn ultimately benefits the Louisiana United Methodist Conference. We continue to seek partnerships to bring more of Louisiana's Methodist youth to Centenary to pursue their undergraduate education and ensure that those students are supported emotionally, academically, and financially in those endeavors.

1. We request the Louisiana United Methodist Conference's endorsement of the listed membership of the Centenary College Board of Trustees.
2. We appreciate the Louisiana United Methodist Conference's financial support through apportionments and scholarships. This generosity affirms the churches' dedication to higher education and to Centenary College of Louisiana.

DILLARD UNIVERSITY

Lawless Chapel Ministry

The Lawless Chapel Ministry (LCM) continues to serve the religious and spiritual needs of the Dillard University community. Under the guidance of the Office of the Chaplain, the ministry works with VisionQuest; a program started in 2001 through a grant from the Lilly Endowment, Inc., designed to help students pursue ordained, music and lay ministry careers. LCM exists as a guide as students find the purpose-filled life to which God has called them. Funding through the Lilly Endowment ended December 31, 2014, and so an ongoing campaign was undertaken to secure funding for the chapel program. Funding is being pursued through sources such as additional grant funds from the Lilly Endowment and other private sources. There has been a tremendous increase in weekly participation which has necessitated that the ministry add more programming events to support the students' spiritual development.

LCM and VisionQuest offer a lively worship service in Lawless Chapel each Sunday throughout the academic year. Because of our dual affiliations, Dillard's worship services represent an eclectic mix of both the United Methodist Church and the United Church of Christ. Baptist traditions as well as creative experimentation reflecting the cultural exuberance

of New Orleans have also been incorporated. “Sunday Night Live”, a high-energy evening worship service that incorporates student talent in music and spoken word, has not just become a fixture of our program, but it is one of the most popular events on campus. “Message in the Middle”, a series of sermons given by visiting preachers, has become a staple of student life, as well a time for community gathering and reflection. Recently, our ministry entered into partnerships with Global Ministries and the HBCU Voices Tour. We have been partnering with these programs for two years now there has certainly been a tremendously positive impact that they have made on our religious life program.

The VisionQuest Chorale and Liturgical Dance Company bring an exceptional artistic element to LCM. Through VisionQuest, numerous guest preachers and gospel artists have visited our campus; including Donald Lawrence and Richard Smallwood. The group also sponsors Dillard’s Leadership Institute, a popular series of daylong workshops that enhance personal and professional skills. In addition to this program, weekly bible studies, panel discussions about religion and contemporary issues, and partnership with academic programs to integrate a spiritual understanding from a more intellectual perspective have all been added to our mission.

Dillard Welcomes Rev. Earnest Salsberry, M.Div.

In August of 2014, Rev. Earnest Salsberry, a native of Port Arthur, Texas, and a 2006 graduate of Dillard was named the University Chaplain. Salsberry has been ordained through the Baptist Church and has more than 15 years of experience in the ministry. He is also a graduate of the Interdenominational Theological Center in Atlanta, Ga. under an ecumenical affiliation and the Morehouse School of Religion. Rev. Salsberry worked very closely with the UMC Gammon Theological Seminary on the campus of the ITC during his time there. He has more than two generations of familial ties to the United Methodist Church. Rev. Salsberry is also an accomplished singer and musician.

Salsberry has endeared himself to the campus community with a variety of special programs and through his emphasis on inclusion. One of his more visible efforts has been to lead prayer at the flagpole in the center of Dillard’s Avenue of the Oaks. He has incorporated a Pastoral Care and Counseling approach to providing spiritual support to the campus, which has provided a supportive way of dealing with the stresses of the school and work week.

Salsberry heads up a number of ongoing activities, including: Bible study; movie nights; early-morning walks around the campus grounds; faith-based talent shows, and healthy snack breaks during exam periods. He also seeks out opportunities for collaboration with local United Methodist churches through service. The VisionQuest program has become a regular presence at Sunday morning services at local United Methodist Churches in order to maintain the relationship between Dillard and the Church. To honor that shared heritage, the Chapel will host the Inaugural United Methodist Day on March 20, 2016. Bishop Cynthia Fierro Harvey will serve as guest speaker. This service was designed to welcome local UMC members to the campus for a day of celebration and appreciation for the support that the church has provided to Dillard almost since its inception.

Salsberry spends much of his free time speaking at local United Methodist churches and attends conferences hosted by UMC. Rev. Salsberry strives to continue the vision of the church by bringing the message of Jesus throughout the campus of Dillard University with a holistic approach. Salsberry has incorporated a religious experience in all aspects of the campus through prayer, lectures and spiritual programming in collaboration with other departments on campus.

GAMMON THEOLOGICAL SEMINARY

Gammon Theological Seminary, located in Atlanta, GA, is the United Methodist constituent member of the Interdenominational Theological Center (ITC), a consortium of six historically African American theological schools. Gammon/ITC is a co-educational, professional graduate school of theology. Its faculty personifies vigorous scholarship, rigorous academic discipline, and significant research in the service of the church and other communities in the world. Gammon/ITC is the world’s premier resource for black church scholarship and faith-based solutions to the spiritual and socio-economic challenges confronting the African American community and beyond.

Founded in 1883 by the Methodist Episcopal Church and with assistance from the Freedman’s Aid Society, today Gammon Theological Seminary is one of the 13 theological schools of the United Methodist Church. The faculty and administration of Gammon/ITC create an environment in which critical thinking, investigative reflection, decision

making, and responsible action are fostered. Gammon/ITC is a member of the Atlanta University Center Complex, the world's largest enterprise of African American higher education. It is also a member of The University Center of Georgia and the Atlanta Theological Association. The school is fully accredited by the Association of Theological Schools and the Southern Association of Colleges and Schools.

Gammon/ITC offers the following degree programs: the Master of Divinity, the Master of Arts in Religious Education, the Master of Arts in Church Music, the Doctor of Theology (Th.D.) in Pastoral Counseling, and the Doctor of Ministry (D.Min.). There are also a number of dual degree programs offered in cooperation with seminaries and schools in the Atlanta Theological Association. Admission is open to qualified men and women of the United Methodist Church.

Because of the support of this Annual Conference, Gammon/ITC students carry on a proud tradition. They are taught to think independently and communicate effectively. They are also challenged to become involved in finding solutions to problems that affect the human condition, and to become active in the community beyond this campus. Additionally, graduates of this institution are encouraged to maintain a lifelong desire for intellectual growth, spiritual development, and the acquisition of skills for the practice of ministry.

Gammon/ITC has had a very exciting and busy year living out its mission, which is to recruit, support and educate pastors and leaders for the United Methodist Church. There are several significant ways that we have lived out our mission and furthered our vision:

1) Strengthened and Diversified the Board

Added eight new members from various industries and professions, including a former Vice President for the Coca Cola, a former Executive Vice President for United Way of Metropolitan Atlanta, a former Vice President for Grants and Sponsored Research at Grambling State University, et. al. These individuals, along with Gammon's current Board members, bring a wealth of gifts and talents that will enable Gammon to re-position itself to weather the formidable storms occurring in theological education.

2) Strategic Realignment of Resources

After significant negotiation and numerous rounds of discussion, the Gammon Board approved the strategic realignment of the institution's resources by selling a significant piece of property to the Friendship Baptist Church of Atlanta. The proceeds from the transaction, nearing \$4.5million, have enabled Gammon to increase significantly its endowment.

3) Reaffirmation by SACSCOC

At the December 2015 annual meeting of the Southern Association of Schools and Colleges Commission on Colleges (SACSCOC), the ITC's reaccreditation was fully reaffirmed without any further recommendations or sanctions. This is joyous news for Gammon and the ITC, and this announcement follows 4 years of warning and probation status for the ITC. ITC's successful reaffirmation by SACS was due in large part to a substantial gift from Gammon in the amount of \$500,000 to help shore up the ITC's finances.

4) Implementation of the Pathways Program

Over the course of the summer, Gammon began the implementation phase of the Gammon Pathways Program by welcoming five Pathways Scholars to campus. These scholars included students from Wiley College, Rust College, and Paine College. The students spent 6 weeks of the summer serving in internships in the following churches and agencies in Atlanta: Central UMC, Warren Memorial UMC, Impact UMC, and BMCR.

5) Ebony Exploration

This past October, Gammon welcomed 65 undergraduate seniors and pre-seminary students from Bethune-Cookman University, Claflin University, Paine College, Rust College, Wiley College, Alcorn State University, the North Georgia Black Church Development Office, and the Baltimore-Washington Conference for its first ever Ebony Exploration. This was an innovative event for young African Americans (ages 18-35) to hear, discern, and respond to God's call to ordained ministry and to explore their gifts and graces for service in the United Methodist Church. Gammon, as the epicenter of black leadership for this denomination, is reasserting its historic role in producing principled and called leaders for the church and society.

Gammon Theological Seminary is extremely grateful to this Annual Conference for your support of theological education, and for your commitment to ensuring that God's church will be served by persons who are called and trained to lead us forward.

GARRETT-EVANGELICAL THEOLOGICAL SEMINARY

Garrett-Evangelical is the result of the interweaving of three institutions:

- Garrett Biblical Institute, the first Methodist seminary in the Midwest, was established in 1853 by largely the same church people who founded Northwestern University.
- Chicago Training School, established in 1885, was an important force for women in ministry and for developing service agencies throughout Chicago. Chicago Training School merged with Garrett Biblical Institute in 1934.
- Evangelical Theological Seminary, located in Naperville and founded as a seminary of the Evangelical Church (later the Evangelical United Brethren) in 1873, joined with Garrett Theological Seminary in 1974 to form Garrett-Evangelical Theological Seminary.

Garrett-Evangelical is committed to making seminary education affordable as reflected in the awarding of more than \$2.5 million in scholarship aid to students each year. Garrett-Evangelical also leads all United Methodist seminaries in the Dollars for Scholars program with 45 recipients.

The 2015-2016 academic year has been dedicated to these priorities:

- Strengthening the school's commitment to public theology through the engagement of a feasibility study and continued focus on environmental sustainability, racial equity and non-violence work, and child advocacy as we sponsor a 2016 summer Freedom School.
- Creating a Black Sacred Music and Worship program.
- Developing a new strategic plan.
- Assessing the level of racial equity and diversity inclusion in the institution.
- Engaging new patterns of worship in chapel.
- Implementing a generational stewardship plan for theological education
- Revising the MDiv curriculum

Our priorities for the 2015-2016 academic year relate in many ways to the mission, vision and core values of the Louisiana Annual Conference. I have noted here particular statements from Louisiana Annual Conference and some events and/or initiatives for 2015-2016 that correspond with the mission, vision, and/or core value.

Louisiana Annual Conference Vision: Engaging with our surrounding communities locally and globally in significant ways

Louisiana Annual Conference Vision: Learning, living and telling the gospel story to the nations

Black Sacred Music and Worship

Following careful consultation with national leaders and musicians, we have announced the launch of a program that will not only honor and help to preserve the historical contributions of the black church to sacred music and worship, but that

will also train contemporary church musicians to incorporate the gifts of the black church into a variety of liturgical styles. Rev. Dr. Cynthia Wilson is the Director of this new program, and Rev. Dr. Bobby McClean will chair the Board of Advisors.

Louisiana Annual Conference Core Value: Courage and Risk

Strategic Plan

Our 2016-2021 Strategic Plan was approved by the Board of Trustees on October 22, 2015. It is based upon extensive dialogue with students, alums, faculty, administrators, staff persons, trustees, bishops, pastors, and community leaders. The Plan is sensitive to the changing landscape of theological education and recognizes both the exciting and challenging nature of these days. The times require innovation that is responsive to shifting needs. We believe the plan embodies our call to be a servant seminary for the church, the world, and the academy and to attract students with a relevant and robust 21st century theological education.

Louisiana Annual Conference Vision: Reaching out and drawing in people from all walks of life resulting in vibrant, alive and vital congregations.

Racial Equity and Diversity Inclusion

We have engaged external consultants, working with a representative task force, to do an assessment of the school through interviews, focus group discussions, and surveys. A report of findings will be given in the spring. As a result, training processes that address identified needs for growth and improvement will engage the *whole* community.

New Patterns of Worship for Chapel

We welcomed a new dean of the chapel this year, Rev. Dr. Tércio Junker. Recognizing the variety of worship dynamics and traditions present at the school, we are establishing new chapel times and experiences that will allow more options for our community. We affirm and welcome expressions of this diversity in our worship life together.

Thank you for your continued interest in our work. We are grateful to serve The United Methodist Church and the church at large. For more information about Garrett-Evangelical, I encourage you to visit our website, www.garrett.edu, and to visit us on campus.

ILIFF SCHOOL OF THEOLOGY

Greetings from the Iliff School of Theology in Denver, Colorado. We wish you blessings as together we share the work of strengthening the Church and offering a compassionate presence to the World.

The Iliff School of Theology's commitment to the Wesleyan ethos of providing hopeful, intellectually alive, and spiritually grounded theological education for each and every student over the course of his or her lifetime continues. Iliff's identity is focused on educating leaders for three primary publics: the world, the church, and the academy. At Iliff, we refuse to choose between being a training home only for ministerial candidates, a center only for activists and scholar-activists, or a school only for academics. We believe all three are inseparable and enhance one another as we deliberately situate ourselves in the world and critically operate out of the world's complexities.

As such, we recognize that the world's religious landscape is changing and there is much at stake. Iliff recently completed its strategic plan, revised its curriculum, transformed its library, and initiated new relationships with other institutions. In collaboration with the people of Africa, we've started a discussion with Africa University (AU) to foster an educational alliance that will benefit Iliff and AU students. We have also joined a multi-institutional collaboration facilitated by the General Board of Higher Education and Ministry and the HANA Scholarship to create a pipeline for Hispanic students from United Methodist related secondary schools and historically black colleges leading to graduate level theological education.

Iliff's enrollment continues to be strong with 365 students joining us this academic year, 60% female and 40% male, 35% Methodist – all actively engaged in a host of ministry contexts. Their interest continues to be strong in Iliff's online and hybrid classes. A concerted move by Iliff to reduce student debt and grow the ability of students to lead financially sound, engaged communities continues with many MDIV students participating in the Spiritually-Integrated Financial Resiliency Program, funded by a \$250,000 grant from the Lilly Endowment.

Iliff's numerous events for area clergy and supporters remains part of our foundation. Via forums and conferences on social justice, food justice, the role of faith in politics, environmental stewardship, theology and disability inclusion, and more. Campus speakers included Rev. Gerald Durley, nationally-known civil rights leader and this year's Jameson Jones Preacher, Heather Jarvis, student debt reduction advocate, and more. Our efforts were duly noted by McCormick Theological Seminary's Center for Faith and Service when we were named as one of the nation's "Seminaries That Change the World" and our Master's of Theology Program was ranked seventh in the nation by OnlineColleges.net.

We welcomed two new scholars to our faculty this year, Rev. Dr. Jennifer Leath, Assistant Professor of Religion and Social Justice and ordained in the African Methodist Episcopal Church, and Rev. Michelle Watkins-Branch, Gerald L. Schlessman Professor in Methodist Studies and Assistant Professor of Theology and ordained in the United Methodist Church.

We continue to look forward with a courageous theological imagination. We are sincerely grateful for your support of theological education and the Ministerial Education Fund.

Thomas V. Wolfe, President and Chief Executive Officer

LYDIA PATTERSON INSTITUTE

The past few years have been a time of change and preparation for the next 100 years by your institution on the US-Mexico border, Lydia Patterson Institute. Since the celebration of Lydia Patterson's Centennial Celebration, the Board of Trustees, teachers and staff, students and parents and our committed supporters have been busy at work assuring that the next 100 years of "La Lydia" be even greater than the first. We commit to see Lydia Patterson continue to be a model ministry of the South Central Jurisdiction of the United Methodist Church.

We began with the kick-off of a capital campaign for the renovation of its facilities and the development of programs to meet the needs of the 21st Century. Phase I of the plan has been completed, and 14 classrooms have been renovated and equipped with the latest state-of-the-art infrastructure and technology. We have added a middle school with a unique program (ELPILearn) developed by our own staff and consultants in the field. The ELPILearn is designed to prepare the students to compete in a changing world of technology, math and science. It provides a sophisticated method of teaching English resulting in students learning twice as fast. The ELPILearn was carried forward to the 9th and 10th grades this year, and in the final phase, it will be introduced in the 11th and 12th grades next year.

Lydia Patterson is about touching lives. It takes students of very limited resources and with very little hope for a good education and provide them with the tools just described to become well prepared for a better life. Lydia Patterson is about serving. Students are prepared to serve their communities, the church, and their neighbor. Students in the Lay Ministry Program are serving in internships throughout the country. Many have chosen to go to seminary and others are already serving as local pastors.

Challenges never cease to exist at LPI. Just as we bounced back from a slight drop in enrollment due to crime and violence across the border and changes in the student visa regulations, we are now faced with the daily devaluation of the Mexican peso. Parents struggle to meet tuition, and we depend on the generosity of our Methodist community to provide financial assistance through scholarship giving so students can remain in school.

I wish to offer a word of appreciation for your apportionments paid for the daily operations of the school. Your support of our capital funds campaign will enable us to continue our service to those less fortunate and to the church in general for another century. Students travel for 2-3 hours from their homes to walk over the international bridge and walk to the school every day. If we manage to send 98% of these students to college, I believe the return on our investment is pretty high.

At Lydia Patterson we are doing what the church has asked. We are forming bilingual, bicultural leaders and disciples of Jesus Christ for the transformation of the world. We are changing 435 lives daily, all for the glory of God. Thank you for being a part of this redemptive ministry.

Perkins unveiled a new degree option, the Master of Theology (Th.M.), which began enrolling students in the Fall 2015 semester. The Th.M. degree is a second master's and requires 24 term hours within one of four divisions of study: The Biblical Witness, The Heritage and Context of Christianity, The Interpretation of the Christian Witness and The Theology and Practice of Ministry.

Additionally, Perkins revealed that it will begin offering a Spanish-language Master of Theology (Th.M.) degree beginning in fall 2017. The degree, the first of its kind among the 13 United Methodist-related schools of theology, will be a nonresidential program designed for experienced full-time pastors or church/academic leaders.

Perkins also announced the creation of a first-of-its-kind degree, the Doctor of Pastoral Music, which will begin enrolling students in 2016. Areas of focused study will include liturgy, congregational song, worship leadership, performance skills and the theological basis of church music.

Perkins thanks our many colleagues, friends, and alumni/ae across the connection for generous support in many ways, including referrals of prospective students, as we continue our vital mission of preparing women and men for faithful leadership in Christian ministry.

I will retire as Dean of Perkins School of Theology on May 31, 2016. It has been my privilege to serve in this capacity since 2002. In our mission to prepare women and men for faithful leadership in Christian ministry, the students who have passed through the halls of this school and into the world of ministry are the focus of our work. I am honored to have been a part of their journey.

UNITED THEOLOGICAL SEMINARY

United Theological Seminary in Dayton, Ohio continues to educate a significant number of pastors and local church leaders for the Louisiana Conference of the United Methodist Church.

United has always focused on developing faithful, fruitful, inspired and inspiring pastors and local church leaders. 83% of the 2015 graduates of United are now serving in local congregations. 53% of the 2015 graduates from all other seminaries affiliated with the Association of Theological Seminaries are serving in local congregations.

Furthermore, 44% of the current 449 students at United are African American, which makes United one of the most racially diverse seminaries in the United States. An average of 12% of the student body at most seminaries in the United

States are African American. 43% of the students at United are female compared to an average of 33% at other United States seminaries.

United is one of the most racially and gender diverse seminaries in the United States and produces a higher percentage of local church pastors than most other seminaries in the United States..

United is also in the process of leadership transition. In November, 2015 President. Wendy Deichmann resigned as President and, after a well deserved sabbatical, will return to serving as a Professor of History and Theology. Under President Deichmann, United was listed as one of the 12 fastest growing seminaries in the United States largely because of the growing Doctor of Ministry program and our on line degree programs. 44% of United's students are in the Master of Divinity program, 41% are in the Doctor of Ministry program and 15% are in other degree or certificate programs.

In January, 2016 The United Board of Trustees selected Dr. Kent Millard, former pastor at St. Luke's United Methodist Church in Indianapolis, as Interim President while they search for a new President.

St. Paul wrote to his young friend Timothy these words of advice: "I remind you to rekindle the gift of God that is within you through the laying on of my hands." Second Timothy 1:6

United Theological Seminary along with the other 12 United Methodist Seminaries in the United States is committed to helping persons "rekindle the gift of God that is within" to provide educated, inspired and inspiring spiritual leaders for the United Methodist Church throughout the world. .

LOUISIANA UNITED METHODIST CHILDREN AND FAMILY SERVICES

The mission of the Louisiana Annual Conference is to make disciples of Jesus Christ for the transformation of the world. The Mission of Louisiana United Methodist Children and Family Services is to guide children and families home to experience God's love by following the teachings of Christ.

The methods employed to pursue our mission and further the mission and core values of the Louisiana Annual Conference have changed in the past and will change in the future. For example, last year 280 children who resided in our children's homes received the most comprehensive, intensive, holistic residential care available in Louisiana, and clearly, we are no longer an orphanage. In 2015 we employed new methods and improved old to further our mission. As a consequence, we touched the lives of nearly 25,000 individuals in communities throughout Louisiana.

In December of 2015 we launched Methodist Foster Care. Within three months we have opened three regional Methodist Foster Care offices in Monroe, Alexandria and Lafayette and we have certified homes for 57 children. We plan a fourth Methodist Foster Care office in Hammond during 2016 and, by year end, we plan a network of Therapeutic Foster Families sufficient at any time to meet the needs of 150 children who require Therapeutic Foster Care. This will require the assistance of local congregations throughout the Louisiana Annual Conference as we seek to recruit, train and certify Therapeutic Foster Families.

We expanded our Family Plus program from 5 locations at the beginning of 2015 and now offer services for children and families in 25 locations in Louisiana. Family Plus is a partnership program between "Methodist Children's Home" and local congregations. A congregation provides space and the Home provides a therapist and support. Family Plus allows us to reach deeply into the 500 communities surrounding United Methodist Churches.

Located in the bootstrap, heel and toe of Louisiana, our three United Methodist children's homes continue to perfect residential care. We opened two diagnostic units at Louisiana Methodist Children's Home in Ruston; two new classrooms have been constructed at Methodist Children's Home of Southwest Louisiana in Sulphur; and on December 18, 2015 we purchased 126 acres in southeast Louisiana for a permanent home for Methodist Children's Home of Greater New Orleans. Our children's homes are unique in that we focus on strengthening families and returning children to their families.

Our organization faces two challenges – and one is shared by all of Louisiana. Our first challenge is to fill the gap between what it costs to provide residential care and the amount we receive in payment for the services we provide. This growing gap requires additional charitable funds just at the time Louisiana's economy is at its weakest. We care for children and families. We move forward as we have throughout our history, trusting that resources required to pursue our mission will be available.

The second challenge facing our entire state is this: as much as we wish it were different (and even pretend it is not so), Louisiana is not a pro-child state. For 26 years, Louisiana has held an average rank of 49th among the states for child well-being. Louisiana does not care well for her young ones; nor does there appear to be the moral or political will to do differently – else we would have by now. We are focusing our advocacy work on generating significant change in the way Louisiana cares for its children. Children have no vote, no lobbyists and, consequently, no voice. Learn more at <http://www.LMCH.org/advocacy/> Louisiana's children require YOU to speak up for them!

We are grateful for the prayers and active support of the Louisiana Annual Conference. Your faithful support is an active demonstration of God's love. Our mutual efforts become the effective hands and feet of God at work in Louisiana. We thank you for making it possible for us to care well for Louisiana's children and families!

MACDONELL UNITED METHODIST CHILDREN'S SERVICE, INC.

MacDonell United Methodist Children's Services, located in Houma, Louisiana, continues its mission of providing a safe haven for youth and young adults as well as offering healing ministries including both clinical and spiritual care.

Accomplishments and celebration of work completed

- MacDonell maintains a Non-Medical Group Home with twelve (12) male beds.
- We served 31 youth and had a total of 4,115 days of care in 2015.
- The percentage of occupancy continued at a 93% rate and the avg daily census slightly increased to 11.16.
- The 31st Annual Volunteer Activist Gala fundraising event once again was able to increase proceeds for the forth year in a row.
- In March of 2015, MacDonell through a partnership with the Terrebonne Parish Consolidated Government, Houma City Court, Terrebonne Parish Sheriff's Office, Houma Police Department and The Terrebonne Parish District Attorney's Office, opened a Juvenile Detention Alternative program which assessed 180 adolescents who were at risk of entering into the Juvenile Detention System..
- MacDonell was also able to re-open the girls dormitory through its partnership with non-profit social service agency Options for Independence. Hooper Cottage was unoccupied since 2012 has been completely renovated through donations and volunteers from the community.
- MacDonell held its first Strategic Planning Session held in several years, facilitated by the COO of Terrebonne General Medical Center.

Goals that are a priority for the upcoming year

- Accreditation
- Diversity of Revenue Streams.
- Continuation of financial solvency.
- Increase community giving; pursue options for additional fundraisers.
- Development of a new Out-patient Counseling Center.
- Renovation of Keener Building, for additional residential services potentially a Therapeutic Group Home.

Concerns and challenges facing board or agency

The two biggest concerns that MacDonell continues to face is the ongoing changes to the Department of Health and Hospital's Louisiana Behavioral Health Partnership/ managed behavioral health care system. MacDonell has had to transition due to changes made by Department of Health and Hospitals. As many agencies transitioned from one Managed Care Company coordinating the treatment and services for children to the 5 Medicaid Bayou Health Plans. MacDonell transitioned out of the managed care environment back to the oversight and reimbursement by the Department of Children and Family Services. This transition once again created cash flow problems due to delays in payments during the transition. Our agency will also continue to consider adding additional services and programs to meet the needs of the community while also diversifying our revenue streams.

We ask the conference to continue to pray and donate to this ministry and this continual support is appreciated.

MINISTERS EMERGENCY AID FUND

The Ministers' Emergency Aid Fund is supported by the clergy of the Louisiana Annual Conference who voluntarily contribute one-half of one percent of their base salary annually. We recommend the following guidelines for the Ministers' Emergency Aid Fund:

1. That each clergyperson under appointment in the Louisiana Annual Conference be asked to give an amount equal to one-half of one percent of their base salary for 2016 and 2017 to the Ministers' Emergency Aid Fund (line 5030 on the Conference Remittance Sheet).
2. That this fund be used to provide emergency benefit aid to the clergy of the Louisiana Conference and their immediate families, subject to the following guidelines:
 - a. The maximum amount allowed for a single emergency shall be \$1,500.
 - b. Exceptional situations may be given special consideration by the Cabinet.
 - c. Only one grant will be provided to any one individual in a twelve month period.
3. That each clergyperson and local church be requested to provide an adequate medical insurance program for family protection.

In calendar year 2015, conference clergy contributions and Annual Conference offerings for the Minister's Emergency Aid Fund totaled \$11,836 and \$664 was transferred from prior year reserves. Ten grants totaling \$12,500 were distributed to clergy families.

MOUNT SEQUOYAH CENTER, INC.

Mount Sequoyah counts on the Louisiana Annual Conference, its laity, ministers, and leadership as partners and participants in ministry. Louisiana participants Mount Sequoyah for family and personal retreats during which spiritual renewal is experienced. Making Disciples for Christ: Mount Sequoyah extended Radical Christian Hospitality to Christian motorcycle groups attending Fayetteville's Annual Bikes, Blues, and Barbecue Festival. The Faith Riders shared the gospel with 1063 persons and prayed with 90 persons who asked for forgiveness and asked to receive Christ as their Lord and Savior.

The mission and core values of Mount Sequoyah parallel many of those advanced by the Louisiana Conference. Mount Sequoyah, and through Mount Sequoyah others, lay the foundation for Christian formation through programs and workshops such as the Lay Servant Academy, small group teacher training, the Beyond Conference, At the Cross, family and personal retreats, conferences and workshops which address ways to invest in low income and marginal youth, mission events, educational and ministry retreats for lay and professionals in geriatric settings, hosting Christian motorcycle groups.

Mount Sequoyah equips leaders to offer others an abundant life in and through Christ Christ and a setting in which to strengthen and deepen one's own faith. Emphasis is placed on one's individual acts and words, because at Mount Sequoyah it is our belief the best way to witness is by the way you live your daily life. Our Swim Teams and swim and tennis lessons, and camps, youth work and mission camps, Kamp Kanakut, Christian year worship observances, and Bikes, Blues and BBQ help Mount Sequoyah teach others to engage in community locally and globally and offer Louisiana participants new ideas and opportunities to engage their own communities upon reentry.

Some Louisiana Methodists have used the facilities throughout the year. Mount Sequoyah benefited from the hard work and dedication of one volunteer work team from the Louisiana Conference. Louisiana Conference Friendship Plaza is the often chosen gathering place of hospitality for many of visitors and those participating in events and ministries.

Mount Sequoyah advances the mission of the Louisiana Conference by delivering radical Christian hospitality to all guests. Radical Christian Hospitality is all about *witnessing through our actions, our words, and our presence*.

Through Radical Christian Hospitality, Mount Sequoyah:

- Touched the lives of over 700 youth who participated in swimming lessons, swim teams, tennis lessons and tennis teams, Kanakuk KampOut, youth mission camps, and group events.
- Cemented a partnership between Mount Sequoyah and UA Wesley Ministries resulting in making our campus a second home to college students from across the South Central Jurisdiction. Our unprecedented family environment attracted over 415 parents as overnight guests while visiting.
- Celebrated the marriage of thirty-two couples as they pledged their lives and hearts to each other on our beautiful campus under the Lord's ever-watchful eye.
- Welcomed 30,052 guests for overnight stays and provided 18,378 delicious meals prepared by our own chef. Included in the numbers were 61 different Church groups, 13 family reunions, and 29 groups from regional colleges and universities.
- Was the catalyst to reestablish our in house food service. Chef Curt Harcourt received rave reviews from all guests. Some refer to our Dining Hall as "Curt's on the Hill" a take off on a well-known local restaurant, the "Inn at the Mill".
- Resulted in groups seeking Mount Sequoyah as a designation of choice resulting in events and programs already booked throughout the years 2017, 2018 and even one event in 2019.
- Has help achieve and advance the goal to solidify a relationship with college age people and through that relationship expand our ministry's impact across the jurisdiction, making Mount Sequoyah's facilities a destination for religious training and spiritual formation. The efforts at solidifying a relationship with college age people has resulted in over 200 sorority girls utilizing our food service and meeting facilities each week, U A Wesley Ministries housing an intern on the campus who will host weekly Bible studies for college students, and over 700 youth participating in summer programming and events.

Mount Sequoyah completed an intensive review of its mission and future potential conducted by United Methodist elders, Pamela J. Harris and Garrie F. Stevens of Run River Enterprises, a consulting firm. The review process included three-day work sessions that were well attended by staff and Trustees. As a result Mount Sequoyah has undertaken the task of refocusing its purpose and mission. The goal is to identify unique areas in which Mount Sequoyah can develop cutting edge training programs to equip clergy and laity with the tools, technology and skills that will be necessary to reach the mission fields twenty or thirty years in the future and required to resolve conflicts likely to be faced by our clergy and within our churches.

Another goal, religious training and educational seminars that attract United Methodists, cross denominational lines, and draw the un-churched and under-churched across the Jurisdiction, has resulted in increased attendance of programs offered throughout the year. Mount Sequoyah continues the development of programs designed to excite children and attract young parents to our campus. The United Methodist Church's belief that our future lies with the youth is evidenced by Mount Sequoyah's investment in youth programming.

Financial Security: Mount Sequoyah recently contracted with American Tower for a thirty-year extension of the lease for the site of a cell tower. The consideration is an up front one time payment of \$550,000.00. Once received these funds with present investments will give Mount Sequoyah over \$800,000.00 in cash or cash equivalents with which to create world class programs designed to advance the core values of the Louisiana Conference and The United Methodist Church.

The future looks bright as Mount Sequoyah plants seeds that, with God's blessings, will in the near future transform the world for Jesus Christ.

Lamar Pettus, Executive Director

NATIVE AMERICAN MINISTRIES

The Ministry of the Louisiana Conference Native American Ministries (LACONAM) celebrates the many accomplishments in 2015 in Making Disciples for Jesus Christ and transform the world through HIM. LACONAM has been the presence of Native American United Methodist Native Americans in Dulac through Clanton Chapel to empower and equip Native American United Methodists and others to be part of the Body of Christ and to do His Will and work in Dulac and beyond. WE celebrate the 2015 Annual Meeting of LACONAM that was well attended by many Native American United Methodists of all ages held at Clanton Chapel in March 2015 along with Rev. Gay Billiot, originally from Dulac, who came to Dulac to Mission in His Own community. LACONAM has worked in the Louisiana Annual Conference, and beyond with the Native American Comprehensive Plan, Native American International Caucus and with other Native American United Methodist Churches in other states including, Oklahoma and Illinois to share in the Ministries of the unique people we Call Native American United Methodists.

We celebrate:

- The international efforts of Clanton Chapel and its Native American United Methodist leadership in working with natives from other countries as an inclusive church to all people.
- The many groups who came to Dulac to work with Clanton Chapel and Clanton Chapel Christian Preschool as Partners in Mission, and the Volunteers in Mission that came to work with the Dulac Community Center to help the church and community.
- Rev. Don Cottrill's presence at our 2015 Preschool Commencement and his years of support of Clanton Chapel and LACONAM.
- The many meetings held concerning the environment and other concerns at the Dulac Community Center, and the group from the University of Richmond, Virginia in their quest to understand Faith in communities with Clanton Chapel.
- The longtime work of Clanton Chapel in the Native American inclusiveness of culture in worship and the sharing's from many United Methodists who came to Dulac.
- The many new diverse members of Clanton Chapel.
- The inclusiveness of Clanton Chapel in helping others beyond the local church through Clanton Chapel Preschool and other outreaching programs of the local church.
- The over 131 years of Methodism in Dulac, and Clanton Chapel in Making Disciples for Jesus Christ, and the Dulac Community Center's over 66 years of service to the residents of Dulac.
- The Working Poor Ministry of Clanton Chapel to bring material help as well as offering spiritual help through Making Disciples for Jesus Christ as efforts continue to make the facilities open to help train willing United Methodists to come work with Clanton Chapel in this important Ministry

Goals that are a priority for next year:

LACONAM has identified the need to empower Native Americans within the United Methodist Church and other churches as for too long, Native people were not instructed of the many roles that need to be fulfilled within the work of the church and many opportunities were not offered to those Native Americans who became part of the Faith Community and as a result, losses were incurred that may never be recovered, but the hope is that through education in the diversity of the United Methodist Church, others will come into Methodism. LACONAM has included many young Native Americans from Clanton Chapel as members and future leaders of Clanton Chapel and institutions of the United Methodist Church. LACONAM seeks to help develop more speakers on Native American needs in Louisiana and invite anyone

interested to take part to share our story. LACONAM seeks to invite groups and individuals to help in the ministries of Clanton Chapel and the Dulac Community Center, two unique, separate ministries who seek to make a difference in the lives of the people in Dulac. In 2016, LACONAM would like to request that all churches in the Louisiana Annual Conference have one person designated at charge conference to promote and inform church members of the 2017 Native American Ministries Sunday Offering to better support our ministries in Louisiana.

Concerns and challenges:

LACONAM seeks to continue to identify and invite Native Americans and others interested within Louisiana Annual Conference Churches to take part in the support of LACONAM throughout the conference to support Clanton Chapel Ministries and the Dulac Community social programs in Dulac. LACONAM thanks all who have contributed to the Native American Ministries Sunday Offering and would like for more persons to support our Native American Ministries. A new concern is that the Louisiana Annual Conference Native American Ministries would like to urge clergy and laity to be in consultation with LACONAM if there is any question on Native American traditions or issues to avoid any problems related to Native people. WE are also concerned that as the community of Dulac changes due to the constant migration of people further north to avoid hurricane flooding that as a committed church, Clanton Chapel can continue to grow in service to Making Disciples for Jesus Christ and serve all the needs of the church and community.

Items for continued action by the Louisiana Annual Conference:

The Louisiana Annual Conference Native American Ministries (LACONAM) would like to request the continued support of the Multicultural Ministries committee, and support of the Clanton Chapel and Clanton Chapel Christian Preschool Ministries, and the Dulac Community Center social programs by the Louisiana Annual Conference, Bishop Cynthia Fiero Harvey, the Cabinet, Clergy and Laity. LACONAM would like to ask for the continued support of the Federal Recognition of the United Houma Nation and the completion of the Morganza to the Gulf Hurricane Levee Protection System to protect our people and Ministries along the Terrebonne Parish Gulf Coast. **YOU** are invited to drive to Dulac and see the progress being made on building the Levee System: Had Clanton Chapel not sounded the alarm years ago and the Louisiana Annual Conference not backed our efforts, half of Dulac would be loss today. Come, see.

C. Kirby Verret, Clanton Chapel UMC

NORTH RAMPART COMMUNITY CENTER (NRCC)

NRCC have always been rooted in the mission, vision, and core values of the La. Annual Conference. We are still very much committed to working with and improving the quality of lives of women, children, youth, and families in the Greater New Orleans Area and other families in need throughout the state of Louisiana. Our After School program and Summer Camp are essential resources that reflect the work we have done. Our essential programs are empowering our children and youth through the teachings of fundamental academics in reading and math. The programs help develop skills in computers, art, music, and drama. Also, the programs provide recreational activities of swimming and basketball. The universities and community groups come tutor, mentor, and teach conflict resolution skills to our children and youth, which assist us in providing a good social environment. We are also empowering our parents and community with neighborhood meetings and health fairs about healthy living, health & safety, health & wellness, neighborhood awareness, and acquiring of healthy resources that will create a stronger community.

Our future goals and objectives are to continue strengthening our After School program and Summer Camp; in addition, we will build a Music program. By maintaining our good relationships with local universities, colleges and food banks, that are vital to our programs, we can continue to be a valuable resource to our community. Another goal is to expand our volunteer housing program by attracting more groups throughout the nation. Finally, it is important that we address some of the conditions and make needed repairs of our historical building.

Our liaison from The Women Division Inc. in New York came down and did an amazing job teaching us how to be efficient and effective. Her expertise in board training assisted in getting the board focused. She made the board aware of NRCC's positive attributes and revealed areas in need of improvements. She also focused on policies, procedures, and fundraising opportunities which re-energized the board that is now moving in a positive direction while continuing to serve the families in our community.

Jeffery D. Parker (Coach), Executive Director

RETIRED MINISTERS' HOMES BOARD

The purpose of our report is to keep this ministry before the local churches of the Annual Conference, represented here by lay and clergy delegates. There are new delegates to the Conference each year that may be unaware of the ministry of our Board.

When United Methodist ministers retire, there is no longer a parsonage provided, and they may not have been able to build up equity in a home. Some cannot afford to purchase a home and make monthly mortgage payments from limited pension incomes. Presently the Board owns thirty-one homes across the state. Our residents pay a monthly maintenance and insurance fee of nine cents per square foot. For instance, the monthly fee for a 1,200 square foot home is \$108.00. Currently, there are homes available in Amite and Ruston.

Our greatest financial support comes when we receive the donation of a home that can be used by a retiree, or can be sold for funds to use toward the purchase of a new home. In 2015, our most recent additional home was purchased in Lafayette using such funds. We are also open to partnering with a church or individual to provide a home for a particular retiree. Also, when funds are available, the Board will provide matching funds for the purchase of a home.

Each year, on the second Sunday of September, the Annual Conference observes Retired Ministers' Homes Board Sunday, this year's Sunday is September 11, 2016. Local churches are to present this ministry and receive an offering for this work. Our goal is to fund our administrative costs with this annual offering. The administration of this program is approximately \$27,000 yearly and we received \$19,533 in 2014's offering and \$12,883 in 2015's offering. Our goal can easily be reached if churches would contribute only 60 cents pocket change per member. Also, the success of this offering enables us to keep the monthly fees charged to retirees as low as possible.

We offer a heart-felt "thank you" to churches and individuals who support this ministry.

Rev. Jerry Hilbun, Executive Director

SOUTH CENTRAL JURISDICTION

The time for the 2016 Jurisdictional Conference is near. The thirteenth session of the South Central Jurisdictional Conference since unification in 1939 will be in Wichita, Kansas, July 13-16. Business sessions are at the Hyatt Regency Hotel and worship services at First United Methodist Church.

There are three bishops to be elected. Fifty-two bishops have been elected since 1944. The opening worship on Wednesday evening, July 12, will be a memorial service and Holy Communion. There will be 216 voting delegates to this Conference. That is fifty fewer than 2012. Election of a bishop requires sixty-percent of valid ballots cast; that would be 130, if all delegates vote on a ballot. Any elder in good standing in The United Methodist Church is eligible for election.

The Conference will hear reports from the institutions and agencies of the Jurisdiction, including Southern Methodist University, Lydia Patterson Institute and Mount Sequoyah Retreat Center. Trustees for these groups will also be elected. The Mission Council, with a representative from each of the Annual Conferences, will report, and will nominate Rev. Brian Bakeman as the new Executive Director of the Mission Council. Dr. David Severe, after eleven years in that position, is retiring after this conference.

The public is welcome to come and observe the conference. Registration will be open in opened in March, and the link is on the Jurisdiction website at www.scjumc.org.

THE UNITED METHODIST FOUNDATION OF LOUISIANA

The United Methodist Foundation of Louisiana completed 40 years of service in 2015!

Purpose: The Foundation was established in 1975 for the purpose set forth in *The Book of Discipline of the United Methodist Church*:

- To promote planned giving programs on behalf of local churches and conferences; and
- To invest and administer funds in a manner consistent with the Social Principles of the United Methodist Church.

Planned Giving. The Foundation has helped nearly 400 donors establish planned gifts throughout its 40 years. These gifts are worth close to \$33 million and will support the future of the United Methodist Church.

Grants. Giving to others is a priority for the Foundation. We model that by double-tithing—giving 20 percent of our annual gross operating income to various ministries through grants. In 1992, the Foundation approved its first grant for \$2,500 to Cornerstone United Methodist Church. Since then, the Foundation has awarded approximately \$5.7 million in grants to United Methodist ministries.

Loans. Another mechanism for helping the United Methodist Church in our conference is church loans. The Foundation offered its first church loan to First United Methodist Church of Slidell in 1993 in the amount of \$357,000. At the end of 2015, the Foundation had loaned approximately \$35 million since the first loan, to 120 churches and other United Methodist ministries. Foundation loans offer competitive interest rates and do not charge points or origination fees.

Seminary Scholarships. More than 100 pastors are now serving in the Louisiana Annual Conference because of the Foundation's Seminary Service Loan program. The Foundation funded a significant part of these pastors' theological training through a grant/loan that is repaid by serving five years in the Conference.

Church visioning and pastoral leadership. In an effort to develop new and innovative ways to attain viability for the church's future, the Foundation has invested heavily in providing pastoral leadership within the Conference. Since 2009, the Foundation has hosted two cabinet retreats a year with a guest facilitator to focus on vision of church leadership. In 2013, we began the intensive, two-year Leadership Excellence Advancement Program (LEAP) for pastors and to date, have graduated 27 pastors from that program. We have also provided scholarships for nine pastors to participate in the five-year program, Advanced Pastoral Leadership (APL) in Texas.

LOUISIANA VOLUNTEERS IN MISSION (LAVIM)

Louisiana Volunteers in Mission (LAVIM) embodies the Conference mission and vision by sharing the love of God in ways that make a Christian difference. Locally and globally, volunteers engage communities through construction projects, medical assistance, and sharing the Gospel story. From Louisiana to Mississippi, from Mexico to Cambodia and all places in-between, congregations are being strengthened and new persons come to Christ. Our mission teams are trained and encouraged to exemplify the core values of the Conference in their interactions and in their relationships with mission partners. In 2015, 36 teams served in four U.S. states and in 16 foreign countries.

In the coming year, we will provide resources and opportunities for new mission teams. Two regional team leader trainings are being offered in a streamlined format. Mission grants of \$500 are available for material support of qualified teams; six grants were awarded in 2015. Our lavim.org website offers ways to connect with teams and projects, leader tools and information, and a team registration link. This latter option enables us to pray for teams, helps in recruitment efforts, and shares the good news of where Methodist volunteers are going to serve in Christ's name. Volunteers share mission photos and stories on the LAVIM Facebook page. We encourage mission-minded persons to utilize these resources.

Several challenges face this ministry. Although the number of U.S. states and foreign countries served is fairly consistent with previous years, the number of 2015 participants was significantly lower. Safety concerns related to international travel and the downturn in the state economy could account for the change, but the reasons are unverified. Another challenge will be recruiting new persons for the leadership steering committee, as several members will retire on July 1, 2016. Significantly, the positions of Coordinator and Treasurer need to be filled.

Diane Reich, LAVIM Coordinator

Early Response Team

Early Response Team (ERT) members serve as the hands of Christ, “providing a caring Christian presence in the aftermath of disaster.” This year ERTs representing Louisiana Methodism served tirelessly within the bounds of our conference and beyond. This has been an unusually busy year, as our state has been struck by record rainfall and the concomitant flooding. Removing wet debris, including ruined family heirlooms and furnishings, soggy wallboard, and saturated flooring was the standard work order as we assisted over five dozen homeowners and multiple congregations in beginning the process of restoring their homes and churches.

In addition to our work in Louisiana, ERTs responded to the 2015 spring floods in Oklahoma and the December 2015 outbreak of tornadoes in the Garland/Rowlett area.

VIM funding made possible the restoration of one of our portable shower trailers and continued to outfit our three tool trailers. Many skills and abilities make ERT ministry possible, but none are more important than being present with those whose lives have been affected. Our relief efforts are fully dependent on volunteers, and we strongly encourage those interested in serving in this unique ministry to email ladisasterpastor@gmail.com, so that training can be arranged.

Bob Deich, Early Response Team Coordinator

WESLEY CENTER ANNUAL REPORT

The Wesley Center continues to address our mission statement of providing “a place for spiritual holiness, healing and wholeness under the guidance of our Lord Jesus Christ.” To help us accomplish our mission statement, we installed a new zip line along with a rock climbing wall and a ropes challenge course. We were very pleased to have Bishop Harvey zip across the lake on the zip line (you can see part of her tour on our video). To purchase and install all of this equipment, the Wesley Center is very appreciative of the Franciscan Missionaries and the Lake Charles District for their generous donation of funds. These new features have allowed us to offer both adult and youth leadership training events throughout the year plus provide another fun activity for any other group utilizing the Wesley Center.

The Wesley Center Board of Trustees has identified numerous projects that are necessary in order to maintain the long-term sustainability of the Wesley Center. Based upon survey results, we have already begun implementing these projects and will continue working to implement others. Already completed is an upgrade of internet connectivity for our entire campus. Fiber optics communication has been run to the property and the Wesley Center staff has install a Wi-Fi network which greatly enhances our internet capabilities.

Next on the list of priorities, based upon the results of surveys, is updating of our lodges. Our goal is to replace all double beds with queen size beds and replace all the bed spreads and sheets. Updating the remaining furniture and improving the bathrooms is also included in this project. We are also researching the possibility of installing an elevator in one of the lodges thereby providing greater access to the second floor.

While being very conscientious of finances, but also aware of the ongoing need to maintain and improve our facilities, the Board of Trustees knows we must raise additional revenue. We are reviewing options for raising significant funds to address our priority list and eliminate some existing indebtedness. We would ask each congregation pray about opportunities to assist in furthering our ministry here at the Wesley Center.

Always remember, if you haven't been to the Wesley Center in a while, or you have never visited us, you are encouraged to make an effort to come and experience one of the many opportunities available to everyone. You can also see the wonderful Wesley Center by visiting the website at <http://www.thewesleycenter.com>.

CLERGY

THOMAS MACAULAY BABINGTON, III

March 22, 1932 - October 02, 2015

Rev. Dr. Tom Babington was born in Franklinton, LA to Thomas Macaulay Babington Jr. and Selma Mafin Richardson. Growing up he excelled in and received awards in multiple sports, especially baseball. He served during the Korean War in the Coast Guard/Navy and later in the U.S. Army Reserve.

He graduated from Perkins seminary at SMU and later earned a Doctor of Ministry in Counseling from Vanderbilt University. Long a member of the Louisiana Conference, Tom served many years on the Board of Ordained Ministry. He was appointed LSU Wesley Foundation Director and also was the founding pastor of St. John's UMC, Baton Rouge. During the latter appointment, he received the call to crisis ministry and became a Certified Supervisor of the Association of Clinical Pastoral Education. JAMES J. CARAWAY

January 8, 1926 – April 8, 2016

James Julius Caraway was born in the Methodist parsonage in Winnfield, Louisiana, on January 8, 1926, and died April 8, 2016, in Monroe, Louisiana. The third child of Minnie Merle Youngblood and the Reverend Porter Myers Caraway, Sr., he was named after his two grandfathers. Jimmie quickly became itinerant, moving with his family to New Orleans, Mississippi, New Mexico, Northeast Texas and South Texas before returning to Louisiana. Continuing in this trend he itinerated to several institutions of higher learning: Centenary College, Southern Methodist University, the University of Southwestern Louisiana (now ULL), East Texas State University (now Texas A&M-Commerce) and finally Perkins School of Theology at SMU, with an interruption for military service. He was proud to be a veteran of the U.S. Navy, serving in the South Pacific during World War II.

In 1943 Jimmie was licensed to preach in the Louisiana Conference and pastored churches in the North Texas Conference before entering the Louisiana Conference in 1949. He and Mary Linn Miller of Shreveport were married in 1947 and together they served churches in Greenville (Texas), Grand Cane, Shreveport, Bunkie, New Orleans, Homer, Minden, and Lafayette. He organized the newly-formed Hammond District in 1969 and was Superintendent of the Monroe District before being appointed as Executive Director of Financial Affairs in 1979. A year later the position of President of the United Methodist Foundation of Louisiana, which he was instrumental in organizing, was added to his responsibilities. It was in these positions that he brought the Conference Office into the computer age and utilized his natural talent in finance.

In his capacity as Chairman of the Jurisdictional Council on Finance and Administration (1980-84) he served on the Boards of SMU, St. Paul School of Theology, Mt. Sequoyah Assembly, Lydia Patterson Institute, and Gulfside

Assembly. He received an honorary doctorate degree from Centenary College in 1978, was Perkins School of Theology Volunteer of the Year in 1984, and was listed in *Who's Who in Religion* and *Who's Who in Methodism*.

After he retired in 1991 with 44 years of active service Jimmie chose to maintain his home in Baton Rouge, but moved closer to family in Monroe eleven years later. Having been named to the General Council on Finance and Administration in 1984, he continued his work in finance and served on the Investment Committee of that council for a record 16 years. In retirement he was also Executive Secretary of the National Association of United Methodist Foundations for three years and on the Investment Committee of the Methodist Children's Home in Ruston. He was one of the founding directors and elected treasurer of the national United Methodist Church Foundation in 1999.

He and Mary Linn raised five children, of whom he was very proud: Rev. Linn C. Zink (Stephen), Judge Jay Caraway (Sandra), Jan C. Humphries (Richard), Ann C. Wideman (Fred) and Ray Caraway (Mary). After Mary Linn died as a result of an automobile accident he married Carol Zimmerman Watkins of Monroe in 1982 and thus became step-father to Lisa W. Thomas (Sloan) and Grace W. Holloway (Wayne). He was a caring and generous husband, father and grandfather to 15 and great-grandfather to 11.

Travel was in his blood and with Mary Linn and later Carol he made many trips in the U.S. and to many parts of the world; in 1991 he traveled around the world in celebration of his retirement.

Pastors and friends approached him through the years to testify about his influence upon them and his help in times of trouble. He was a dedicated man of God, grateful for the many blessings bestowed upon him, and he shared his love, knowledge and financial resources with his family, friends and church. He felt God had blessed his life with Christian parents and brothers and sisters, two faithful wives, seven children and families, friends, and the comforts of life beyond his wildest dreams. He continually expressed gratitude to God for all his blessings in life.

Memorial services were held on April 11, 2016, at St. Paul's United Methodist Church in Monroe with interment in the columbarium of the church.

RETHA VERONA BURNETT CORRIGAN

November 3, 1934 – July 14, 2015

Retha Verona Burnett was born in a log house built by her father and grandfather near Pensacola, Florida on November 3, 1934. She was the youngest of six children. Her parents moved from their Florida farm to Baton Rouge where her Dad, a structural steelworker, worked on the first Mississippi River Bridge.

Retha was reared in a warm, loving Christian home and attended church since the age of three. Before and after graduation from Istrouma High School (Baton Rouge) in 1951, Retha was active in her local church, having accepted Jesus as her personal Lord and Savior at age twelve.

In the summer of 1953 at a Methodist campground, Retha was introduced to Michael D. Corrigan. Mike was an Airman from Santa Ana, California. He was serving as a chaplain's assistant while stationed at Keesler Air Force Base, Biloxi, Mississippi. Mike just happened to see an advertisement in the local paper about a Camp Meeting adjacent to the base. It looked interesting to him, so rather than take a taxi and miss the start of service, he decided to climb the nine foot chain link fence with barbed wire at the top that enclosed the base. With just enough time to compose himself and put on his Eisenhower uniform cap, he was greeted by a camp goer and introduced to Retha and her friends.

Over the next few weeks a relationship blossomed, and Mike and Retha were happily married 3 months later to the day that they first met on October 3, 1953. Their marriage stayed strong and united in the Lord for 57 years until Mike went to be with the Lord in 2011.

It was June 1986 that Mike and Retha experienced a definite call from the Lord to fulltime Christian ministry. They enrolled in Fuller Theological Seminary that following Fall, and graduated together in 1993, at which time Mike retired from the practice of law after 28 years.

In January 1994 while on vacation, Mike and Retha were invited to lunch with Rev. Jerome Cain and his wife, a former District Superintendent, Alexandria District. The Rev. and Mrs. Cain described the pressing need for pastors in Louisiana. Through much prayerful consideration, they were obedient to the leading of the Spirit of the Lord and began pastoring. Together they co-pastored various churches throughout Louisiana including four in the Greater Colfax Parish.

Retha and Mike, known as Papa and Mama, had three children Michelle, Michael and Sean, eight grandchildren and one great grandchild.

Retha passed into the heavenly arms of her Savior on July 14, 2015. Amazingly, it was four years earlier to the day that her husband, Mike, had passed away. She is reunited now with her husband and her daughter, Michelle, who passed away on November 26, 2015.

Her life represented a walk of faith and trust in Jesus Christ that continues to impact her family and those who knew her. She ministered faithfully the Word of God and was a living testimony of God's grace.

PAUL DEAN DAVIS

April 15, 1931 - May 17, 2015

Paul Dean Davis was born April 15, 1931 to cotton farmers in the Mississippi Delta of Manila, Arkansas. Schools in the area scheduled classes so kids could help their families harvest crops. This balance in life showed them early on how a community could come together to work, study, and play.

Curious and patient early on, Paul learned to drive a tractor, repair farm equipment, and coax mules. Meanwhile he studied the Word of God and decided to follow Jesus. Whatever he put his hand to, prospered. Whatever he put his mind to, became usable knowledge. Exceptional grades in high school earned him a scholarship to Hendrix College

in Conway, AR. Amazingly his pre-theology club elected him president, portending his destiny to lead others, even his peers. In fact, a classmate later revealed his admiration for his college friend by telling his son to be a gentle man like Paul Davis: honest, sincere, thorough, upright, diligent, loyal, and humble.

As a youth, Paul saved enough money from working in the fields to take an annual flight over his town with a visiting pilot. That sparked a love of flying that helped later in his career. To fulfill his duties as a colonel in the Eighth Air Force Command Chaplaincy, he flew his own plane to bases up and down the Eastern Seaboard, often carrying his wife and assistant along as passengers. Other chapel assistants questioned the wisdom of and/or had a standing joke about going in a small one engine plane on flights reputedly memorable, but often harrowing. A man's man, fisherman, hunter, cabinet maker, and boat enthusiast, Paul had broad interests and could identify with all types of people which made him a good friend and solid counselor. He mentored many junior officers to become not only better military professionals but also better family men. One of those young officers recently related that Paul's influence stretched him from youth to full maturity.

As accomplished as Paul Davis was, he always gave credit for his success to having chosen the right mate. While at Hendrix, he met his future wife Charlotte Berry at a nearby teacher's college. As a voice major, she seemed perfectly groomed to be a pastor's wife. However, she could have never imagined nor designed the globe-circling adventures that marriage to Paul would bring. Together they gave their four children a constant houseful of company, a church full of music, and a lifetime of memories.

After ministering to congregations while in seminary and to churches after retiring from 30 plus years of service to military personnel, Paul never personally heard his highest accolade given by another chaplain: "Paul was the best Bible teacher I have ever known." That sounds as true as if equal to our Father in heaven saying: "Well done, my good and faithful servant."

THOMAS ASHTON DUNBAR

July 14, 1947 – October 18, 2015

Thomas Ashton "Tommy" Dunbar passed away peacefully on Sunday, Oct. 18, 2015, in Baton Rouge, Louisiana. Born on July 14, 1947, in Pineville, Louisiana, he attended Pineville High School. There, he was a multi-sport athlete while simultaneously developing his love for the arts highlighted by his mastery of the piano. On a picturesque Friday night in the Fall, one could see Tommy line up on both offense and defense for his high school football team – and at halftime, he would join the marching band to play the trombone. After graduating from Pineville High School in 1965, Tommy attended Louisiana Tech University where he blossomed as a defensive back and also met the love of his life, Susan Williams, whom he married in 1969.

During college, Tommy received a call to the ministry which led him to earn a B.A. in English in 1969. After earning his Masters of Divinity from Candler School of Theology at Emory University in 1972, Tommy fulfilled his calling serving as a minister in the United Methodist Church while growing his young family. Tommy went on to earn his Doctor of Ministry from Drew University. Over the course of his ministry he served on various boards and committees. He enjoyed the fellowship aspect of the church especially covered dish suppers, ice cream socials, church picnics with softball games and three-legged races, and enthusiastic hymn singing. At several churches he served during the time of a building program. He gave himself totally to those programs. Because of his background, he placed great value on the music program and on Christian education.

In between his service as a pastor to many churches across Louisiana and Texas over his lifetime, Tommy enjoyed running, growing roses, and being on the open water. There, he could be seen driving his "big boat" (favored over the smaller fishing boats owned by his brothers-in-law) and calling out instructions to his nieces and nephews while teaching them to water ski.

Having completed thirty-five years of faithful service, Tommy retired from the ministry in 2006 but was still passionate about his love of helping others giving way to his new found career as a financial services representative. After a severe stroke in 2009, Tommy continued to enjoy life by attending Louisiana Tech football games, working

out at the YMCA, and spending time with his four grandchildren at their various activities and at the beach each summer.

Tommy helped others after his death by being an organ donor. His friend Dr. Kenneth Reed officiated at his memorial service. Tommy is survived by his wife, Susan Williams Dunbar; his two daughters, Kellie Dunbar Schmeeckle, M.D. (Seth) and Amy Dunbar Hester (Bryan); his four grandchildren, Avery Hester, Seth Andrew (“Andrew”) Schmeeckle, Jr., Emery Hester, and Sarah Schmeeckle; and his three brothers, George, Ashton, and Travis Dunbar. Tommy is preceded in death by his parents, Ashton Earl Dunbar and Georgie Pickett Dunbar.

GERRY CHARLOTTE PHELPS

October 15, 1931 – February 12, 2016

“Preach good news to the poor,” this was Reverend Gerry Phelps’ calling from God. In 1976 she went to seminary, became an ordained minister in the United Methodist Church, and began pastoring 3 churches in California. She would pass away 40 years later continuing to pastor 3 churches in Louisiana, giving all she had to God and his people. In the time between, Gerry Phelps founded and ran 2 large homeless shelters (in Bakersfield and San Jose) and a charity (in Austin) to help people exit welfare. Each were successful. She wrote a musical about helping the homeless, created booklets to guide new believers on their Christian journey, maintained an internet blog, and even published her own memoir. In this way her life tells the story of fulfilling her vocation to reach out and preach the good news to the poor.

Perhaps it is best to let Rev. Gerry Phelps tell the entire story from her point of view. Her memoir is self-published at <http://www.outoftheironfurnace.blogspot.com>, and her blog shares her story:

“In brief, I am an ex-agnostic, an ex-university teacher, an ex-far-left radical, and an ex-con. That came about when I was arrested for armed robbery on March 22, 1969, while teaching economics at the University of Houston. (The money was to fund an anti-war newspaper. I was an activist for civil rights for black people and against the war in Viet Nam.) I was sentenced to 35 years. In prison, God convinced me that he existed and I became a Christian”

Her story is riveting, full of turns, and it continues to impact lives far and wide. It began on October 15, 1931, when Gerry Phelps was born in Pauls Valley, Oklahoma, and ended on February 12, 2016 when she passed in the loving presence of her family, holding the hand of her dear friend Carla Luneaux in Carencro, Louisiana.

Gerry Phelps is survived by her son Scott Houston Phelps and his wife Joan; Gerry's sister, Waynel Derrick and her partner, Robbie Robinson; Gerry's grandson, David Austin Phelps and his girlfriend, Lia Marshall, granddaughter Suzie Pitre and her husband, Marty, and grandson Robby Andrepont, Jr.; and great-grandsons, Declan and Teagan Pitre.

Gerry Phelps was full of love and energy, and a willingness to challenge “what everybody knows”. She was greatly loved in return and will be sorely missed.

JAMES PHILIP WOODLAND

September 8, 1929 – December 4, 2015

“He has told you, O mortal, what is good; and what does the LORD require of you but to do justice, and to love kindness, and to walk humbly with your God?” Micah 6:8

Phil and Madeline were married at First Methodist Church, Baton Rouge in 1952, enjoying a loving marriage until her death in 2003. He served First Methodist Church in Donaldsonville for one summer, then a three-point charge: Pine Grove, Montpelier, and Killian's Chapel. In June 1955, Phil and Madeline moved to Baton Rouge to start Broadmoor Methodist Church, where their three children were born. He went on to serve St Luke's UMC, New Orleans (1962–71), First UMC, Slidell (1971-80) and University UMC, Baton Rouge (1980-91). After serving as the District Superintendent of the Monroe District (1991-97). Phil and Madeline retired to Baton Rouge, where they resided in Southdowns.

Many remember his gifts of preaching, teaching, and pastoral care, and for his passionate concern for the church's role in creating a just and loving society. The list of organizations in which he served is long, including Project Equality, the Board of Church and Society, the Board of Global Ministries, and many other bodies of the Louisiana Conference of the United Methodist Church. The larger church benefitted from his work as a delegate to General Conference and Jurisdictional Conference and from his service to national boards. He served as President of what is now the Interfaith Federation of Baton Rouge, the Baton Rouge Council on Human Relations, and the Children's Coalition of Greater Baton Rouge. Ruth (Marguerite) Wilder Garrett was born in Winnfield on March 25, 1919. She passed away on October 13, 2015 at the age of 96. She is survived by her only child, Linda Garrett Wallace, and husband, Samuel Wallace of Ruston; grandson, Jeffrey Simmons of Houston; grandson, Christopher Simmons and wife Melissa of Houston; and great-grandchildren Elyse Simmons and Thomas Garrett Simmons. She was preceded in death by her beloved husband of 40 years, Rev. Roy Lee Garrett.

Marguerite was a 1938 honor graduate of Louisiana Polytechnic Institute. After graduation, she began teaching in Jonesboro, Louisiana. However, it was not long before she and her sister Mary put their teaching careers on hold to serve in the Navy for 2 years in World War II.

When she returned home, she volunteered to be the secretary-treasurer of her hometown church, Chatham Methodist. Reverend J.T. Garrett was the pastor. His son, Roy, was serving in the Army in the south Pacific. Roy began sending money to the small Chatham Church, and Marguerite began writing him thank you notes. From this correspondence, would later blossom a marriage that lasted 40 years until Roy's death at age 67.

In 1949 Roy came home one day and announced that he felt the call to the ministry. He, Marguerite, and their 9 month old baby packed up and went to Shreveport where both Roy and Marguerite attended Centenary College. Upon graduation, they moved to Atlanta, Georgia, where Roy graduated from the Candler School of Theology at Emory University.

Marguerite spent her life doing God's work in many places. She and Roy served churches in Shreveport, Milledale, Georgia, Alexandria, Coushatta, Jonesville, Lafayette, New Orleans, and Leesville. She directed church choirs, played the organ and piano, and taught Sunday school. She was a member and leader in the W.S.C.S. and the United Methodist Women for over 75 years. She also spent many years delivering church bulletins and visiting with church members living in assisted living and nursing home facilities.

For 20 years, she had her own career as a school teacher. She was passionate about seeing that all her 4th-7th grade students received the best instruction possible. She saw potential in every child, and she loved them dearly.

Marguerite loved to travel and was nick named "Go, Go" by her friends. She traveled to all 50 states and visited more than 20 countries around the world. Her favorite trips were those to the Holy Land because she used the knowledge she gained to teach many Sunday school lessons.

Marguerite spent 96 years living the life God wanted her to live by sharing her prayers, presence, gifts, service, witness, and love with everyone she met in her lifetime. She was truly a faithful disciple of Jesus Christ.

LINDA WHITE NUGENT

April 1, 1948 – April 26, 2016

Linda White Nugent was born on April 1, 1948, in Alexandria, Louisiana. Linda married David F. Nugent on February 6, 1970. Their joyous marriage lasted for forty- six years. David and Linda's marriage set an example for other Christian couples. Even after facing trials and tribulations, such as illness, their marriage stayed God-centered, and they never lost sight of their true love.

Linda was a loving, kind person in every aspect of her life and had never met a stranger during her lifespan. Everywhere that she went, she knew people. If Linda did not know people, she would before she left. This helped her in her long career as a registered nurse. Linda followed God's calling for her and was a registered nurse for forty- two years. The most important focal point in Linda's life was her faith in God. This is what allowed Linda's relationships with others to be so special and long lasting. Even after Linda found out that she was sick, she never

lost her strong faith in God and allowed Him to be her rock and stronghold during times of tragedy. After a quick battle with complications due to stage four pancreatic cancer, Linda passed away to be with our Lord and Savior on April 26, 2016.

BOBBIE LEE KAUTZ REED

December 27, 1934 - March 23, 2016

Bobbie Lee Kautz Reed, age 81, a longtime resident of Baton Rouge, passed away peacefully on March 23, 2016, surrounded by her family, at the Crossing at Clarity Hospice.

Bobbie, who was loved by so many, was a remarkable lady with a beautiful and indomitable spirit. She was born December 27, 1934 in Taylor, Texas, the daughter and only child of Robert and Katie Lee Kautz. Her grandmother, Mrs. B. K. McCutcheon was an important part of her family life during her formative years.

She met her husband, Kenneth R. Reed, while still in her senior year in high school. They were married December 27, 1952 at First United Methodist Church in Taylor, Texas, and moved to Waxahachie, Texas, while Ken attended seminary in Dallas, Texas. While living in Fort Worth, Texas, she attended and graduated from Texas Wesley University with a degree in elementary education. She had a brief career as an elementary school teacher before starting her lifetime career as a supportive ministerial spouse and mother of two wonderful children. As an accomplished pianist, she occasionally taught piano and played the organ and piano at Ken's churches. A wonderful helpmate to her husband, they served congregations over two states and three annual conferences for a period of 64 years. In the last several years, her main passion was her home and her children and grandchildren.

Bobbie was one of elegance and style and had a knack and love for decorating. She was a talented artist, loved to garden, enjoyed cooking, hosting parties and traveling with her family and husband.

Bobbie was preceded in death by her son, Randall, and her parents Bob and Katie Lee Kautz of Taylor, Texas. She is survived by her husband of almost 64 years, Dr. Kenneth R. Reed; daughter, Kathryn D. Martin and husband Kirk of Central, Louisiana. She is also survived by her cherished grandchildren, Austin Randall Reed, Ashleigh Kaye Martin and Peyton Reed Martin (who all adored her as “MeMaw”); also other family members and a host of friends in Texas and Louisiana.

The celebration of her life was held on March 26, 2016, at her home church, Broadmoor United Methodist Church, Baton Rouge. The officiating ministers were Dr. Richard Stiltner, Rev. Lee McKinzie and Rev. Harold Babin.

INDA MAE TAYLOR

May 26, 1919 – July 27, 2015

Inda Mae Taylor was born in Ruston, Louisiana to Thomas Rhoderic “Rhoddie” Wright and Sally Redwine Wright. Her siblings included brothers Robert, Burns, and Bert as well as sister Lorna Faye who died as a toddler. The family attended Longstraw Union Church south of Choudrant. During her younger years, Inda Mae was the pianist for the Methodist Congregation that met there. She attended and graduated from Ruston High School and Louisiana Tech. Her first teaching position was at Pelican High School (DeSoto Parish) where she taught Home Economics.

On June 6, 1942, Inda Mae married A.G. Taylor, a young Methodist preacher. Three years later in 1945, the Taylors were blessed with their first son, John Roddy. Rev. Taylor was leading his congregation in worship when the child was born. Inda Mae’s joy was quickly turned to concern as this child was born with a large birthmark on his face. When A.G. arrived at the hospital, he too experienced this same concern, knowing how quickly children will tease and make fun of children who are different. The use of massive doses of x-ray to remove such a glaring mark was not well understood in the mid 1940’s. However, A.G. and Inda Mae, in consultation with the physician, had the faith and courage to make this difficult decision. The mark was completely removed and, of course, is not visible today.

With the birth of John Roddy, Inda Mae set aside her teaching career and became a full time Mom to John Roddy and his two brothers who were later born, Jack and Bob. Just as important, she was able to become a wonderful help-mate to A.G. throughout his ministry. Sometimes she played the piano. Often she taught Sunday School classes and led studies for the WSCS (later known as the United Methodist Women). No one could have been more supportive and helpful in the ministry of her husband than Inda Mae. What a gift she was to every congregation served by her husband.

In 1986, the North East Louisiana chapter of the American Mothers Association, selected Inda Mae as the Mother of the Year. This organization sponsors the chapel at the State Capital in Baton Rouge. Because of this honor, her picture hangs in that chapel.

On July 31, 2015, Inda Mae was laid to rest with a graveside service at Longstraw Cemetery.

LOUISE THOMAS

July 15, 1921 – July 19, 2015

Louise Thomas was born on July 15, 1921, in Westminster Maryland. It was at Western Maryland College in a psychology class that she met her sweetheart, Edward Thomas, who was studying theology. She attended graduate school at Wellesley College and received a Master’s Degree in Astronomy, while Ed went to Boston College for his Master’s in divinity. She and Ed were married in 1944. The newlyweds started their ministry in a small church outside Providence, Rhode Island. Several months after the birth of their first child, David Edward, the family moved to Baton Rouge, Louisiana, where Ed served as an Associate Pastor. Moving away from her family and to the heat and humidity of Louisiana was not easy for Louise, especially since she had to deal with a young baby. But as she would do her whole life, she adjusted to her new surroundings. In 1950, a second son was added to the family, James Philip. About that time Ed got his first head pastor’s position just a few miles east down highway 190 in Denham Springs. In 1955,

Ed, Louise, David and Philip moved a few more miles east on 190 to Hammond. During their 9 ½ years in Hammond, a third son Daniel Mark was born and 2 girls, Kathy and Lynn, were adopted.

Louise always viewed being a preacher's wife as her vocation. She sang in the church choir, taught Sunday School, was active in United Methodist Women and kept the parsonage so neat and clean that it was always ready for visitors, even those that Ed brought home unannounced. While in Hammond, the self-proclaimed strawberry capital of the world, Louise found one of her life's missions. Hammond was the home to a number of migrant workers, when the strawberries were ripe. These children worked the fields picking strawberries with the rest of their family. Louise was very instrumental in making health care and education available to these migrant children. The school she started in Hammond bore her name for a number of years. It has been taken over by the Government but is still teaching migrant children.

Education was very important to the Thomas household. As mentioned above, both Ed and Louise received master's degrees. In addition all five of their children graduated from college, David from Southeastern, Philip and Lynn from Northwestern and Mark and Kathy from Louisiana Tech. In addition to each child getting an undergraduate degree, the five combined to get one PhD, 5 Master's Degrees and a Nursing degree.

After Hammond the family made stops in Minden, New Orleans, Natchitoches and Ruston as District Superintendent and finally Broadmoor United Methodist in Shreveport. After his retirement Louise and Ed traveled, often to elder hostels. Both Ed and Louise lived into their nineties. Louise lost the love of her life in 2008, after 64 years of marriage. She started to have memory issues in 2009 and her condition gradually deteriorated until she no longer knew her own children. She died on July 19, 2015. She left behind 5 children, 8 grandchildren, and two great grandchildren.

B. ELECTION OF YOUNG ADULT MEMBERS

ARTICLE II: THE MISSIONAL ORGANIZATION OF THE ANNUAL CONFERENCE

A. PURPOSE AND ORGANIZATION

1. Our mission is to make disciples of Jesus Christ for the transformation of the world, and the local church provides the most significant arena through which our disciple-making occurs (*Book of Discipline*, ¶201).
2. The purpose of the Annual Conference is to advance this mission "by equipping its local churches for ministry and by providing for connectional ministry beyond the local church" (¶601).
3. In order to accomplish this mission, the Annual Conference functions to equip and encourage our local churches to become "vital congregations": congregations that lead others to abundant life in Jesus Christ; engage in their communities; learn, live, and tell the Gospel story; and reach out to and draw in people from all walks of life (Matthew 22:36-40; Matthew 28:16-20).
4. In order to give priority to our missional purpose and to our commitment to developing vital congregations, the Louisiana Conference will be organized into three Ministry Areas in addition to and as a complement of the strategic and equipping ministry of the Bishop and Cabinet (¶401ff., ¶414ff., ¶419ff.). The Bishop, Cabinet, and the three ministry areas will work together in a connectional relationship in order to strengthen the local churches in their mission and ministry.

5. The three ministry areas are (1) Vital Congregations, (2) Clergy Excellence, and (3) Administrative Ministries. The purpose of these Ministry Areas is to fulfill the missional purpose of the Annual Conference, to grow vital congregations, and to provide for other ministries as required by *The Book of Discipline*.

It will do so by fostering shared ministry among local churches and by providing for connectional ministry beyond the local church.

RULE 20. TABLING RELATED MOTIONS:

No motion, which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

RULE 21. REFERRING REPORTS, ETC.:

It shall be in order for the Conference to refer to a committee a section or a part of a report or resolution, which is before the Conference for consideration, or any amendment offered thereto.

RULE 22. PROCEDURE FOR CONSIDERATION OF SUBSTITUTES:

When a resolution or committee report is properly before the Conference for consideration and action, even if amendments thereto are pending, a substitute therefore may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Conference shall then proceed first to perfect the original report or resolution, including consideration and action upon any amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the report or resolution; provided, however, that the motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two (2) members to speak on each side of the question of substitution or adoption.

RULE 23. PREVIOUS QUESTION:

When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), he/she shall indicate to what he/she intends it to apply, if any secondary motion or motions are also pending. If he/she does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require a two-thirds (2/3) vote of those present and voting for its adoption; and if it is accepted, the vote shall be taken on the motion or motions to which it applies without further debate.

RULE 24. MOTION AFTER SPEECH:

It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

RULE 25. EXCEPTIONS TO MAJORITY VOTE:

A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

1. One-third (1/3) of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.
2. A call for a vote by orders shall prevail if sustained by one-third (1/3) of the members of the order from which the call came, present and voting.
3. A two-thirds (2/3) vote shall be required to sustain a motion to suspend or amend the rules; to sustain a motion for the previous question; to set aside a special order; to consider a special order before the time set therefor; to sustain the request of the Committee on Courtesies and Privileges for the presentation of any person on the final day of the Annual Conference.

RULE 26. RECONSIDERATION:

A motion to reconsider an action of the Conference shall be in order at any time if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

RULE 27. CALENDARS, REGULAR AND NON-CONCURRENCE:

The Secretary shall keep a chronological record of orders of the day and of reports of committees, which record shall be called the Calendar, and the matter of business placed on it shall be considered as recommended by the Committee on Agenda (the Cabinet) to the Conference, unless by a two-thirds (2/3) vote of the Conference an item is taken out of its order.

When a committee presents a report on a given subject, as part of its report, it must also list the numbers of all petitions relating to this subject on which the committee voted non-concurrence.

RULE 28. MOTION TO ADJOURN IN ORDER EXCEPT:

The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except:

1. When a member has the floor.
2. When a question is actually put, or a vote is being taken, and before it is finally decided.
3. When the previous question has been ordered and action thereunder is pending.
4. When a motion to adjourn has been lost, and no business or debate has intervened.
5. When the motion to fix the time to which the Conference shall adjourn is pending.

The foregoing does not apply to a motion for final adjournment of the Conference.

RULE 29. SPEAKERS FOR AND AGAINST:

When the report of a subject is under consideration, it shall be the duty of the presiding officer to ascertain, when he/she recognizes a member of the Conference, on which side he/she proposes to speak; and he/she shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desires to speak on the other side thereof.

Except for undebatable motions, no motion shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the said proposal, provided that right is claimed before the chairperson or duly authorized member representing the committee's report or the minority report, if there be such, has been recognized by the presiding officer to close the debate.

When all have spoken who desire to do so, or when (and after) the previous question has been ordered, the chairperson and/or duly authorized member or members presenting a committee's report (and a minority report if there be one) shall be entitled to speak before the vote is taken. This right of the chairperson and/or other member or members to close the debate shall prevail in like manner to a limit of five minutes when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, or to lay on the table or any other motion whose adoption would vitally affect the report under consideration; provided, that this five minute limit shall not apply to a motion to substitute a minority report for a regular (majority) report of a committee.

RULE 30. EFFECTIVE DATE:

All actions of the Annual Conference shall become effective upon the final adjournment of the session of the Annual Conference at which they are enacted, unless otherwise specified, except as provided otherwise in the *Discipline*.

RULE 31. SUSPENSION OF RULES:

The operation of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds (2/3) vote of the Conference.

RULE 32. ROBERT'S RULES OF ORDER SUPPLEMENTAL AUTHORITY:

In any parliamentary situation not clearly covered by these Rules of Order, the Annual Conference shall be governed by the current edition of Robert's Rules.
